Parking Restrictions Adjacent to McKinley Park, Winner’s Circle Park and William Land Park

File ID: 2026-00876

Location: District 2, 4 and 7

Recommendation: Adopt a **Resolution** establishing new no-parking zones adjacent to McKinley Park, William Land Park and Winner’s Circle Park by posting signage with “No Parking 11:00 p.m. to 5:00 a.m.” restrictions.

Description/Analysis

Issue Detail: Parking adjacent to McKinley Park (see Exhibit A), Winner’s Circle Park (see Exhibit B), and William Land Park (see Exhibit C) is currently unrestricted in the evenings. All three parks are closed to the public from dusk to dawn, however, vehicles routinely park in these areas after the parks are closed. Establishing new “No Parking 11:00 p.m. to 5:00 a.m.” restrictions and posting signage will clearly communicate prohibited hours, reinforce park closure times, and help keep these areas clear.

Policy Considerations: The recommendations in the report are in accordance with City Code Section 10.36.040, which prohibits parking when signs are erected giving notice thereof, that no person shall stop, stand or park on the days indicated on such signs, between the hours specified on such signs or upon any of the streets described in resolutions duly adopted by the City Council. The authority of a local agency to regulate on-street parking is set forth in California Vehicle Code section

22507(a) which permits local authorities to prohibit or restrict the stopping, parking, or standing of vehicles on certain streets during all or at certain hours of the day either by ordinance or resolution.

Economic Impacts: None.

Environmental Considerations: The current proposal involves parking restrictions. The proposal is not a “project” in accordance with Section 15378 of the California Environmental Quality Act Guidelines. The implementation of these parking restrictions does not have potential for resulting in either direct or indirect physical changes in the environment. Therefore, as determined by the City’s Environmental Services Planning Manager, no environmental review is necessary.

Sustainability: This action supports the City of Sacramento’s sustainability goals to improve and optimize the transportation infrastructure.

Commission/Committee Action: None.

Rationale for Recommendation:

Parking adjacent to McKinley Park (see Exhibit A), Winn Park (see Exhibit B), and William Land Park (see Exhibit C) is currently unrestricted during evening hours, despite all three parks being closed to the public from dusk to dawn. This creates inconsistent conditions where park access is restricted, but surrounding curb space remains available for overnight parking, leading to confusion, reduced visibility, and potential safety concerns.

In coordination with the Parks Department and informed by input from nearby stakeholders, the proposed establishment of consistent “No Parking 11:00 p.m. to 5:00 a.m.” zones is intended to align curbside regulations with park operating hours. This approach promotes uniformity across park-adjacent corridors, improves clarity for drivers, and supports safe and unobstructed access for emergency response, maintenance, and neighborhood circulation.

The recommended changes will provide a clear, enforceable framework that enhances public safety, reduces ambiguity, and reflects a coordinated City approach to park operations and adjacent right-of-way management.

Financial Considerations: The cost to implement the recommended parking regulation is estimated to be \$3,400.00. Sufficient funds are available in the Parking Services Division FY2025/26 operating budget (General Fund, Fund 1001).

Local Business Enterprise (LBE): Not applicable.

RESOLUTION NO. 2026-

Adopted by the Sacramento City Council

April 28, 2026

PROPOSED PARKING RESTRICTIONS ON STREETS ADJACENT TO McKINLEY PARK, WINNER'S CIRCLE PARK, AND WILLIAM LAND PARK

BACKGROUND

- A. Parking adjacent to McKinley Park (see Exhibit A), Winner's Circle Park (see Exhibit B), and William Land Park (see Exhibit C) is currently unrestricted in the evenings.
- B. All three parks are closed to the public from dusk to dawn, however, vehicles routinely park in these areas after the parks are closed. Establishing new "No Parking 11:00 p.m. to 5:00 a.m." restrictions and posting signage will clearly communicate prohibited hours, reinforce park closure times, and help keep these areas clear.
- C. There is sufficient funding within the Parking Services Division's FY25/26 operating budget to implement the recommended parking regulations.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1.

The following streets will be regulated with "No Parking 11:00 pm to 5:00 am" signage:

- 33rd Street, west side, from H Street to McKinley Boulevard.
- 33rd Street, east side, from Park Way to McKinley Boulevard.
- Park Way, north side, from 33rd Street to 35th Street.
- McKinley Boulevard, south side, from Alhambra Boulevard to 33rd Street.
- Erickson Street, east side, from Dixieanne Avenue to 300' north of Dixieanne Avenue where the park ends.
- Dixieanne Avenue, north side, from Erickson Street to Evergreen Street.
- Evergreen Street, west side, from Dixieanne Avenue to 300' north of Dixieanne Avenue where the park ends.
- 15th Avenue, both sides, from Land Park Drive to 18th Street
