Description/Analysis
Issue Detail: The City Charter, Article IX Section 111, requires the City Manager to deliver budget recommendations no later than 60 days prior to the start of the new fiscal year which begins July 1. The City Manager's FY2026/27 Proposed Budget was released on April 29, 2026, and is available at http://www.cityofsacramento.org/finance/budget. The Final Budget (Budget) before Council incorporates budget adjustments reflecting Council consensus as articulated during Budget Hearings and technical budget adjustments.

Budget Overview

The City continues to face significant financial challenges as it works to resolve an ongoing imbalance between City operating costs and available resources, which is known as a structural deficit. The Budget is balanced and closes a $66.2 million funding gap. The Budget totals approximately $1.7 billion from all funding sources and supports 4,884.20 full-time equivalent (FTE) positions. This includes $898 million for General Fund operations and capital projects, and $837 million for the City's enterprise and other fund activities.

Budget Hearings and Council Budget Adjustments

On May 5, 2026, staff presented the Proposed Budget (including the FY2026/27 Capital Improvement Program [CIP] Budget) to Council (File No. 2026-00777). After the presentation and further discussion with staff, Councilmembers were asked to submit budget amendment proposal memos for deliberation and staff direction on May 12, 2026. At the 2:00 pm May 12th Council meeting, Council received an analysis of the 2026-2031 CIP (File No. 2026-00778), City fees and charges (File No. 2026-00923), and the application of the Budget Equity Tool (File No. 2026-00943). At the 5:00 pm May 12th Council meeting, Council reviewed Councilmembers' proposed budget amendment requests. A motion was passed to restore the following budget reductions on a one-time basis with the identified funding sources.

One-time Restorations	
Violence Prevention Project - Gang Prevention & Intervention Taskforce	$ 1,300,000
Wading Pools	117,520
Recreation Swim Hours	464,420
Total	**$ 1,881,940**
Funding Sources	
Shift HHAP-6 funding from FY2027/28 to FY2026/27	$ 1,325,904
Parking Enforcement Vacancies (freeze 7.0 FTEs vacant Parking Enforcement Officers)	556,036
Total	**$ 1,881,940**

Council also directed staff to include the following one-time restorations below contingent upon a financing plan developed by staff for Council consideration.

One-time Restorations		
Summer at City Hall	$	132,435
Violence Prevention (Other)		275,000
Hart Senior Center		273,893
Park Maintenance Worker positions		567,428
North Sac Code Enforcement Project		200,579
North Sac Economic Development Project		259,923
YPCE Workforce Development Positions		107,150
Total	**$**	**1,816,408**

Funding source options included:

- Parks maintenance contract savings
- Freezing Community Ambassador stipends
- Reducing Commission Meetings (except for the Planning Commission)
- Reduction of homeless services
- Reduced contribution to the Economic Uncertainty Reserve

Staff returned to Council on May 19th and recommended the following financing plan.

Funding Sources		
Reduce Economic Uncertainty Reserve Contribution (one-time)	$	973,408
Reduce District 1 New Parks Maintenance Contracts		200,000
Freeze Community Ambassador Program (one-time)		108,000
Reduce Commission Meetings		35,000
Reduction in Homeless Services		500,000
Total	**$**	**1,816,408**

After Council reviewed the financing plan developed by staff, there were concerns about reducing the number of commission meetings without understanding the impact. A motion was passed to conduct a one-time restoration of the budget reductions using the identified funding sources with the direction that the City Manager will work with the City Clerk to do an assessment of the commission meetings to determine which commissions could be reduced.

Based on the motion, staff will increase the Economic Uncertainty Reserve reduction by $35,000, from $973,408 to $1,008,408, to cover the one-time restorations and include language in the Budget Resolution that the Economic Uncertainty Reserve will be reimbursed based on the results of the assessment of commission meetings.

Additional Restorations:
In addition to the restorations above, the following restorations will also be conducted on a one-time basis. This restoration is to allow the City Attorney to pilot bringing outside counsel costs down by handling more cases in house. A review of the pilot will be conducted in FY2026/27.

Additional Restorations		
One-time restoration of one position (1.0 FTE Assistant City Attorney) in the City Attorney's Office.	$	368,029
One-time removal of an add/delete. A 1.0 FTE Deputy City Attorney I will return back to a 1.0 FTE Senior Deputy City Attorney in the Community Advocacy & Public Safety division.		76,253
Total	**$**	**444,282**
Funding Sources		
Reduce Economic Uncertainty Reserve Contribution (one-time)	$	444,282
Total	**$**	**444,282**

Staff will increase the Economic Uncertainty Reserve reduction by an additional $444,282, from $1,008,408 to $1,452,690, to cover the one-time CAO restoration.

The following charts outline the budget adjustments reflecting Council’s direction.

Council's Direction Operating Budget Adjustments

Department	Fund Name (Number)	Revenue/ Offset Adjustment	Expenditure Adjustment	Description
City Attorney	General (1001)	-	368,029	One-time restoration of one position (1.0 FTE Assistant City Attorney) in the City Attorney's Office.

North Sac Economic Development (I02180600)	General (1001)	259,923	One-time restoration of funding for North Sac Economic Developme project.
North Sac Code Enforcement (I21000600)	General (1001)	200,579	One-time restoration of funding for North Sac Code Enforcement project.
Office of Violence Prevention (OVP) (I02000600)	Measure U (2401)	275,000	One-time restoration of funding for OVP project.
	Net Project Changes:	**$ 101,598**	

Other Budget Adjustments, Position Changes and Reorganizations

After the Budget was released, there were several technical budget adjustments detailed below:

- Labor adjustments included the add/delete of positions in the Information Technology and Finance Departments, the addition of fully offset positions in the Fire and the Youth, Parks and Community Enrichment Department, and other labor and technical adjustments (i.e. offsets, labor negotiations adjustments, labor system technical adjustments).
- There was a cost neutral adjustment related to increasing parking meter revenue budget to align with projections, adding corresponding services and supplies and offsetting three

positions (1.0 FTE Administrative Analyst, 1.0 FTE Associate Planner and 1.0 Senior Planner) funded by the Gas Tax Fund or capital projects to meet the required SB1 maintenance of effort.

- Due to a reorganization, the Office of Innovation Economic Development consisting of 32 positions (10.00 FTE Administrative Analyst, 1.00 FTE Administrative Technician, 1.00 FTE Assistant Director, 1.00 FTE City Housing Manager, 1.00 FTE Community Engagement Manager, 8.00 FTE Development Project Manager, 3.00 FTE Economic Development Manager, 1.00 FTE Neighborhood Services Area Manager, 1.00 FTE Program Specialist, and 5.00 FTE Senior Development Project Manager) and its associated service and supplies budgets were moved from the City Manager's Office to the new Economic Development Department.
- In the Utilities Department, 14 FTEs in the Drainage Engineering division were moved from the Storm Drainage Fund to the Storm Drainage Property Fee Fund to lessen the administrative burden of conducting fund reimbursements in the Proposed Budget. The corresponding services and supplies in the Drainage Engineering division were moved from the Storm Drainage Fund to the Storm Drainage Property Fee Fund.
- A position (1.00 FTE Director of Public Safety) in the Office of Public Safety Accountability (OPSA) was frozen, and its labor savings are used to create a new project for OPSA investigations and audits.
- Funding for Community Center/Clubhouse Fee Waiver project was removed. Funding for the project ended in FY2025/26 and ongoing funding was erroneously included in the FY2026/27 Proposed Budget.
- The Development Services fund, Fleet Management fund, 4th R fund and START fund revenues and/or expenses not included in Proposed Budget were updated.
- An increase to the Labor negotiations placeholder for Sacramento Area Firefighters, Local 522 along with an offset of FY2024/25 Year-End results have been included.
- Due to timing, other technical adjustments (department and/or fund changes) related to revenues, the cost plan and projects were also updated.

The following charts outline the other budget adjustments, position changes and reorganization. Attachment 6 provides a comprehensive list of all budgetary adjustments including the proposed changes from Council. Attachment 7 provides a comprehensive list of all position adjustments including the proposed changes from Council.

Operating Budget Adjustments

Department	Fund Name (Number)	Revenue/ Offset Adjustment	Expenditure Adjustment	Description

SVS Economic Development MYOP (I15003000)	Parking Fund (6004)	200,000	Move SVS Economic Development MYOP from Red Light Camera Fund (2040) to Parking Fund (6004).
	Net Project Changes:	**$ -**	

Supplemental Budget Information:
During the Budget process, City staff received 16 questions or requests for information. All Supplemental Budget Information (SBI) requests have been answered and are included with this item (Attachment 2).

Resolution Additions and Amendments: Additional authority is required to allow the City Manager to conduct necessary budgetary changes to implement the Budget. The following outlines the additions and changes, and the authority recommended to be included in the FY2026/27 Budget Resolution (Attachments 4 and 5).

Department Update: The following change is to add the Economic Development Department to the list of departments. The following section is recommended to be amended as shown below.

Current Section 3.4: “Department” means Mayor and City Council; City Manager; City Attorney; City Auditor; City Clerk; City Treasurer; Community Development; Community Response; Convention and Cultural Services; Finance; Fire; Human Resources; Information Technology; Police; Public Works; Utilities; Youth, Parks, and Community Enrichment; and Citywide and Community Support.

Proposed Section 3.4: “Department” means Mayor and City Council; City Manager; City Attorney; City Auditor; City Clerk; City Treasurer; Community Development; Community Response; Convention and Cultural Services; Economic Development; Finance; Fire; Human Resources; Information Technology; Police; Public Works; Utilities; Youth, Parks, and Community Enrichment; and Citywide and Community Support.

Economic Uncertainty Reserve (EUR) Updates: Based on the recommended budget changes from Council deliberations and direction, the following section is recommended to be amended as shown below.

Current Section 5.3: The City Manager is authorized to maintain an EUR reserve below the minimum threshold prescribed in the Council-adopted EUR Policy in FY2026/27. In the FY2024/25 and FY2025/26 Operating Budgets, General Fund and Measure U Fund

EUR contributions were redirected to balance the FY2024/25 budget and create a Federal Funding Reserve in FY2025/26 to protect the City against the federal government withholding or rescinding revenues.

Proposed Section 5.3: The City Manager is authorized to maintain an EUR reserve below the minimum threshold prescribed in the Council-adopted EUR Policy in FY2026/27. In the FY2024/25, FY2025/26 and FY2026/27 Operating Budgets, General Fund and Measure U Fund EUR contributions were redirected to balance the FY2024/25 and FY2026/27 budgets and create a Federal Funding Reserve in FY2025/26 to protect the City against the federal government withholding or rescinding revenues.

The following section is recommended to be added.

Section 5.9: A one-time reduction of $35,000 in commission meetings staffing and stipends will be funded by the EUR in FY2026/27 to allow the City Manager and City Clerk to conduct an assessment. The City Manager is authorized to reimburse the EUR once the assessment is finalized.

Project Name Change: The following change is to correct the name of the project. The following section is recommended to be amended as shown below.

Current Section 18.16: Each fiscal year, a portion of unspent appropriations in the Youth Sports Field Permit Program MYOP (I19143000) on June 30 may be transferred to the Measure U Park Improvements (L19706000), to be used to address the backlog of deferred maintenance for sports fields.

Proposed Section 18.16: Each fiscal year, a portion of unspent appropriations in the YPCE Youth Program Scholarship MYOP (I19143000) on June 30 may be transferred to the Measure U Park Improvements (L19706000), to be used to address the backlog of deferred maintenance for sports fields.

Policy Considerations: The Budget maintains the direction provided by Council and prioritizes maintaining core City services and advancing Council priorities while closing the budget gap in FY2026/27. The Budget includes continued resources for essential core services and Council's top three priorities, as identified on September 30, 2025, related to Economic Development, Homelessness, and Public Safety. The strategic approach to include specific revenue enhancements and expenditure reductions instead of simply pursuing across-the-board cuts minimizes program and service impacts to Council's priorities and the community to the extent possible.

Economic Impacts: Not applicable.

Environmental Considerations: California Environmental Quality Act (CEQA): This report concerns administrative activities and government fiscal activities that do not constitute a "project" as defined by the CEQA Guidelines sections 15378 and California Public Resources Code section 21080 and are not subject to the provisions of CEQA (CEQA Guidelines section 15060(c)(3)). CEQA review for any project, which utilizes funds allocated under the FY2026/27 CIP Budget, has been or will be performed in conjunction with planning, design, and approval of each specific project as appropriate.

Sustainability: Not applicable.

Commission/Committee Action: Sacramento City Code Section 17.912.010 requires the Planning and Design Commission to review the City's five-year CIP for consistency with the City's General Plan and to report its findings to the Council. The Commission met on April 23, 2026, and determined that the 2026-2031 CIP is consistent with the City's General Plan (Attachment 3).

The Budget and CIP were presented to the Measure U Commission on May 18, 2026.

Rationale for Recommendation: The actions recommended in this report address the structural budget gap by making strategic revenue enhancements and expenditure reductions and requesting the necessary authority to help close the budget gaps in FY2026/27 and future fiscal years.

Financial Considerations: The following forecast reflects the Budget as submitted with the adjustments listed in the Budget Adjustments subsections.

5-Year Forecast General Fund *($ in 000s)*	FY2026/27 Proposed	FY2027/28 Projection	FY2028/29 Projection	FY2029/30 Projection	FY2030/31 Projection

Supplemental Budget Information – Item 1

Question: Update Attachment 2 of the Budget and Audit Committee December 11, 2025 staff report (File No. 2025-01968) to include all General Fund vacant positions with position costs and the number of days vacant.

Response: There are a total of 611.94 Full-Time Equivalent (FTE) General Fund and Measure U (GF) vacant positions as of November 3, 2025. Departments provided additional information regarding the vacant positions. Vacant positions could fall under one of the following categories:

- Reimbursable – Position is fully or partially funded by grants, projects, or another fund. Ex. Funded by an Enterprise fund or other non-GF fund, multi-year operating project or capital improvement project
- Revenue Generating – Position is fully or partially cost neutral because they generate revenues Ex: parking enforcement, building inspectors, etc.
- Covering a Non-Budgeted Position (NBP) – Position is funding an NBP
- Seasonal – Positions for youth programs, aquatics, or any other seasonal hires. Most of these positions would be temp positions.
- Recruitment (Posted) – Position is posted for recruitment, but interviews have not begun.
- Recruitment (Interviews and Beyond) – Position is either currently interviewing, or a candidate is already selected to fill the position.

The chart below is based on department feedback.

Vacant GF Positions as of 11/3/2025

	FTEs
Total vacant positions	611.94
Less vacancies that	
- Fund an NBP	113.50
- Are reimbursable	98.45
- Are revenue generating	30.35
- Are seasonal/temp	79.24
- Are in recruitment	151.90
Remaining Vacancies	**138.50**

Table 1 lists the remaining 138.50 FTE vacant positions by job description and the sum of the total compensation. Table 2 lists all 611.94 FTE vacant positions by category, job description, and the sum of the total compensation. Table 3 lists all 611.94 FTE vacant positions by category and number of days vacant. As a reminder, departments often use funds from vacant positions to pay for overtime and maintain service levels, especially when critical roles go unfilled.

Supplemental Budget Information – Item 2

Question:
Provide an update on the scholarships offered to youth and seniors in response to services that were cut last year. What did we learn, did it work or not work and what support is needed from Council.

Response:
YPCE currently administers scholarship programs for youth and seniors. The Youth Program Scholarship Fund and Hart Trust Fund pass are designed to provide financial assistance to youth and seniors for programs and services. Services were not cut in FY26. YPCE added or increased fees to some youth and senior programs and increased facility rental rates in FY25. The scholarships allowed programs and facilities to remain accessible for all.

As part of the FY25 budget process and reduction strategies, YPCE implemented fee increases to some youth and senior programs. To ensure fee increases did not create barriers to participation in core service programs, YPCE restructured the Youth Sports Field Usage program to expand eligibility to youth-serving facilities and programs to create the YPCE Youth Program Scholarship Fund (YPSF). Since its implementation in FY25, YPCE has invested $450K in youth citywide through the YPSF.

The YPSF maintains a healthy fund balance as a selected recipient of the Sacramento Children's Fund. To utilize these scholarships, YPCE must maintain essential resources to continue delivering core programs for youth and seniors at community centers, Hart Senior Center, and pools citywide.

FY25 Key Successes:

- 4,473 youth qualified for scholarships for core programs awarding $196K
    - Community Centers programs: $126K
    - Expanded Learning and Sports programs: $9K
    - Aquatics programs: $61K
- $145K waived in community center rental fees for youth organizations
- $108K waived in athletic field rentals for youth sports organizations
- Increased enrollment in Summer Oasis program, with 965 participants, 48% of total enrollment, supported by the YPSF
- 748 participants, 26% of swim lesson participants supported by the YPSF
- Hart Fun Pass and Triple R scholarship issued a total of $86,580 in financial assistance to older adults, a 33% increase from FY24
    - $7K to offset wellness room membership costs in community centers
- YPCE maintained or increased the number of participants served in core service programs through scholarship opportunities

City of SACRAMENTO
Youth, Parks, & Community Enrichment

YOUTH PROGRAM SCHOLARSHIP FUND

The YPCE Youth Program Scholarship Fund (YPSF) offers scholarships for Youth, Parks, and Community Enrichment programs for Youth (ages 0-24) in households demonstrating financial need. Applicants who qualify receive a scholarship for the current calendar year toward registration and memberships fees for eligible City of Sacramento YPCE programs.

Eligible Programs

Aquatics
Swim Lessons
Junior Lifeguard Camps
Swim Teams

Community Centers
Kids' Night Out
Rec Explorer Camp (R.E.C.)
Teen Scene
Wellness Room Membership

Expanded Learning
Summer Oasis
Kids Camp

Youth Sports
Jr. NBA
NFL Flag Football
Skate Pass

How to qualify for a YPCE Youth Program Scholarship Fund

1. Create or verify you have an active City of Sacramento ActiveNet account.
2. Complete the YPSF Scholarship application on the following pages or online at http://www.cityofsacramento.gov/YPSF
3. Attach or upload required documentation to determine scholarship eligibility:
   - Submit a current Notice of Action Letter verifying the household's or applicant's enrollment in one of the following programs: WIC, CalFresh, CalWORKS, TANF, or MediCal
4. Submit your completed application and documentation online or send your completed application with documentation to YPSF@cityofsacramento.org
5. Within 21 days, a staff member will notify you of your households YPSF status and how to register for eligible YPCE programs.

Allow up to 21 days for application processing. Applications must be approved and processed, and applicants must be registered for the eligible program, prior to beginning the activity. Application approval does not guarantee registration in a program. Eligibility for scholarships must be established every year by meeting eligibility and verification requirements.

For more information visit www.cityofsacramento.gov/YPSF or contact: YPSF@cityofsacramento.org

Hart Senior Fun Pass

If you are 50+ and a resident of the City of Sacramento and are having trouble fitting recreation program fees into your budget...

...the Hart Senior Fun Pass is for you!

The Hart Senior Fun Pass is an income-based, fee-waiver supported by the Hart Trust Fund for Older Adults. Complete the application below and, if determined eligible, you will receive a $100 credit toward classes and programs offered by the City of Sacramento's Community Enrichment Division.

What fun opportunities await you?

Fitness, art, writing classes, computer instruction, day trips, camp in the Sierras, & much more!

To see all of our recreational offerings, check out our "Come Out & Play" catalog at
https://www.cityofsacramento.org/ParksandRec

How to qualify for a Hart Senior Fun Pass:

1. **Complete information below and send it to address indicated.**
   Please write your home address on the application. (We reserve the right to verify applicant's residency.)
2. **Wait 7-10 days for an email or letter from Hart Senior Center notifying you of your Senior Fun Pass status and how to use it to register for a recreation program.**

Community Center YPSF Programs

Summer Oasis

Community Centers, in partnership with Expanded Learning, offers an eight-week summer camp experience called Summer Oasis for youth and teens aged 6-17 at 10 Community Center and select park locations. In 2024, Summer Oasis was provided to participants at no cost. However, in 2025, we increased the fee to $115 per four-week session. This change led to an increase in enrollment from 1,854 to 2,016 participants. The Youth Program Scholarship Fund awarded full scholarships to 965 participants ($129,168 value) which covered approximately 48% of all participants.

Programs	2024 Fee	2025 Fee
Kids Camp and Teen Scene (4-week session)	$0.00	
Summer Oasis (4-week session)		$115.00
Wellness Rooms (year membership)	$0.00	$50.00

Youth Sports
Youth sports programs are offered citywide and include Jr. NBA and Basketball Camps.

Program	**Total Registrations**	**YPSF Registrations**	**% YPSF**
Jr. NBA	197	16	8.1%
Basketball Camp	86	29	33%
Total	283	45	16%

Sports Field Fee Reduction
Youth non-profit sports organizations qualify for sport field permit fee reductions based on qualifying criteria.

	FY 24	**FY 25**
# of Fee Waivers Granted	10	25
Amount Waived	$7,246.75	$108,236.50

Aquatics Youth Programs

Programs	Summer 2024 Fee	Summer 2025 Fee
Swim Lessons per 6-lesson session	$69.00	$72.00
Swim Lessons per lesson	$11.50	$12.00
Jr Guard	$39.00	$79.00
Swim Team	$149.00	$149.00

Aquatic program registration remains strong even with slight increases in some programs. The Youth Program Scholarship Fund has helped increase participation and accessibility 806 participants, $61,765 in value, received free aquatics programs for the summer of 2025.

Swim Lessons

The Aquatics section provides equitable access to swim lessons to ensure learn-to-swim programming is available to learners of all ages, city-wide. Swim lesson programming was offered at all 13 pools during Summer 2025, and programming was offered in the Spring and Fall at Clunie Pool and NNAC. 2,884 registrants attended swim lesson programming in 2025. Swim lesson fees increased by $0.50 per class meeting, or $3 for the typical class set of six lessons. Despite a modest price increase, swim lesson registrations increased.

Junior Lifeguard Camps
Junior Lifeguard Camps provide youth ages 12-15 years old with a foundation in water rescue skills and help participants prepare for enrollment in an American Red Cross Lifeguard course. In 2025, Junior Lifeguard Camps were held during the summer at Clunie Pool, McClatchy Pool, Pannell Meadowview Pool, and NNAC. 82 youth participated in the Junior Lifeguarding program in 2025, close to the summer 2024 enrollment of 88 youth. In the summer of 2025 Junior Lifeguard Camps increased in prices from $39 to $79, but maintained an enrollment level close to the total of summer of 2024.

Swim Team
The Aquatics section offers summer season recreational swim teams that focus on swim training and pre-competitive instruction. The City offers swim teams at Clunie Pool, Glenn Hall Pool, Pannell Meadowview Pool, and NNAC. Throughout the summer, participants are offered the opportunity to compete in swim meets at Pannell Meadowview Pool and NNAC. In Summer 2025, 347 swimmers participated in swim team programs, close to the summer 2024 enrollment of 354 swimmers. Of note, there was no price change for swim team between the summer of 2024 and summer of 2025.

Youth Program Scholarship Fund – Aquatics Totals
The YPCE Youth Program Scholarship Fund (YPSF) ensures youth ages 0-24 and families with financial need have access to quality aquatics programs throughout the City of Sacramento. Eligible Aquatics programs include Swim Lessons, Swim Team, and Junior Lifeguard Camps. A total of $61,765 was awarded to 806 youth in aquatics programs.

Hart Trust Fund

The Ethel MacLeod Hart Trust Fund provides funding for Older Service initiatives across the city and currently funds two scholarship opportunities: the Hart Fun Pass and the Triple R scholarships. The Hart Fun Pass provides $100 per year for seniors experiencing financial hardship that can be used towards any city program. The Triple R scholarship provides financial assistance on a sliding scale for the city's licensed adult day program supporting residents with dementia. Both scholarships are funded solely by the Hart Trust Fund and receives no General Fund support.

Hart Fun Pass Comparison – FY24 to Current

Program Area	FY24	FY25
HART	$1,378.50	$1,093.00
AQUATICS	$3,041.00	$5,575.00
TRIPS	$10,571.00	$13,709.00
CC	$ 2,245.00	$9,279.00
AL	$122.00	$72.00
Total	**$17,357.50**	**$29,728.00**

Triple R Sliding Scale Comparison – FY24 to Current

Site	FY24 Amount	FY25 Amount
Club Refresh	$13,010.00	$16,975.00
Midtown	$15,705.00	$19,454.00
SLP	$18,980.00	$20,423.00
Total	**$47,695.00**	**$56,852.00**

The Older Adult scholarship programs saw an increase in usage, specifically in aquatics, trips and tours, and community center activities and wellness rooms memberships due to the small fee increase implemented in FY24.

Supplemental Budget Information – Item 3

Question: Update SBI 1 showing the latest vacant General Fund positions with position costs and the number of days vacant.

Response: As of March 3, 2026, there are a total of 652.29 Full-Time Equivalent (FTE) General Fund and Measure U (GF) positions vacant. As some positions are less than 1 FTE, this 652.29 FTE is comprised of 1,133 vacant positions. Departments frequently leverage vacancy salary savings to offset overtime costs and maintain service levels, especially when critical roles go unfilled. Departments categorized vacant positions as follows:

- Funding a Non-Budgeted Position (NBP) – Position is funding a filled position.
- Recruitment (Posted) – Position is posted for recruitment, but interviews have not begun.
- Recruitment (Interviews and Beyond) – Position is either currently interviewing, or a candidate is already selected to fill the position.
- Reimbursable – Position is fully or partially funded by grants, multi-year operating project, capital improvement project, enterprise fund, or any other non-GF fund.
- Revenue Generating – Position is fully or partially cost neutral because they generate revenues Ex: parking enforcement, building inspectors, etc.
- Seasonal –Temp positions such as youth programs, aquatics, or other seasonal hires.
- Proposed Add/Delete: Position is included in the baseline FY27 budget modifications. Savings from the deleted position are used to fund additional positions.
- Proposed Reductions: Position is included for deletion in the baseline FY27 budget modifications. Savings from deleted position are savings to GF.

The summary chart below is based on department feedback.

Vacant GF Positions as of 03/03/26	FTEs
Total vacant positions	652.29
Less vacancies that are	
- Funding an NBP	67.50
- In recruitment	83.38
- Reimbursable	87.00
- Revenue generating	37.00
- Seasonal	84.29
- *Proposed Add/Delete*	40.55
- *Proposed Reductions*	*159.57*
Remaining Vacancies	**93.00**

Table 1 summarizes sum of total compensation for the remaining 93 vacant GF FTE sorted by department and position.

Table 2 summarizes sum of total compensation for all 652.29 vacant GF FTE, sorted by department, category, and position.

Table 3 lists number of days vacant and total compensation for each of the 1,133 vacant GF positions, sorted by category, department, and position.

Supplemental Budget Information – Item 4

Question:

Provide a list of the City's contracts.

Response:

Attached is a list of all City contracts that the City executed between January 1, 2021, and March 10, 2026. The information is sorted by the services provided under the contract.

Please note that where there have been contract amendments, there will be multiple rows for the contract, and the contract amount reflects the not-to-exceed amount of the contract after the amendment. There are also some items where staff are following up to pull data, and these fields will say 'information pending' and staff will update them. The department field is the department that entered the contract into the system and may not necessarily be the department that utilized the services (for example all janitorial services contracts are entered by Finance).

City Contracts By Service - January 1, 2021 Through March 10, 2026

Contract Date	Contract ID	Counterparty	Project / Services	Amount	Department
9/28/2023	2023-1336	BRIDGE Housing Corporation	AHSC Implementation and Cooperatilon Agreement	$ -	City Clerk

Supplemental Budget Information – Item 5

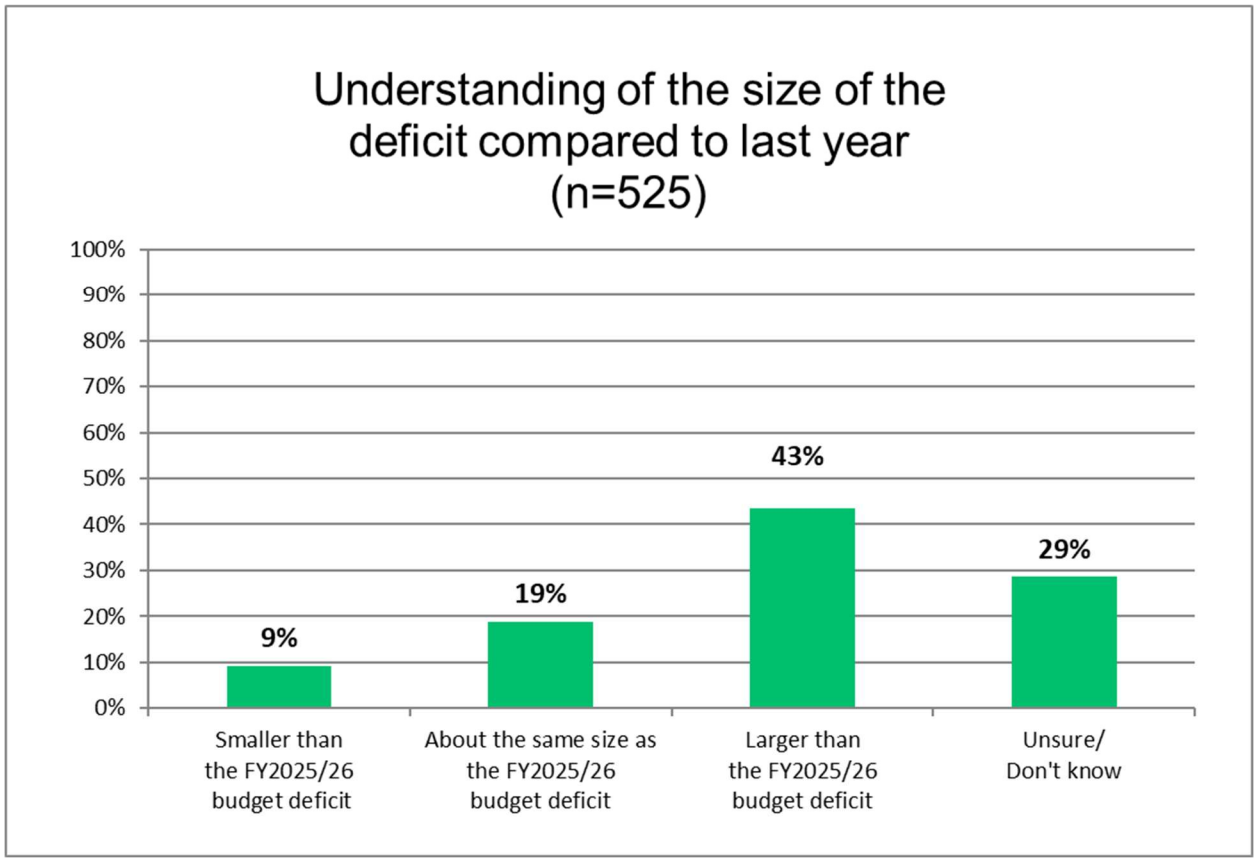
Question:

Results from the FY2026/27 Budget Survey.

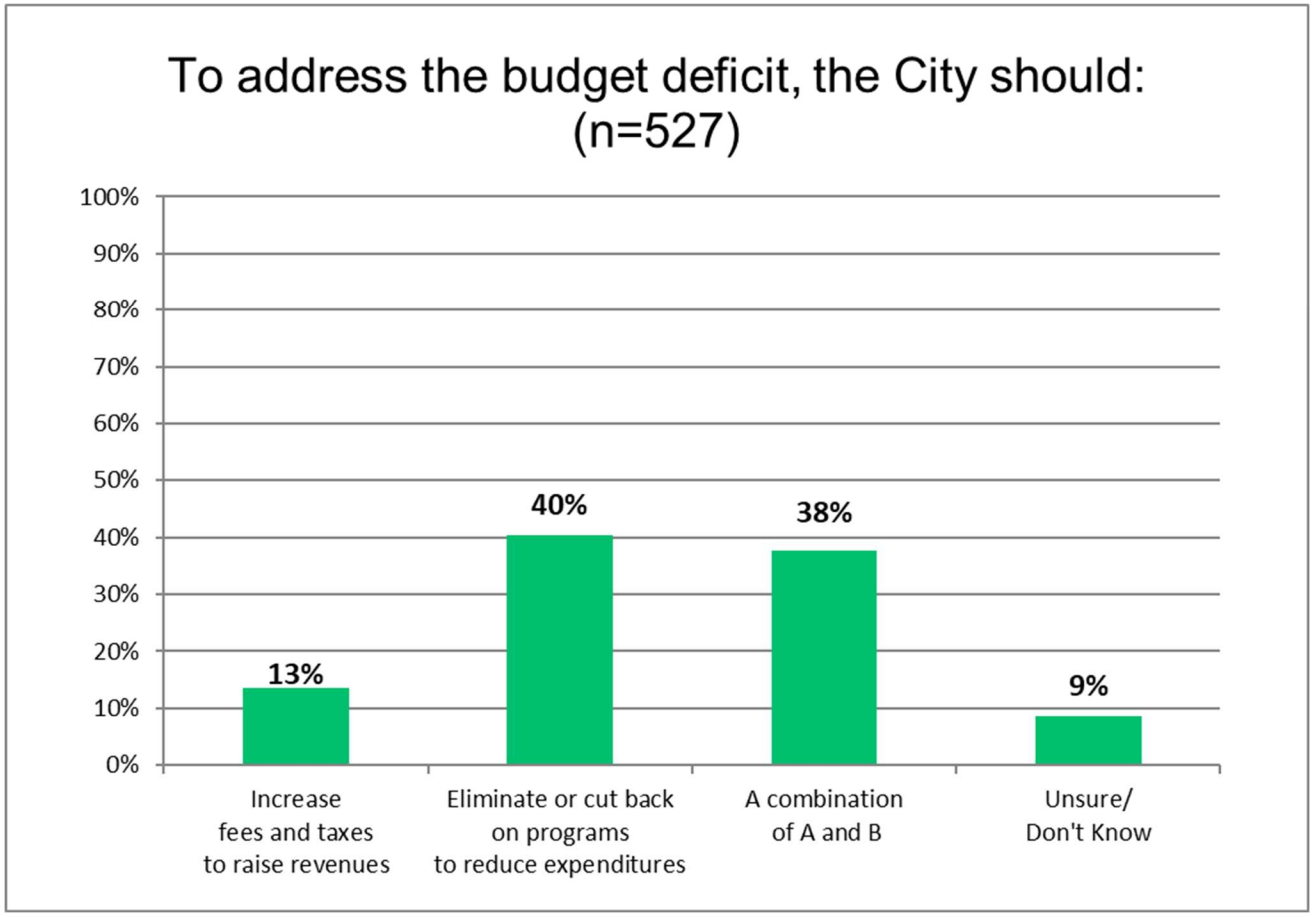
Response:

Fiscal Year 2026/27 Budget Community Survey Results

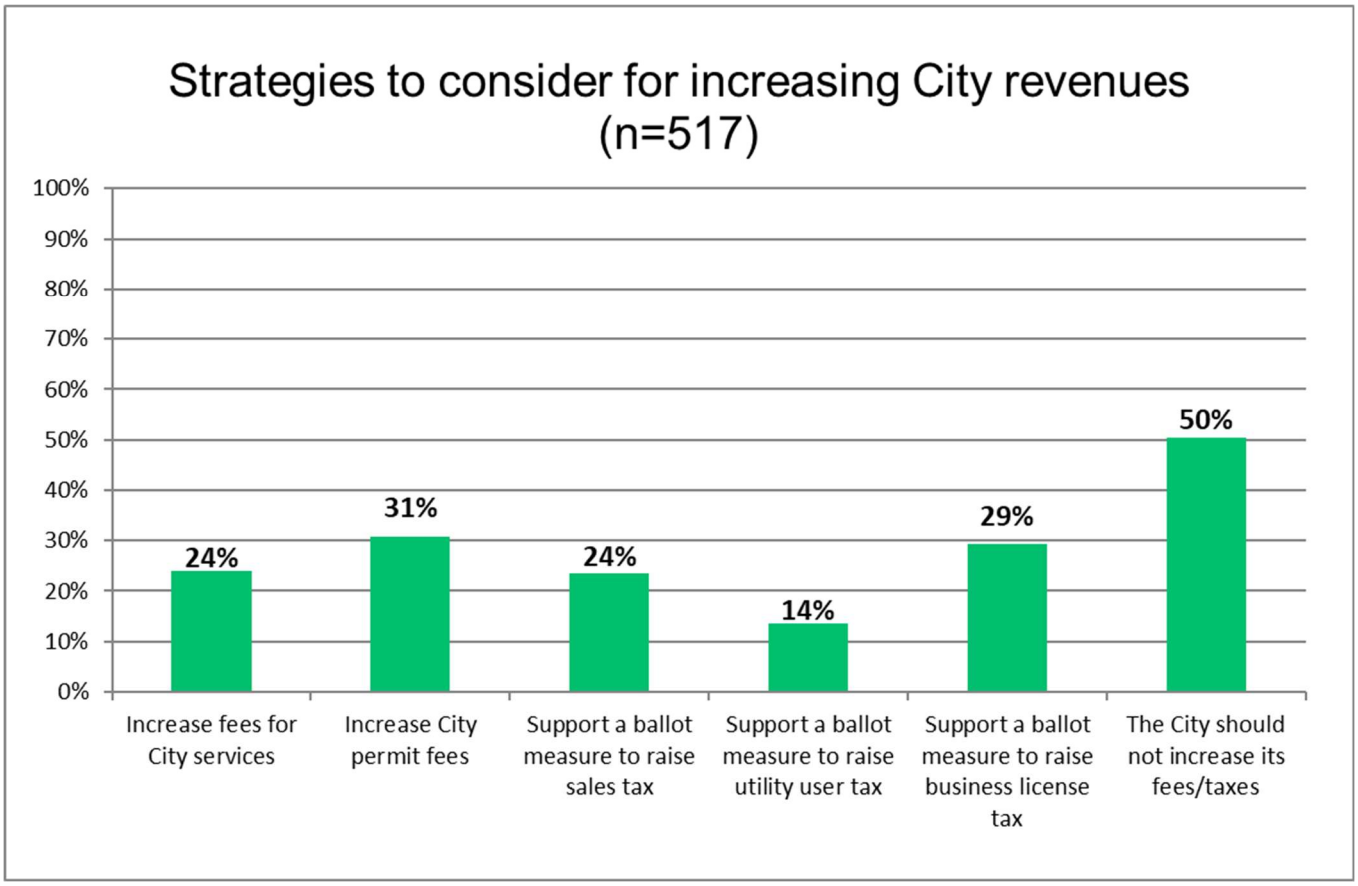
1) Last year, City staff forecasted that the City is facing a "structural budget deficit" with the rate of cost increases outpacing available City resources. The City closed a projected $62 million deficit to balance the Fiscal Year (FY) 2025/26 budget with a combination one-time and ongoing budget balancing strategies. As we approach budget development for Fiscal Year 2026/27, do you think the City's budget deficit will be:
   a) Smaller than the FY2025/26 budget deficit
   b) About the same size as the FY2025/26 budget deficit
   c) Larger than the FY2025/26 budget deficit
   d) Unsure / Don't know



2) To address the budget deficit, should the City:
   a) Increase fees and taxes to raise revenues
   b) Eliminate or cut back on programs to reduce expenditures
   c) A combination of A and B
   d) Unsure / Don't Know



3) To increase City revenues, what strategies should be considered? Please choose all that apply.
   a) Increase fees for City services
   b) Increase City permit fees
   c) Support a ballot measure to raise sales tax
   d) Support a ballot measure to raise utility user tax
   e) Support a ballot measure to raise business license tax
   f) The City should not increase its fees/taxes



4) Please indicate your level of support for reducing expenses in each of the following areas by selecting your top five choices.

   Select "Strongest Support for Expense Reductions" for the area in which you most support reducing expenses, "2nd Strongest Support for Expense Reductions" for your next choice, and so on.

   a) Affordable housing programs
   b) Arts and culture programs
   c) Capital projects (large new projects or infrastructure improvements)
   d) Climate programs
   e) Community benefit programs (such as free Sacramento Regional Transit rides for school-age children)
   f) Community Development (Animal Care, Code Enforcement and Planning)
   g) Economic Development
   h) Fire Department
   i) General government services (Information Technology, Human Resources, Finance, Clerk, Auditor, City Attorney)
   j) Homelessness programs
   k) Youth, Parks & Community Enrichment programs
   l) Police Department
   m) Public Works (Roads, public facilities and tree maintenance, parking)

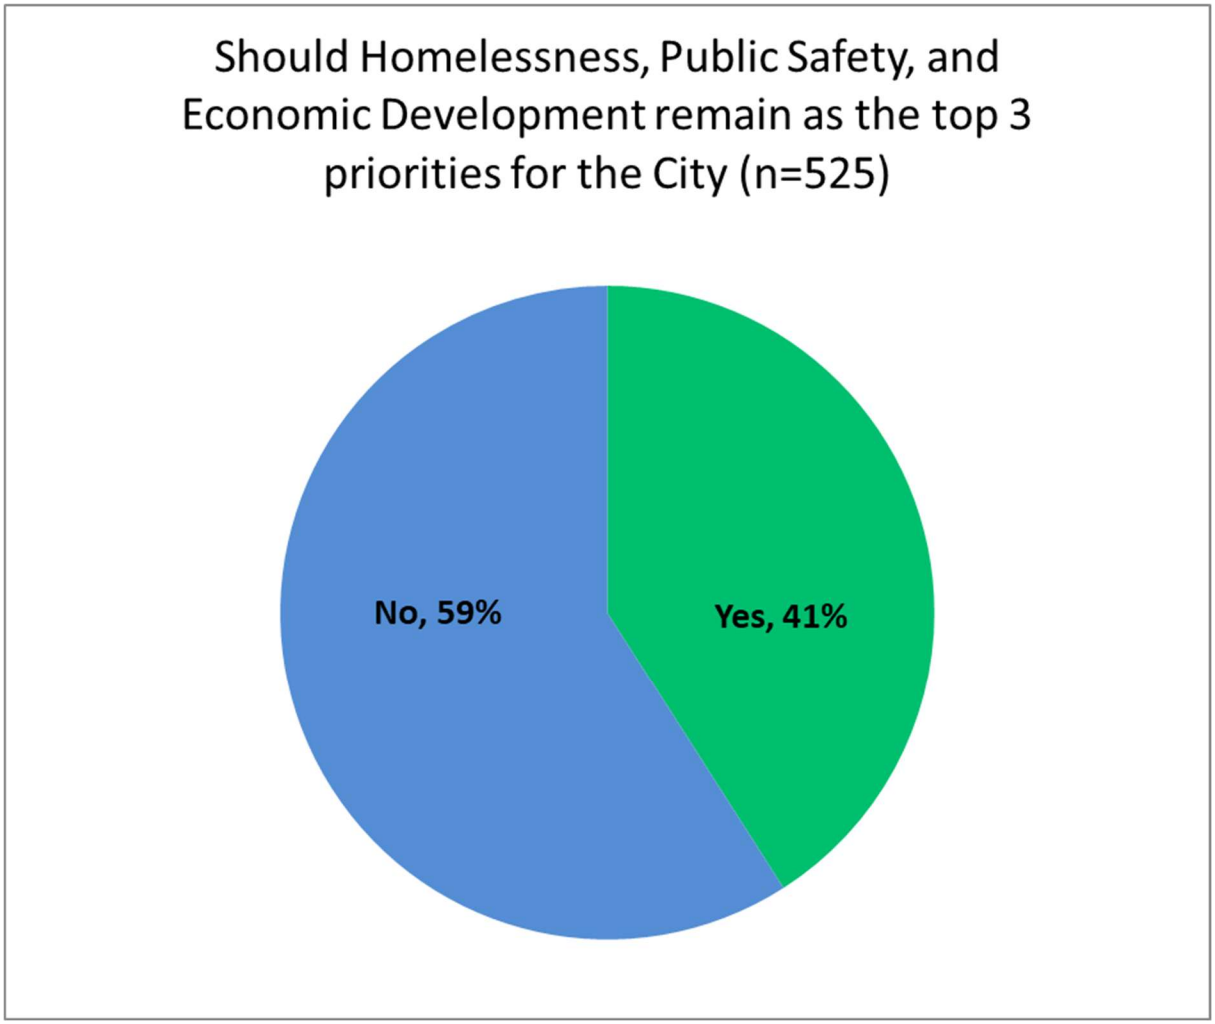
5) The City Council participated in a public priority and goal setting workshop in September 2025. Council members collectively selected homelessness, public safety, and economic development as their top three priorities. Do you believe those should be the top priorities for the City?



6) If no, please select your top three priorities from the choices provided to Council in the 2025 public priority setting workshop:
    a) Homelessness
    b) Housing
    c) Fiscal sustainability
    d) Public safety
    e) Diversity, equity and inclusion
    f) Deferred maintenance/infrastructure investment
    g) Economic development and creative economy
    h) Youth

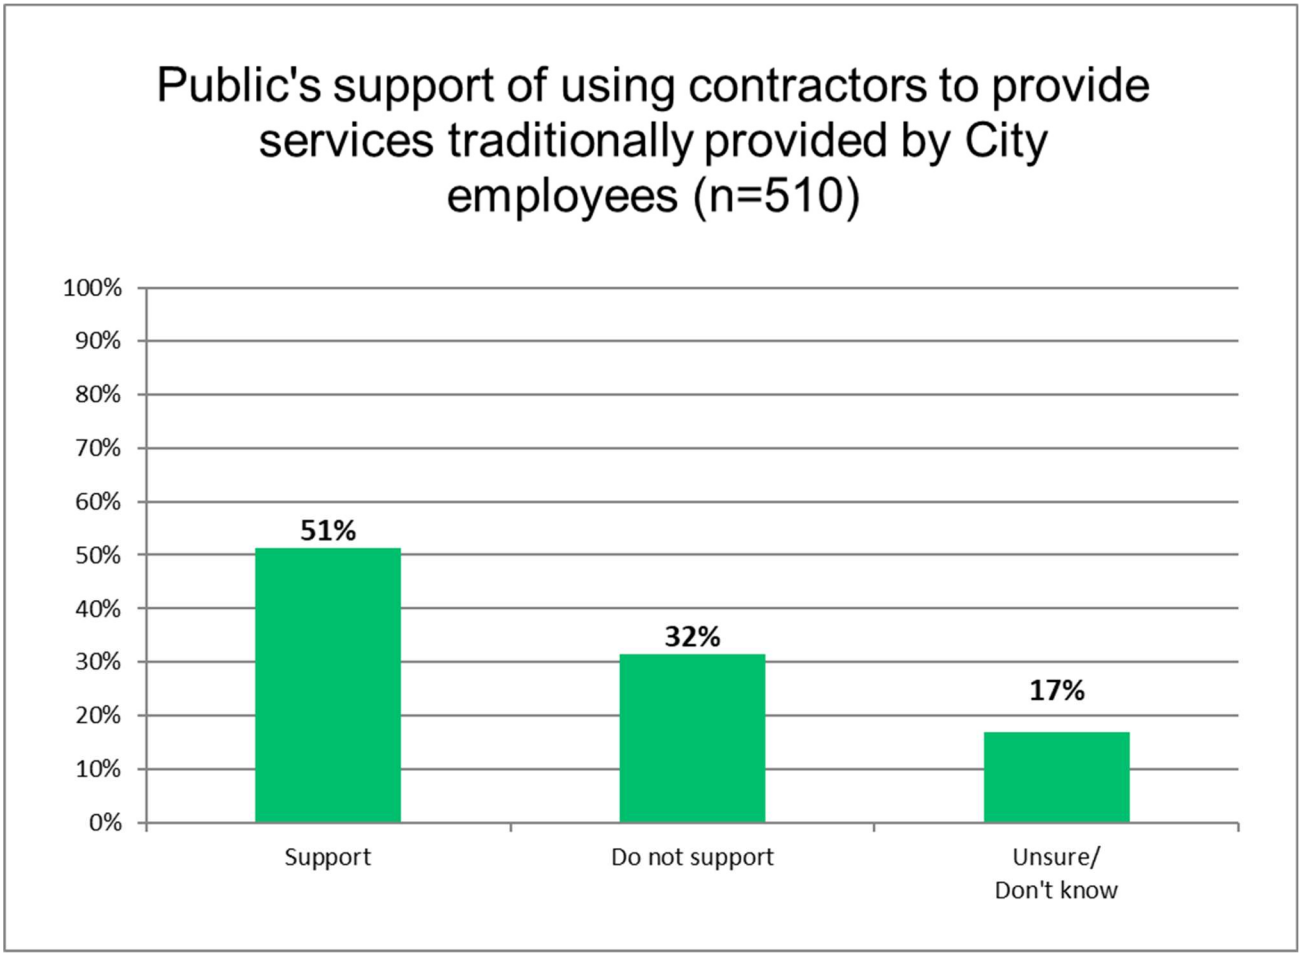
7) Would you support using contractors to provide services traditionally provided by City employees if it would help decrease the budget deficit?
   a) Yes
   b) No
   c) Unsure/Don't know



8) How many years have you lived in the City of Sacramento?
   a) 0 to 5 years
   b) 6-10 years
   c) 11-15 years
   d) 16-20 years
   e) More than 20 years
   f) Prefer not to say

			Totals	**$ 3,755,871**	**$ 3,626,288**

Supplemental Budget Information – Item 7

Question:

Cost benefit analysis of the proposed cuts for Fire and Police.

Response:

Fire: The information below is responding to City Council's request at the meeting on 3/10/2026. The below BCPs are those that are proposed that have significant impact involving staffing.

BCP A – Mandated Program Delivery Change (Level 4 Reduction)

- The Sacramento Fire Department (SFD) proposes reducing Fire Suppression expenditures by eliminating 20.0 FTE Firefighter positions. These positions will be unavailable to support operations, resulting in reduced staffing capacity. This reduction will require rotating company closures and increased reliance on overtime to maintain minimum staffing levels. As a result, response times are expected to increase.
- The reduction proposal will reduce efficiencies and negatively impact the city's performance measures. It is anticipated that daily rotating closures will increase response times. With Sacramento averaging 300 all-risk, all-hazard emergency incidents per day, these delays rapidly compound. Daily rotating closures pull units out of position, increasing travel distances and slowing the arrival of critical resources to the Sacramento community. Research cited in National Fire Protection Association (NFPA) 1710, National Institute of Standards and Technology (NIST), and Underwriters Laboratory (UL) Fire Safety Research Institute (FSRI) confirms that even small response-time delays worsen outcomes across medical, fire, rescue, and hazardous incidents.
- The greatest impact falls on Sacramento's underserved neighborhoods—including Oak Park, Del Paso Heights, North Sacramento, Meadowview, and South Sacramento—where higher medical vulnerability, limited access to healthcare, and socioeconomic barriers amplify emergency risk. In these communities, even small delays reduce survivability and intensify incident severity. Daily rotating closures therefore create not just inefficiency but a clear and inequitable increase in life safety risk citywide. These areas would face deeper inequities and greater life safety risk.
- Lastly, firefighter safety will also decline with this proposal. The City's 2025 Risk Assessment shows the Fire Department already leads all departments in employee injuries—177 annual workers' compensation claims and over 64,000 injury-on-duty hours—with strain injuries rising as workload increases. Reducing company availability will further elevate injury rates, increase burnout, expand mandatory overtime, and decrease staffing resilience.

BCP E – Discretionary Program Reduction (Level 2 Reduction)

- Delete one position (1.0 FTE – Assistant Chief) with the Diversity, Outreach & Recruitment Division to reduce costs of approximately $297,150 to the Measure U funds.

BCP H – Mandated Program Delivery Change (Level 1 Reduction)

- Delete (12.0) positions (12.0 FTE) – Firefighter and add (20.0) new positions (10.0 FTE – Paramedics and 10.0 FTE EMTs) under the Single Role Program to reduce costs of approximately $3,545,506 to the General Fund.
- The Sacramento Fire Department proposes to activate year two of the Single Role Program by converting 12.0 FTE Firefighter positions into 20.0 FTE Single Role (10.0 FTE Paramedic and 10.0 FTE EMT) positions. This program initiative began in May 2022 and after labor contract negotiations and position establishment, the SFD seeks to maintain momentum of the Single Role program.
- This conversion will create several key efficiencies for the Sacramento Fire Department. Single-role ambulance personnel work 12-hour shifts, which not only support a healthier work-life balance but also allow for more flexible, continuous coverage throughout the day. These positions require fewer amenities and do not rely on traditional fire station infrastructure, enabling a more mobile and dynamic deployment model. This flexibility enhances operational responsiveness and resource allocation, ultimately improving service delivery while maintaining fiscal responsibility.
- A strong performance measure supporting this conversion is the program's demonstrated ability, over nearly one year, to enhance both community service and internal operations. The single-role ambulance model has enabled a more dynamic, responsive deployment strategy, improving service to citizens while easing the workload on dual-role firefighters by more evenly distributing call volume. Additionally, the program has successfully absorbed calls that might otherwise be lost to outside agencies, preserving service continuity and response capacity. These outcomes reflect measurable improvements in operational efficiency, workforce sustainability, and service reliability.

Police: The Police Department (PD) is proposed to eliminate 62 full-time equivalent (FTE) positions in FY2026/27. Of these, 48 positions are funded by the City's General Fund and are included in this analysis. The remaining 14 positions are funded by outside partners – Sacramento Regional Transit District (11) and Natomas Unified School District (3) – and are excluded from the analysis.

Eliminating the 48 General Fund FTE positions will reduce the PD's workload capacity by 99,840 hours. These positions represent both sworn officers and professional staff whose salaries include the cost of pension contributions, medical insurance, and other employment benefits. The total budget reduction associated with these 48 positions is $6.6 million.

The proposed reduction includes:

- 26 sworn officer FTE positions, with an average hourly rate of $88.74 (including benefits), accounting for 54,080 lost working hours. This is $4,799,291 of the total reduction.
- 22 professional staff FTE positions, with an average hourly rate of $39.76 (including benefits), accounting for 45,760 lost working hours. This represents $1,819,139 of the total reduction.

If these positions are eliminated, the remaining workforce will need to absorb approximately 100,000 hours of work to maintain current service levels. One way to do this is through employee overtime. Based on average overtime rates – $98.13 per hour

for sworn staff and $44.24 per hour for professional staff – the City would spend an estimated $7.3 million to replace the hours lost through the proposed reductions.

For comparison:

- The sworn officer reduction of $4.8 million reflects 54,080 working hours. If retained, that same amount of funding could provide approximately 48,904 overtime hours.
- The professional staff reduction of $1.8 million reflects 45,760 working hours. That amount could alternatively cover about 41,120 overtime hours.

In total, if the City uses overtime to absorb the workload of the eliminated positions, estimated labor costs increase from $6.6 million to $7.3 million. This represents an additional $713,287 to accomplish the same amount of work.

Overall, while the proposed reductions lower budgeted salary costs, replacing those lost hours through overtime costs more than retaining the positions.

Supplemental Budget Information – Item 8

Question:

Provide a breakdown of Fire and Police calls for service.

Response:

Fire:
The table below outlines the calendar-year data for Fire Department calls for service, as of March 16, 2026:

Fire Department Calls for Service	**2025**	**2026** *To Date*
911 Calls	85,588	15,941
10-Digit Emergency Number Calls*	21,397	3,986
Total	**106,985**	**19,927**

**10-digit emergency number (phone number with area code) is used by allied agencies (i.e. Sacramento Police Department (SPD), California Highway Patrol (CHP), hospitals, etc.)*

Police:
The table below outlines the calendar-year data for Police Department calls for service, as of March 16, 2026:

Police Department Calls for Service	**2025**	**2026** *To Date*
911 Calls	336,618	65,234
Non-Emergency Calls	254,352	52,899
10-Digit Emergency Number Calls	17,427	3,697
Calls Redirected to 311*	11,922	1,978
Total	**620,319**	**123,808**

**Represents the number of callers who selected 311 via the phone tree and does not include calls redirected by Dispatch.*

Supplemental Budget Information – Item 9

Question:

Break down the baseline reductions by departments and show their General Fund budget, 15% target and % of reductions compared to General Fund budget.

Response:

Department (in millions)	Net General Fund Budget*	15% Reduction Target	Baseline Revenue Enhancements	Baseline Expenditure Reductions	Total Baseline Reductions	% of Net General Fund Budget
City Auditor	$1.3	$0.2	-	$0.2	$0.2	16%
City Attorney	9.6	1.4	-	1.0	1.0	10%
City Clerk	2.8	0.4	-	0.2	0.2	9%
City Treasurer	(3.8)	-	0.2	-	0.2	-
City Manager	9.1	1.4	-	1.4	1.4	15%
Community Development	21.9	3.3	1.1	2.3	3.4	16%
Community Response**	40.1	6.0	0.0	6.0	6.0	15%
Convention and Cultural Services	3.6	0.5	-	0.3	0.3	8%
Finance	6.9	1.0	0.5	0.2	0.6	9%
Fire***	156.3	23.4	9.3	9.2	18.5	12%
Human Resources	5.4	0.8	-	0.4	0.4	8%
Information Technology	21.2	3.2	-	1.1	1.1	5%
Police****	246.5	37.0	0.1	8.9	9.1	4%
Public Works	(4.3)	-	3.9	-	3.9	-
Office of Public Safety Accountability	2.0	0.3	-	0.6	0.6	28%
Youth, Parks, and Community Enrichment	41.7	6.3	-	4.8	4.8	11%
General Fund Total	**$560.3**	**$85.3**	**$15.1**	**$36.5**	**$51.5**	

* Net General Fund Budget is gross expenditures less reimbursements and revenues.

** $6.0M reduction in Department of Community Response is due to efficiencies in contracts and programs. There will not be a reduction in the level of homeless services provided.

*** $3.6M reduction in Fire Department is due to the cost savings from the Single Role Program. There will not be a reduction in service.

**** $1.8M in the Police Department is due to the shift of costs from the Office of Violence Prevention to external grants.

Supplemental Budget Information – 10

Question:
Provide an estimated cost and attendance impacts for partial operation of the City's 4 wading pools to 3 days a week.

Response:
The City's 4 wading pools could be opened 3 days a week for a cost of $60,952.

Full closure of the City's 4 wading pools results in a budget savings of $117,520 with the elimination of staff required to support operations. In summer 2025, wading pools served 8,188 visits citywide.

Partial operation of the City's 4 wading pools to 3 days per week results in a budget savings of $57,000 with the retention of staff necessary to support operations. These operations would support approximately 4,900 wading pool visits citywide based on past attendance data.

Predicted Attendance* and Budget Reduction Options

	Normal	3 Days a Week	Closed
Robertson	692	415	0
Colonial	2,330	1,398	0
Bertha Henschel	2,579	1,547	0
William Land Park	2,587	1,552	0
Total Attendance	**8,188**	**4,913**	**0**
Budget Reduction	**$0**	**$57,000**	**$117,520**

*Based on summer 2025 attendance

Supplemental Budget Information – Item 11

Question:

How will utilizing a new State grant (Grant) impact OVP programming, specifically the grants issued to community-based organizations (CBOs), and is the City's Grant spending plan in violation of the Grant's supplantation rules?

Response:

The new Grant will allow the City to support new services, expanded efforts, and outreach to previously unserved populations most notably through school-based referral systems, consistent pre- and post-school community engagement, and prevention-focused deployments that differ from current law enforcement-driven models.
There are **three main areas** that CBOs help to disrupt and interrupt violent crime. Here is how we currently use them and how Grant awardees' deployments will differ:

1. Youth Referral Process

Current Model	New Model
•Referral after Sacramento Police Department (SPD) officer contact ○Generally based on youth being involved in gun related activities ○Referred youth generally already engaging in or observing criminal activity ○SPD requests permission to forward the youth to OVP for referring out ○OVP sends referral to the best suited, contracted CBO ○OVP requests monthly updates in relation to the youth and activities	○Referral by school district, not SPD staff ○CBO directly works with school staff ○SPD receives only information necessary for reporting ○Referrals based off school concerns, not police involvement ○Youth may or may not have interaction with criminal activity ○Youth would likely have no police interaction associated with the referral ○SPD would not be tracking or managing the referrals

2. Disruptions of Potential Violence

Previously CBOs have been used for pre-planned disruption and interruption efforts in places like DOCO and Delta Shores. Below shows how CBOs are deployed currently and how they will be deployed under the new model:

Current Model	New Model
• Requested and deployed by PD staff in conjunction with law enforcement operations ○ Based on intel regarding upcoming events or hostile meet-ups ○ Not consistently present day after day ○ Later in the evening and/or on weekends ○ In known citywide gathering locations, no relation to school locations ○ Meant to stop immediate threats to safety, not develop long-term mentorship or connections	○ In locations and times, identified by the school district not the police ○ Not in conjunction with law enforcement operations ○ Based on known youth congregating areas before or after school ○ Not in responses to intel of events or hostile groups ○ Consistent and regular; meaning we will likely have the same CBOs, at the same locations, multiple times per week ○ Immediately before or after school, on school days ○ In locations near schools, where pre and post school crowds gather ○ Meant to be a consistent, guiding presence to build relationships and promote a positive environment

Deployments under the new model are meant to create safe spaces and opportunities for CBOs to connect with at-risk kids guided by information from the schools. This may result in occasional weekend/late night requests, but it will be consistent with school requests and needs, not crime driven response strategies.

3. Critical Incident Response

Under the current model SPD can call CBOs to the scenes of tense incidents to try and calm crowds and de-escalate the situation to prevent violence.

Under the new model SPD will utilize the long-standing practice of calling community chaplains from the Law Enforcement Chaplaincy of Sacramento which maintains 24/7 POST trained trauma responders trained in critical incident response.

Funding for CBOs

In the Fiscal Year 2025/26 Budget OVP is administering approximately $2M in CBO grants through two programs:

- $1.2M through the Gang Prevention and Intervention Task Force
- $0.8M through the Evidence-Based Community Violence Interruption, Disruption and Suppression program (this was a one-time allocation for programming over three years that sunsets June 30, 2026)

In the Proposed Budget $1.1M in CBO grants will be funded through the Grant (CalVIP Cohort 5). Funding by CBO is presented below, and it should be noted there are differences in programming and recipients under the new grant program:

	FY2025/26 CBO Grants	FY 2026/27 Proposed Budget CBO Grants
Gang Prevention & Intervention Task Force	$1.2M	$-
Evidence-Based Community Violence Interruption, Disruption and Suppression (This was a one-time allocation for a 3-year program that sunsets)	$0.8M	$-
CalVIP Cohort 5	$-	$1.1M
TOTAL	**$2.0M**	**$1.1M**

Following is a list of CBOs currently funded:

Gang Prevention & Intervention Taskforce (GPIT)				
Grantee	**FY2023/24**	**FY2024/25**	**FY2025/26**	**Total**
Academic 4 Athletes	$225,000.00	$225,000.00	$225,000.00	$675,000.00
Brother 2 Brother	$225,000.00	$225,000.00	$225,000.00	$675,000.00
HAWK, Institute	$225,000.00	$225,000.00	$225,000.00	$675,000.00
Impact Sac	$225,000.00	$225,000.00	$225,000.00	675,000.00
Reimagine Mack	$100,000.00	$100,000.00	$100,000.00	$300,000.00
Rose Family	$75,000.00	$75,000.00	$75,000.00	$225,000.00
Sacramento Youth Center	$150,000.00	$150,000.00	$150,000.00	$450,000.00
Victory Outreach South Sacramento	$125,000.00	$125,000.00	$125,000.00	$375,000.00

Evidence-Based Community Violence Interruption, Disruption, and Suppression (EBCVIDS)				
Grantee	**FY2023/24**	**FY2024/25**	**FY2025/26**	**Total**
All In Together	$100,000.00	$100,000.00	$100,000.00	$300,000.00
Brother 2 Brother	$225,000.00	$225,000.00	$225,000.00	$675,000.00
HOPE	$225,000.00	$225,000.00	$225,000.00	$675,000.00
Self-Awareness and Recovery	$225,000.00	$225,000.00	$225,000.00	$675,000.00

The list of CBOs that will be funded under the new grant are below:

CalVIP Cohort 5 Sub-Contractor Proposed Amounts				
Grantee	**FY2026/27**	**FY2027/28**	**FY2028/29**	**Total**
All In Together	$150,000.00	$150,000.00	$150,000.00	$450,000.00
Reimagine	$35,185.19	$35,185.19	$35,185.19	$105,555.57

Total Annually	$1,066,666.71	$1,066,666.71	$1,066,666.71	$3,200,000.13

Non-supplantation

According to the California Board of State and Community Corrections (BSCC), supplanting is the deliberate reduction in the amount of federal, state, or local funds being appropriated to an existing program or activity because grant funds have been awarded for the same purpose. It is the department's responsibility as the grantee to ensure BSCC grant funds shall be used to support new program activities or to augment existing funds that expand current program activities. BSCC grant funds shall not be used to replace existing funds. It is the responsibility of the Grantee, SPD, to ensure that supplanting does not occur. As such, SPD must keep clear and detailed financial records to show that grant funds are used only for allowable costs and activities.

Some of the best practices to avoid supplanting include maintaining separate records for grant funded programs, compared to other programs that are not utilizing grant funds. The SPD will maintain separate folders and budget workbooks for each CBO funded by BSCC. Even if the CBO currently receives City funds and has a working relationship with the SPD all BSCC activity will be documented and stored separately to avoid any overlap or blending of tasks or finances.

Additionally, SPD will ensure all BSCC funded groups will be engaged in either new projects and response models or expansions to existing models to enhance our capability to respond to a new or larger population. The BSCC funds are not supplanting funds for current OVP programming, rather these funds are enabling the City to engage in new programming.

Supplemental Budget Information – Item 12

Question:

How has the City of Sacramento's Department of Community Response (DCR) funded its homelessness programs and what are the specific funding sources?

Response:

For the past several years, DCR has primarily used three sources to fund its comprehensive response to the homelessness crisis: 1) The State of California's Homeless Housing, Assistance and Prevention (HHAP) Grant Program, which makes grant allocations to cities, counties, and continuums of care with flexible funding to prevent and end homelessness in their regions; 2) the City of Sacramento's General Fund (General and Measure U funds combined); and 3) other funding sources that have included American Rescue Plan Act (ARPA) funding, State of California's Encampment Resolution Funding (ERF), State of California's Whole Person Care (WPC) funding residuals, and operational savings.

DCR must apply and compete with other jurisdictions to receive HHAP and ERF grants. Both HHAP and ERF grants have specific requirements for how the funding may be used, such as funded programs must be Housing First compliant. In addition, both HHAP and ERF grants have specific timelines for when the funding must be allocated and expended.

As State homelessness grant funds have decreased in recent budget cycles, DCR has relied more heavily on General Fund contributions for its program funding, which includes shelter operations, outreach, street cleanup, and support of the Coordinated Access System. In Fiscal Year 2025/26, DCR's total program funding was $48.2 million, with $35.3 million – or 73% – coming from the General Fund. In Fiscal Year 2024/25, General Fund contributions represented 43% of DCR's program funding. In FY 2023/24, General Fund contribution represented 29% of DCR's program funding.

The charts below illustrate the funding sources for DCR's annual program budget as well as funding and other information for individual DCR programs.

DCR Annual Program Budget (in thousands)

Funding Source	FY2023/24	FY2024/25	FY2025/26	FY2026/27 Proposed	FY2027/28 Forecast	FY2028/29 Forecast

Question:

How has the City of Sacramento's Homeless Housing, Assistance and Prevention (HHAP) Grant Program funding been utilized?

Response:

Beginning in 2020, the City of Sacramento has participated in all six rounds of the State's HHAP Grant Program and has been awarded a total of $104.8 million, which has largely been used to fund City shelter operations (funding to DCR) and permanent supportive housing (funding to Office of Innovation and Economic Development). Program allocation for each round of HHAP funding is below. City staff provide monthly HHAP fiscal reports to the State covering obligations and expenditures by HHAP round. The State's HHAP Fiscal Data Dashboard can be found at https://www.hcd.ca.gov/housing-open-data-tools/hhap-dashboard.

Total Remaining	**0**	**0**	**0**	**1,049***	**6,564***	**11,501****	**19,114**

*The remaining $1M of HHAP-4, and $2M of the remaining HHAP-5 is committed by Council resolution to the Rio Linda Homekey+ project.

**Of the $11.5M remaining, $8.2M is available for the City's sheltering/homelessness services costs as $2.0M must go to Permanent Supportive Housing, $1.1M is covering administrative costs, and $0.2M is supporting the Homelessness Management Information System. Of the $8.2M remaining, in the Proposed Budget $3.5M will support FY2026/27 costs and $4.7M will support FY2027/28 costs.

Supplemental Budget Information – Item 13

Question:

If the City were to charge for residential parking permits, what would the budget impact be of having the first permit be free and the first two permits be free? What are some comparable California cities charging for residential parking permits?

Response:

If the City were to charge for residential parking permits based on full cost recovery with a reduced price for low-income residents, the permits would have an annual cost of $120 for standard permits and $60 for low-income resident permits. This would generate budget savings of approximately $960k in FY27 and $1.5M in annual ongoing savings (the charges for permits would go into effect at renewal and permits will renew throughout FY27).

The first permit free option would allow one free primary permit per address (excluding visitor permits). The standard permit cost for all additional primary and visitor permits would be $120 annually and the low-income resident permit cost would be $60 annually. This would generate budget savings of approximately $743k in FY27 and $1.1M in annual ongoing savings.

The first two permits free option would allow two free primary permits per address (excluding visitor permits). The standard permit cost for all additional primary and visitor permits would be $120 annually and the low-income resident permit cost would be $60 annually. This would generate budget savings of approximately $598k in FY27 and $0.9M in annual ongoing savings.

Option	FY 27 Savings (millions)	Annual Ongoing Savings (millions)
Proposed Budget – No charge	$-	$-
Cost Recovery	$0.96	$1.5
First Permit Free	$0.74	$1.1
First 2 Permits Free	$0.60	$0.9

Public Works staff also researched residential parking permit programs in other cities:

Supplemental Budget Information – Item 14

Question:

Break down the Proposed Budget reductions by departments and show their General Fund budget, 15% target and % of reductions compared to General Fund budget.

Response:

Department (in millions)	Net General Fund Budget*	15% Reduction Target	Baseline Revenue Enhancements	Baseline Expenditure Reductions	Total Baseline Reductions	% of Net General Fund Budget
City Auditor	$1.3	$0.2	-	$0.1	$0.1	4%
City Attorney	9.6	1.4	-	1.1	1.1	12%
City Clerk	2.8	0.4	-	0.2	0.2	9%
City Treasurer	(3.8)	-	0.2	-	0.2	-
City Manager	9.1	1.4	-	1.4	1.4	15%
Community Development	21.9	3.3	1.1	1.9	3.0	14%
Community Response**	40.1	6.0	0.0	6.0	6.0	15%
Convention and Cultural Services	3.6	0.5	-	0.4	0.4	10%
Finance	6.9	1.0	0.5	0.2	0.6	9%
Fire***	156.3	23.4	9.3	9.2	18.5	12%
Human Resources	5.4	0.8	-	0.3	0.3	5%
Information Technology	21.2	3.2	-	0.9	0.9	4%
Police****	246.5	37.0	0.1	9.3	9.4	4%
Public Works	(4.3)	-	4.0	(0.4)	3.6	-
Office of Public Safety Accountability	2.0	0.3	-	0.6	0.6	28%
Youth, Parks, and Community Enrichment	41.7	6.3	0.2	2.8	3.0	7%
General Fund Total	**$560.3**	**$85.3**	**$15.3**	**$33.9**	**$49.2**	

* Net General Fund Budget is gross expenditures less reimbursements and revenues.

** $6.0M reduction in Department of Community Response is due to efficiencies in contracts and programs. There will not be a reduction in the level of homeless services provided.

*** $3.6M reduction in Fire Department is due to the cost savings from the Single Role Program. There will not be a reduction in service.

**** $1.8M in the Police Department is due to the shift of costs from the Office of Violence Prevention to external grants.

Supplemental Budget Information – Item 15

Question:

Provide a breakdown Measure U spending, categorized by whether it went directly toward City resources/staff or to Community Based Organizations (CBOs). Include a breakdown of CBO funding by focus area.

Response:

CBO funding is provided primarily through grant awards and the City reports annual grant awards in Schedule 7B of the budget book. Award amounts are based on the most recently available calendar year (CY) grant award data, while total Measure U program funding is reported on a fiscal year (FY) basis.

Because these datasets are maintained on different reporting calendars, the charts below are intended to provide an illustrative approximation of the relative scale of community grant funding within each Measure U focus area, rather than an exact accounting reconciliation. However, both datasets reflect the most recent 12-month reporting periods currently available.

Note that there are no reported grant awards in the other Measure U focus areas (affordable housing, climate action, community investment, community response, homelessness, library, miscellaneous, and public safety), as the majority of Measure U funding is allocated to staff, services, and supplies.

Supplemental Budget Information – Item 16

Question:

Break down the reductions by departments and show their General Fund budget, 15% target and % of reductions compared to General Fund budget. This table includes Council restorations and reductions required to offset restorations.

Response:

Department (in millions)	Net General Fund Budget*	15% Reduction Target	Baseline Revenue Enhancements	Baseline Expenditure Reductions	Total Baseline Reductions	% of Net General Fund Budget
City Auditor	$1.3	$0.2	-	$0.1	$0.1	4%
City Attorney	9.6	1.4	-	0.7	0.7	7%
City Clerk	2.8	0.4	-	0.2	0.2	9%
City Treasurer	(3.8)	-	0.2	-	0.2	-
City Manager	9.1	1.4	-	1.1	1.1	12%
Community Development	21.9	3.3	1.1	1.8	2.9	13%
Community Response**	40.1	6.0	0.0	7.8	7.8	20%
Convention and Cultural Services	3.6	0.5	-	0.4	0.4	10%
Finance	6.9	1.0	0.5	0.2	0.6	9%
Fire***	156.3	23.4	9.3	9.2	18.5	12%
Human Resources	5.4	0.8	-	0.3	0.3	5%
Information Technology	21.2	3.2	-	0.9	0.9	4%
Police****	246.5	37.0	0.1	7.8	7.9	3%
Public Works	(4.3)	-	4.0	(1.0)	3.0	-
Office of Public Safety Accountability	2.0	0.3	-	0.6	0.6	28%
Youth, Parks, and Community Enrichment	41.7	6.3	0.1	1.3	1.4	3%
General Fund Total	**$560.3**	**$85.3**	**$15.3**	**$31.3**	**$46.6**	

* Net General Fund Budget is gross expenditures less reimbursements and revenues.

** $6.5M reduction in Department of Community Response is due to efficiencies in contracts and programs and savings due to program timing. $1.3M is a reduction that will be covered by HHAP-6 fuding. There will not be a reduction in the level of homeless services provided.

*** $3.6M reduction in Fire Department is due to the cost savings from the Single Role Program. There will not be a reduction in service.

**** $1.5.M in the Police Department is due to the shift of costs from the Office of Violence Prevention to external grants.

MEMORANDUM

Date: April 27, 2026

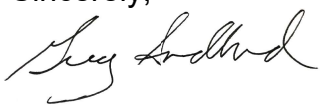
To: Peter Coletto, Director of Finance

From: Greg Sandlund, Planning Director

SUBJECT: FY2026-2031 Proposed CIP – Planning and Design Commission's Finding of General Plan Consistency

Sacramento City Code Section 17.912.010 requires the Planning and Design Commission to review the City's 5-year Capital Improvement Program (CIP) for consistency with the City's General Plan and to report its finding to the City Council. On April 23, 2026, the Planning and Design Commission conducted this review and found the FY2026-2031 Proposed CIP to be consistent with the Sacramento 2040 General Plan.

Sincerely,



Greg Sandlund
Planning Director
(916) 808-8931

CC: Remi Mendoza, Long Range Planning Manager
Amy Yang, Senior Planner
Carol Renix, Senior Budget Analyst

RESOLUTION NO 2026-XXX

Adopted by the Sacramento City Council

June XX, 2026

Approving the Fiscal Year 2026/27 Operating and Capital Improvement Program Budgets

BACKGROUND

A. Article IX, section 111, of the City Charter requires the City Manager to present a balanced budget to the Mayor and City Council no less than 60 days before the beginning of each fiscal year.

B. The City of Sacramento, through the leadership and direction of the Mayor and City Council, has maintained a sustainable budget philosophy. Given this concept of fiscal sustainability, the City Council adopted the following core budget policies and budget guidelines on February 14, 2017 (Resolution No. 2017-0078):

Core Budget Policies

1. City Council must adopt a balanced budget.

2. Funding decisions should be consistent with Council-adopted policies.

3. The Economic Uncertainty Reserve shall be maintained at a minimum of 10% of budgeted General Fund revenues. Resources must be added to maintain this level through the budget and midyear processes, as necessary.

Budget Guidelines

1. Maintain a fiscally sustainable, balanced budget.

2. The Mayor and Council's priorities, based on community input, should drive the budget creation.

3. Continue a community-based budget process where city residents are engaged and educated on budget processes and provide feedback on budget priorities.

4. Look for ways to grow the reserve beyond its current goal.

5. All budget actions must be considered in a five-year context, with new revenues not counted or spent until realized. One-time resources should be used for one-time needs, not ongoing expenses.

6. Do not make spending decisions in isolation. Avoid spending money on one-off projects or without looking at the big picture. Understand long-term consequences and opportunity costs.

7. Keep City Council informed on the fiscal condition of the City and conduct continuous evaluations for efficiencies and effectiveness.

8. The City must consistently look for opportunities to proactively grow revenues instead of simply being reactive.

9. Make every effort to identify private financing or federal and state grant opportunities before using City resources. Pursue new and enhance existing revenue sources.

10. Before new expenditures are made, identify return on investments and impacts, fiscal and social benefits.

11. Address unfunded long-term liabilities.

12. Remain a full-service City.

C. On June 11, 2019, the City's Economic Uncertainty Reserve (EUR) Policy was amended to include Measure U resources in determining the amount to be set aside in reserves (Resolution No. 2019-0248) as directed by the City Council on February 5, 2019 (Resolution No. 2019-0047).

D. The FY2026/27 Approved Budget (which includes the Operating Budget and the Capital Improvement Program [CIP] Budget) is consistent with City Charter requirements and the City Council's adopted Core Budget Policies and Budget Guidelines.

E. The Mayor and Council conducted budget discussions during May and June 2026 to discuss and consider the City's FY2026/27 Budget.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. Preliminary Matters.

1.1. The Budget changes attached as Exhibit A and the Summary of FTE attached as Exhibit B are hereby approved.

1.2. The FY2026/27 Operating and CIP Budgets (collectively the Approved Budget), as defined in section 3.2 below, and attached as Exhibits C and D are hereby approved.

1.3. The 2026-2031 CIP, which provides a comprehensive five-year plan for the City's capital project expenditures and attached as Exhibit D, is hereby approved.

1.4. Sections 2 through 20 below, which define the authority and responsibilities of the City Manager in implementing the Approved Budget, are hereby approved.

1.5. The City Manager is authorized to incorporate final decisions of the Council, and to refine and add content, as may be needed to meet Government Finance Officers Association and/or California Society of Municipal Finance Officers budgeting-award requirements into the Approved Operating and CIP Budgets to create the FY2026/27 Approved Budget.

1.6. The attached Exhibits A through D are part of this resolution.

1.7. The City's Debt service must be limited to 6% of total General Fund (includes Measure U Fund) revenues, excluding Department revenues.

1.8. The City Treasurer shall conduct a financial stress test on the General Funds before the issuance of any bonds.

1.9. Available resources in the Innovation and Growth Fund (Fund 2031) shall be transferred to the General Fund as needed to offset projected deficits shown in the General Fund five-year forecast included in the Approved Budget.

(A) Expand the usage of the Innovation and Growth Funds consistent with either ScaleUp Sacramento: An Inclusive Economic Action Agenda (Motion No. 2021-0022) or sections one through five of the Inclusive Economic Development Investment Funding Guidelines (Motion No. 2019-0307).

Section 2. Scope.

This resolution defines the authority and responsibilities of the City Manager in implementing the Approved Budget and supersedes Resolution No. 2025-0162.

Section 3. Definitions.

3.1. "Account" is the primary accounting field in the budget used to describe the nature of the financial transaction (overtime, professional services, debt, etc.).

3.2. "Approved Budget" means the Approved Operating Budget (Operating Budget) and the Approved Capital Budget (CIP Budget), which are attached as Exhibits C and D and reflects the FY2026/27 Proposed Operating and CIP Budgets, as amended by the Council to incorporate the approved Budget Changes attached as Exhibit A, and a summary of position changes as displayed in Exhibit B.

3.3. "City Manager" means the City Manager or, if so designated, the Director of Finance.

3.4. "Department" means Mayor and City Council; City Manager; City Attorney; City Auditor; City Clerk; City Treasurer; Community Development; Community Response; Convention and Cultural Services; Economic Development; Finance; Fire; Human Resources; Information Technology; Police; Public Works; Utilities; Youth, Parks, and Community Enrichment; and Citywide and Community Support.

3.5. "Full Time Equivalent" and "FTE" mean the decimal equivalent of a position, e.g., one full-time position is 1.00 FTE and one quarter-time position is 0.25 FTE.

Section 4. Approved Budget Appropriations, FTEs, and Adjustments.

4.1. The City Manager is authorized to make any expenditure and resource adjustments to the Operating Budget based on final Council action to adopt the Operating Budget.

4.2. The City Manager is authorized to establish the appropriations and FTE as shown in Schedules 1A, 1B, 1C, 1D, and 1E and the fund summaries, including transfers, as shown in Schedules 2A, 2B, and 2C, as displayed in Exhibit C.

4.3. The City Manager is authorized to modify FTE classifications by Department as necessary to implement the reclassifications and studies authorized by Schedule 8, as displayed in Exhibit C.

4.4. The City Manager is authorized to revise any appropriation made in the Approved or Amended Budget where the revision is of a technical nature and is consistent with the Council's intent.

4.5. The City Manager may authorize the use of the Old Sacramento Public Market Fund (Fund 2601) for the development, repair, and maintenance of the north and south public markets.

4.6. The City Manager is authorized to make annual loan payments to the Risk Fund from the Community Center Fund subject to the availability of funds. As of June 30, 2025, the balance of the Risk Fund loan to the Community Center Fund totaled approximately $4.6 million.

4.7. The City Manager is authorized to pay off a $15 million loan from the Risk Fund as a result of the legal settlement with year-end budgetary surplus from the General Fund (Fund 1001). The current balance is $15 million.

4.8. Following budget adoption, the City Manager is authorized to do the following:

(A) Transfer appropriations from the operating budget and establish or adjust revenue and expenditure budgets for externally funded programs (EFPs), multi-year operating projects (MYOPs), and operating grants as shown in Schedule 9 displayed in Exhibit C.

(B) Adjust any appropriation made in the Approved Budget to reflect changes from amounts budgeted for updated labor (for example, changes in retirement rates, payroll taxes, health benefits), fleet (including accident recovery costs), utilities in Citywide Support, 311 Call Center (reimbursements based on call data), cost plan, and risk-management changes, from available fund balance or reserves for the respective funds.

(C) Adjust budgets to reflect all required debt service and related payments, including adjustments to rate stabilization reserves, pursuant to City debt agreements.

(D) Revise and establish indirect cost rates to be applied to hourly salary rates in order to achieve full cost recovery of services; and adjust the Operating Budget to reflect the indirect cost rate plan for FY2026/27.

Section 5. Economic Uncertainty Reserve Policies and Transfers from Contingency and Reserve Funds.

5.1. The Council-adopted EUR Policy as amended on June 11, 2019 (Resolution No. 2019-0248) establishes a minimum reserve level equal to 10% of annual General/Measure U Fund revenues and a target reserve level equal to two months of regular ongoing General Fund and Measure U Fund expenditures, including transfers (17% of General Fund and Measure U Fund expenditures). Resources to fund this reserve will be identified on an ongoing basis and can include positive year-end results or other one-time resources available to the General/Measure U Fund.

5.2. The General/Measure U Fund EUR is maintained to bridge the gap between projected revenue and expenditures during periods of significant revenue declines, expenditure growth, or both. Consistent with Governmental Accounting Standards Board Statement No. 54 (Fund Balance Reporting and Governmental Fund Type Definitions), the Council-adopted parameters for using the EUR are as follows:

(A) The City Manager may recommend a release from the EUR when the gap between projected revenue and expenditures is greater than $1 million in the proposed budget.

(B) Any release from the EUR requires the Council's approval.

(C) These parameters may be changed only by resolution of the Council.

5.3. The City Manager is authorized to maintain an EUR reserve below the minimum threshold prescribed in the Council-adopted EUR Policy in FY2026/27. In the FY2024/25, ~~and~~ FY2025/26 and FY2026/27 Operating Budgets, General Fund and Measure U Fund EUR contributions were redirected to balance the FY2024/25 ~~budget~~ and FY2026/27 budgets and create a Federal Funding Reserve in FY2025/26 to protect the City against the federal government withholding or rescinding revenues.

5.4. The City Manager is authorized to make appropriation changes (increases or decreases) less than $250,000 by fund from available fund balance. Appropriation changes, whether increases or decreases, of $250,000 or more require Council approval, except for payments to employees for vacation and sick leave payouts. Payments to employees for vacation and sick leave payout may be approved by the City Manager.

5.5. The City Manager is authorized to make appropriation changes (increases or decreases) less than $250,000 to any Department or project from Administrative Contingency established in the General Fund. Appropriation changes (increases and decreases) more than and including $250,000 to the Department or project require Council approval.

5.6. Transfers must not be made from an available fund balance or Administrative Contingency if the transfer will result in a negative balance.

5.7. The City Manager is authorized to release the General Fund (Fund 1001) and Measure U (Fund 2401) commitments of fund balance for future budget development as needed to submit a balanced budget.

5.8. Use of committed fund balance reserves, except as authorized in section 5.7, requires the Council's approval by resolution.

5.9. A one-time reduction of $35,000 in commission meetings staffing and stipends will be funded by the EUR in FY2026/27 to allow the City Manager and City Clerk to conduct an assessment. The City Manager is authorized to reimburse the EUR once the assessment is finalized.

Section 6. Appropriation Increases and Decreases.

6.1. All appropriation changes (increases or decreases) $250,000 or more to the Approved Budget require Council approval by resolution.

6.2. The City Manager is authorized, upon completion of the audited financial statements for FY2025/26, to adjust FY2026/27 fund contingencies by the amount of net changes in available fund balance. The available fund balance in the General Fund must be included and explained in the report to the Council accompanying the Annual Comprehensive Financial Report (ACFR).

6.3. Residual balances from unexpended debt proceeds will revert to the appropriate fund and be used for the lawful purposes as specified in the conditions of the debt issuance. The City Manager is authorized to establish appropriations and account for the expenditure of these unexpended proceeds.

Section 7. Appropriation Transfers.

7.1. Operating appropriation transfers within the same Department and the same fund, including the Department's established fleet MYOP, require the City Manager's approval.

7.2. Appropriation transfers between two or more Departments, less than $250,000, must be approved by the City Manager. Such transfers more than and including $250,000 requires Council approval by resolution.

Section 8. Staffing Changes.

8.1. Any increase or decrease in FTE by department or by fund as authorized in the Operating Budget, by subsequent approval of the Council, or by the City Manager in accordance with this resolution, is subject to approval by the Council except for renewals or expansion of fully offset grants or EFPs as specified in section 8.2.

8.2. The City Manager is authorized to adjust staffing levels for renewals, expansions, or reductions to fully offset Council-approved operating grants or EFPs. Grant/EFP positions must be terminated upon completion or cancellation

of the grant/EFP unless specifically continued by a Council resolution that includes a source of replacement funding. Any existing positions approved on the assumption that the City would receive a grant or other reimbursements must have continued funding verified before filling the position.

8.3. Any reassignment of authorized FTE and employee-services funding associated with the FTE, within a Department and within the same fund, may be made at the discretion of the Department director with the approval of the City Manager as long as there is no net change to authorized FTE and funding levels.

8.4. The City Manager is authorized to modify any authorized FTE classification as necessary to reflect current incumbent status based on the established flexibly staffed classifications included in Council-approved labor contracts.

8.5. All new job classifications or classification changes (as identified in Exhibit C, Schedule 8) are subject to classification review and approval by the Director of Human Resources.

8.6. The City Manager is authorized to adjust staffing levels in the Police and Fire Training Academies based on projected vacancies.

8.7. The Director of Human Resources is authorized to establish non-budgeted positions (NBPs) for the following:

(A) Mayor and Council Offices, to be funded from their existing operations budgets.

(B) Departments as needed to reflect address critical staffing circumstances. Departments must have sufficient labor savings to cover the cost of NBPs, and none of the NBPs may be used for more than one year. Departments will seek budget authority to convert NBPs to authorized FTE positions or the NBPs will be eliminated during the budget process.

8.8. The City Manager is authorized to create an Economic Development Department in FY2026/27 and to adjust staffing levels within other departments based on the new Citywide organizational structure. The City Manager is authorized to conduct necessary classification changes of existing positions for the new Economic Development Department.

Section 9. Revenue Budget.

9.1. The FY2026/27 revenue budget is summarized in Exhibit C, Schedule 6.

9.2. Any increase or decrease greater than (and including) $250,000 by fund in estimated revenue by Department to the Approved Budget requires the Council’s approval.

9.3. The City Manager is authorized to implement biennial Consumer Price Index increases if the increases are warranted based on the adopted Fees and Charges Policy.

9.4. Proceeds from the sale of General Fund and Redevelopment Agency Successor Agency surplus land, unless otherwise specified, will be budgeted in the Innovation and Growth Fund (Fund 2031).

9.5. Unbudgeted one-time general revenue received in a fiscal year, which is not required to balance the budget as part of the midyear review or fiscal year-end close, will be added to the General Fund/Measure U EUR.

9.6. The City Manager is authorized to adjust General Fund revenues supporting Measure U department operations to actuals received and to adjust the appropriate transfers between the funds.

Section 10. Capital Improvements.

10.1. Capital projects and/or appropriations will be used for the following:

(A) Repairs, maintenance, improvements, or acquisitions with a total cost of at least $20,000 and a useful life that exceeds one fiscal year; and

(B) Community/Neighborhood projects as approved in separate resolutions by the Council.

10.2. Council approval is required for the establishment or cancellation (without completion) of a CIP, except as provided below:

(A) The City Manager is authorized to approve and establish one or more capital projects for internal City operations related to improvements and minor construction of existing City-owned or occupied buildings if the total cost to deliver each project is less than $250,000. Projects will be managed in the City Facility Improvement (C15100000) project.

(B) Capital projects may be subdivided into separate sub-projects as needed to administer, manage, and deliver the original scope of the project, without further Council action.

(C) Projects established for agreements the City Manager executes in accordance with Sacramento City Code chapter 18.18. The City Manager is authorized to make all necessary budgetary adjustments when the City accepts improvements constructed under these agreements.

10.3. Capital appropriations must be used solely for the originally approved project or projects except as provided in this section.

10.4. Completed and inactive projects will be closed annually, except for projects that have existing litigation or payment disputes. An inactive project is one where transaction activity is less than $1,000 over the prior three years. Closures are the responsibility of the designated project manager. The managing department and the City Manager are each authorized to process the necessary documentation to close inactive projects.

10.5. Each fiscal year, all multi-year CIP projects in existence on June 30 will be continued except as provided otherwise in section 10.4. The FY2026/27 CIP

Budget is summarized on Schedules 2 and 4 as displayed in Exhibit C and on Schedule 4 as displayed in Exhibit D.

10.6. Each fiscal year, unobligated appropriations for all inactive projects, as defined in section 10.4, will expire on June 30 following the third full year of the last appropriation to the project. Projects requiring continuing appropriations will require Council action through programming within the CIP or through a separate appropriation to the project authorized by resolution of the Council.

10.7. Each fiscal year, on June 30, the balance of each CIP project must be zero or have a positive balance by fund. Projects with spending in excess of available budget from all funding sources (i.e., with negative balance) will be treated as follows:

(A) If the CIP balance exceeds budget by less than $250,000, the CIP must first be corrected within each fund, and then any remaining negative balance must be corrected by a transfer from the CIP manager's Operating Budget (all transfers less than $250,000 must be made as provided for in section 6.1).

(B) If expenditures exceed the budget by more than and including $250,000, a corrective plan of action must be submitted to the Council for approval by resolution.

10.8. Community/Neighborhood projects and appropriations established with one-time funding sources under Resolution No. 2004-551 (6/29/04) and associated staff report, is governed by the following procedures:

(A) Savings of up to and including $50,000 due to lower-than-expected costs or the securing of alternative funding sources may be administratively reprogrammed into other projects within the same Council District at the request of the Council District Office and with the approval of the City Manager.

(B) Savings above $50,000 may be reprogrammed upon approval by resolution of the Council.

10.9. Except as provided in section 10.8, the City Manager is authorized to transfer appropriations less than $250,000 as follows:

(A) General, Measure U, and Capital Bond Funds:

(1) From a project that has not been completed, if a revised project estimate confirms that upon completion there will be project savings.

(B) All other funds from Project A to Project B if:

(1) Project A is complete and has savings; or

(2) Project A has not been completed and a revised project estimate confirms that there will be project savings upon completion.

10.10. Upon completion and closure of a capital project, the City Manager is authorized to transfer any remaining project balance as follows:

(A) To the available fund balance of the respective fund, the Capital Projects Base Reserve in the Utilities CIP or, in the case of the General Fund, Administrative Contingency; or in the case of capital grants, to amend the revenue and expenditure budgets to actual revenues received and expenditures incurred.

(B) As provided for in section 10.9.

10.11. Except for projects covered by section 10.10, the City Manager is authorized to increase or decrease project budget appropriations by less than $250,000 for each project. Appropriation changes more than and including $250,000 in total for any project must be approved by resolution of the Council. The City Manager's administrative authority to adjust budgets for capital projects will be reset after budgetary actions are authorized by the Council. If the appropriation is from available fund balance, it is subject to the provisions in section 5.

10.12. Projects funded by New Measure A Project Construction Sales Tax are included within the CIP Budget for planning purposes. Work on CIP projects funded by New Measure A Project Construction Sales Tax (Fund 2023) is done before receiving funding, and project funding and authorization for these projects must be as follows:

(A) Fund 2023 revenue and expenditure budgets will not be loaded into the City's financial system until STA Board approval and Council appropriation through separate Council action.

10.13. Projects funded by reimbursable (grant) funds are included within the Operating and CIP Budgets for planning purposes. Work on CIPs funded by these sources is done before receiving funding, and project funding and authorization for these projects must be as follows:

(A) Funds 2700, 3702, 3703, 3704, 6205, 6206, 6207, and 6211. Revenue and expenditure budgets will not be loaded into the City's financial system until agreements (Program Supplements/E-76s, Individual Project Agreements, Cooperative Agreements, etc.) have been executed by the City and the funding authority.

(B) Funds 3703 and 3704. The City is eligible to receive federal or state funding, or both, for certain transportation projects through the California Department of Transportation (Caltrans). Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, and Fund Transfer Agreements must be executed by Caltrans before such funds can be claimed. The City Manager is authorized to execute on the City's behalf all Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, and Fund Transfer Agreements, and any amendments thereto.

The City Manager is authorized to transfer matching funds as specified in the approved CIP from the state and federal Grant Match (T15007200) CIP, and to enter the revenue and expenditure budgets as reflected in the grant agreement, only if the amount differs by less than $250,000 from what was reflected in the Approved CIP Budget that authorized the project funding. Project agreements that differ by more than and including $250,000 from the anticipated budget require the Council's approval by resolution.

(C) For projects in funds 6205, 6206, and 6211 that result from an existing Operations and Maintenance Agreement for facilities maintained by the City but are owned or co-owned with Regional San and Sacramento Area Flood Control Agency, the City Manager or designee is authorized to do the following:

(1) Establish and/or adjust revenue and expenditure budgets of up to $250,000 for any emergency repair or replacement projects; and

(2) Adjust revenue and expense budget based on actuals for project closure.

10.14. The 2026-2031 CIP Budget (Schedule 4, Exhibits C and D) includes projects that are directly supported by user and developer fees and utility rebates. The City Manager is authorized to adjust department revenue budgets and CIP expenditure budgets for projects as identified in the General Government section of the CIP that are directly supported by fees and rebates based on the actual fees and rebates collected, less any operating costs associated with delivering the service.

10.15. The City Manager is authorized to adjust revenue and expenditure budgets to reflect actual revenues received and expenditures incurred in compliance with the original grant award and any amendments. If the grant is not renewed or is changed by more than and including $250,000, the managing department must return to the Council for corrective action.

Section 11. Operating Grants.

11.1. Council approval is required for the establishment or cancellation (without completion) of an operating grant except as follows:

(A) Where the operating grant is less than $250,000 and does not require any of the following:

(1) any increase or decrease, by department or by fund, in FTE as authorized in the Approved Budget or by any subsequent approval by the Council or the City Manager in accordance with this resolution;

(2) matching funds from City resources; or

(3) any ongoing service or funding by the City.

(B) The City Manager is authorized to establish operating grants and authorize spending and allocation of resources more than and including $250,000 in advance of formal agreements in response to governmental requests for public-safety assistance related to homelessness, disasters and national-security risks. The department responding to these events shall report to the Council within 60 days after receiving formal program documents from the requesting governmental agency or agencies to obtain approval to enter into agreements and accept reimbursements.

(C) Operating grants may be subdivided into separate sub-projects as needed to administer, manage, and deliver the original scope of the project, without further Council action.

11.2. The City Manager is authorized to adjust FTE and associated service and supplies budget, in accordance with section 8.2, for renewals or expansions of fully offset grants previously approved by the Council.

11.3. If a grantor requires Council action as a condition of funding the grant, the establishment of the grant requires Council approval regardless of the grant amount.

11.4. Each fiscal year, all multi-year operating grant budgets in existence on June 30 will be continued in the next fiscal year.

11.5. The City Manager is authorized to adjust revenue and expenditure budgets for renewals, up to the amount previously approved by the Council, and augmentations less than $250,000 of fully offset grants.

11.6. The City Manager is authorized to establish revenue and expenditure budgets for federal or state grant-funded youth programs and parks-and-recreation programs based on the prior year award before receipt of signed agreements. Project funding and appropriations must be adjusted based on the final grant agreement. If the grant is not renewed or is changed by more than and including $250,000, the managing department must return to the Council for corrective action.

11.7. Each fiscal year, on June 30, the balance of each grant budget must be zero or have a positive balance by fund. Grants in excess of the budget from all funding sources (total budget has a negative balance) will be treated as follows:

(A) If the Grant balance exceeds budget by less than $250,000, the Grant must first be corrected within each fund, and then any remaining negative balance must be corrected by a transfer from the Grant manager’s Operating Budget (all transfers of less than $250,000 must be made as provided for in section 6.1).

(B) If the project balance exceeds budget by more than and including $250,000, a corrective plan of action must be submitted to the Council for approval by resolution.

11.8. The City Manager is authorized to adjust grant and operating expenditure budgets to account for Council-approved grant match and retention obligations.

11.9. The City Manager is authorized to adjust revenue and expenditure operating grant budgets to reflect actual revenues received and expenditures incurred upon closure of a project in compliance with the original grant award and any amendments.

11.10. Award and Distribution of City Grants.

(A) Council approval is required: (1) to award grants to an individual, non-profit, business, or community-based organization that applies for a City grant more than and including $250,000; and (2) to execute contracts with the grantees for the services to be provided.

(B) Consistent with Council direction, the City Manager is authorized: (1) to award grants to an individual, non-profit, business, or community- based organization that applies for a City grant in amounts less than $250,000; and (2) to execute contracts with the grantees for the services to be provided.

(C) The award and distribution of grants must comply with any Citywide Grant Distribution Policy.

(D) Before grant funds are distributed, the City and the grantee must execute a City contract that outlines the public benefit, timelines, and reporting requirements.

(E) For grant contracts of any amount, the City Manager is authorized to execute amendments consistent with the authority granted to the City Manager in section 3.04.020 of the City Code and related policies.

(F) The annual budget must list all grants awarded the previous calendar year.

Section 12. Externally Funded Programs (EFP).

12.1. Council approval is required for the establishment or cancellation (without completion) of an EFP, except as follows:

(A) Where the EFP is less than $250,000 and does not require any of the following:

(1) any increase or decrease, by department or by fund, in FTE as authorized in the Approved Budget or by any subsequent approval by the Council or by the City Manager in accordance with this resolution;

(2) matching funds from City resources; or

(3) any ongoing service or funding by the City.

(B) EFPs may be subdivided into separate sub-projects as needed to administer, manage, and deliver the original scope of the project, without further Council action.

12.2. Each fiscal year, all multi-year EFP budgets in existence on June 30 will be continued in the next fiscal year.

12.3. The City Manager is authorized to adjust revenue and expenditure budgets for EFP renewals, up to the amount previously approved by Council, and augmentations less than $250,000.

12.4. Each fiscal year, on June 30, the balance of each EFP budget must be zero or have a positive balance by fund. EFPs in excess of the budget from all funding sources (total budget has a negative balance) will be treated as follows:

(A) If the EFP balance exceeds budget by less than $250,000, the EFP must first be corrected within each fund, and then any remaining negative balance must be corrected by a transfer from the EFP manager's Operating Budget (all transfers of less than $250,000 must be made as provided for in section 6.1).

(B) If the project balance exceeds budget by more than and including $250,000, a corrective plan of action shall be submitted to the Council for approval by resolution.

12.5. EFPs with existing contracts approved by the Council, funding ongoing operations and studies, can be adjusted annually (revenues and expenditures) based on the actual revenues received.

Section 13. Multi-Year Operating Projects (MYOP).

13.1. A MYOP is used for the following:

(A) Economic Development Assistance and Development Programs (e.g., inclusionary housing).

(B) Planning, audit, and other consultant studies that will take more than one fiscal year to complete.

(C) Department fleet (vehicle or equipment) acquisition charges.

(D) Other projects and activities that are multi-year in nature and are not capital improvement projects.

13.2. Council approval is required for the establishment or cancellation (without completion) of a MYOP, except as provided in section 13.7.

13.3. MYOPs may be subdivided into separate sub-projects as needed to administer, manage, and deliver the original scope of the project without further Council action.

13.4. Each fiscal year unobligated appropriations in existence on June 30 for existing MYOPs will be continued in the next fiscal year except as noted in sections 13.10, 13.11, and 18.11.

13.5. MYOPs must be used solely for the originally approved program or study. Completed or inactive MYOPs will be closed annually. An inactive project is one where transaction activity is less than $1,000 over the prior three years. Closures are the responsibility of the designated project manager. The managing department and the City Manager each have the authority to process the necessary documentation to close inactive projects.

13.6. The Police and Fire Departments are authorized to use Measure U MYOPs savings from vacancies for background investigations, recruit academies, and overtime associated with restored programs and operations.

13.7. The City Manager is authorized to establish and adjust budgets for private development activities (Funds 2016 and 2018) managed in MYOPs that are fully offset by development fees.

13.8. Each fiscal year, on June 30, the balance of each MYOP must be zero or have a positive balance by fund. Projects in excess of the budget from all funding sources (total budget has a negative balance) will be treated as follows:

(A) If the MYOP balance exceeds budget by less than $250,000, the MYOP must first be corrected within each fund, and then any remaining negative balance must be corrected by a transfer from the MYOP manager's Operating Budget (all transfers of less than $250,000 must be made as provided for in section 6.1).

(B) If the MYOP balance exceeds budget by more than and including $250,000, a corrective plan of action must be submitted to the Council for approval by resolution.

13.9. The City Manager is authorized to increase or decrease MYOP budget appropriations by less than $250,000 for each project. Transfers that exceed and including $250,000 in total for any MYOP require Council approval by resolution.

13.10. The City Manager is authorized to review MYOPs on an annual basis and return excess funds to the fund balance or contingency of the respective fund (e.g., Fleet, Measure U, Utility Rate Assistance).

13.11. The Utility Box Artwork (I17000800) MYOP General Fund budget can be amended up to $450,000 ($50,000 for each Councilmember and the Mayor) based on requests and resources provided from the operations budgets of the elected official initiating the request.

13.12. MYOPs with existing contracts approved by the Council funding ongoing operations and studies, can be adjusted annually (revenues and expenditures) based on the actual revenues received.

13.13. The City Manager or designated project manager is authorized to administer and manage the Sacramento Utility Rate Assistance (SURA) Program (I14130100) up to the annual budget of $5.4 million.

13.14 Expand program goals in the Workforce Development Framework (I02180900; Reso 2022-0169, Section 1) to include all ages under the priority population criteria.

Section 14. In-Lieu Property Taxes and In-Lieu Franchise Fee.

An in-lieu property tax and in-lieu franchise fee are hereby imposed on the Community Center (Fund 6010) and Parking (Fund 6004) Funds in the amounts provided in Schedule 3 as displayed in Exhibit C. The Council finds that the in-lieu property tax as detailed in Schedule 3 represents the property-tax revenue that would be received by the General Fund if the real and personal property owned by these enterprises were taxable under private ownership. The in-lieu franchise fee as detailed in Schedule 3 represents the franchise fees that the City would receive from private entities as a rental or a toll for the use of city streets and rights-of-way.

Section 15. Appropriation Limits.

The appropriation limit and the appropriations subject to the limit are hereby amended in accordance with article XIIIB of the California Constitution for FY2026/27, as detailed in Schedule 5 as displayed in Exhibit C.

Section 16. Midyear Report.

16.1. The City Manager shall present a Midyear Budget Report including a revised estimate of the financial condition of all funds, estimated revenues and expenditures, and recommendations for eliminating any projected fund deficits to the Council.

16.2. The Council will act on any projected fund deficits as part of the midyear review.

Section 17. Adjustments for Revenue Offset Programs and Services.

17.1. The City Manager is authorized to adjust revenue and expenditure budgets in special revenue funds based on actual revenues collected to provide appropriation authority for operating costs associated with delivering the service. If there are forecasted budget deficits in the future fiscal years, the City Manager is authorized to commit non-mandated General Fund revenues and positive net year-end results to future budget development reserves.

17.2. The City Manager is authorized to make the following adjustments to Department Operating Budgets or fund balance:

(A) Adjust Fire Department revenue and expenditure budgets based on actual revenues received for Department strike-team services provided throughout California.

(B) Adjust operating department revenue and expenditure budgets based on actual revenues received for providing reimbursable services to the Golden 1 Center as outlined in the City's agreement to provide services.

(C) Adjust the revenue budget for the Sacramento Police Department's Secondary Employment Program to reflect actual revenues received and adjust the expenditure budget by a like amount for providing reimbursable services as outlined in the City's Secondary Employment Agreement.

(D) Adjust the revenue and expenditure budgets for facility maintenance and repair services provided to outside agencies and entities (15004521-338020), for private property concrete maintenance and sidewalk repairs (15001641-343010), and private property hollow sidewalk repairs (15001191) to reflect actual revenues received for these services.

(E) Increase the revenue (Account 391320) and fleet-replacement expenditure (Account 474210) budgets in the Fleet Fund (Fund 6501) based on departmental fleet purchasing changes (additional or early replacement) approved by the Council during the fiscal year and upon completion of audited financial statements to allow the continued purchasing of prior-year-funded replacement vehicles.

(F) Transfer excess parking meter revenue from the General Fund (Fund 1001) to cover eligible costs that are incurred in the Parking Fund (Fund 6004) if the full costs of the current fiscal year operations for parking meters has been recovered and the department has positive net year-end results.

(G) The Rental Housing Inspection Program Fees are established to recover the costs of the program. If the full cost of the current-year operations for that program have been recovered, then excess revenues for the program will be committed to fund a reserve equal to one year's revenue budget for the program.

If these operations do not achieve the budgeted revenues or if program costs exceed the program budget, then resources must be transferred from the commitment of fund balance for the Rental Housing Inspection Program to cover the shortfall.

(H) Increase the revenue and expenditure budgets in the Garcia Bend Park (L19703600) CIP based on the actual revenues received from increased boat launch ramp fees at Garcia Bend Park, provided that the Department has positive net revenues after all Parking Services Division costs related to the Garcia Bend launch ramp are paid.

(I) Adjust the Police Department revenue and expenditure budgets based on actual revenues received for mutual aid provided to other jurisdictions.

(J) Establish Department of Utilities revenue and expenditure budgets for any projects that result from an existing operations and maintenance agreements for facilities maintained by the City, but owned or co-owned with an outside agency for less than $250,000 in the Water Grant Reimbursement Fund (Fund 6205), the Wastewater Grant Reimbursement Fund (Fund 6206), and the Storm Drainage Grant Fund (Fund 6211) for an agency's share and to adjust revenue and expense budget based on actuals for project closure.

(K) Adjust the revenue and expenditure budgets for the SB 720 Red Light Camera Fund (Fund 2040) based on actual citation revenues collected.

(L) Adjust the revenue and expenditure budgets in Animal Care Services Capital Campaign Fund (Fund 3705) based on actual revenues donated.

17.3. The City Manager is authorized to make the following adjustments between Department operating budgets and CIPs or MYOPs:

(A) Adjust the revenue budget for the City Attorney's Office and the expenditure budget in the Justice for Neighbors (JFN) (I03000100) MYOP based on the actual fees, penalties, and other revenues collected from third parties for Public Nuisance, Social Nuisance, and JFN actions brought by the City Attorney.

(B) Adjust the Community Development Department operating budget for spay/neuter and unaltered pet-licensing revenue accounts (Account 341380 [Program Code 13006] and 351020) and increase the Animal Care Low Income Spay/Neuter Program (I13000600) MYOP expenditure budget in the General Fund (Fund 1001) to reflect 50% of the penalty fees and 50% of unaltered pet-licensing fees collected in accordance with Sacramento City Code section 9.44.215.D.

(C) Adjust the revenue budget for the Convention and Cultural Services Department franchise fee to reflect actual revenues received and increase the expenditure budget by a like amount in the Old Sacramento Service Courts & Support Facilities (M17700000) CIP.

(D) Adjust the Convention and Cultural Services revenue budget for Memorial Auditorium Facility Fee revenues and the Memorial Auditorium Improvements (M17101000) CIP expenditure budget based on actual fees collected, less any operating costs associated with delivering this service.

(E) Adjust the Convention and Cultural Services revenue budget for SAFE Credit Union Performing Arts Center Facility Fee revenues and the Performing Arts Center Improvements (M17101800) CIP expenditure budget based on the actual fees collected, less any operating costs associated with delivering this service.

(F) Adjust the Public Works Department revenue budget to reflect actual revenues received and the Sacramento Valley Station Operations and Management (I15001000) MYOP expenditure budget by a like amount.

(G) Increase the Public Works Department revenue and expenditure budgets for launch-ramp activities to reflect actual revenues received and transfer any resulting year-end savings for these activities to the Harbor Dredging (M17500000) CIP if the Department has positive net year-end results.

(H) Adjust the Public Works Department revenue budget and the expenditure budget in the Shared-Rideable Implementation (K15195100) CIP based on the actual revenues received from the Shared-Rideable permit fees, except for the portion of the fee assessed to offset parking-meter-revenue loss.

(I) Adjust the Public Works Department revenue budget (15001021) and the expenditure budget in the Tree Planting and Replacement (R15188500) CIP based on actual revenues received in the Tree Planting and Replacement Fund (Fund 2035).

(J) Adjust the Youth, Parks, and Community Enrichment Department revenue budget for recreation-program fees and increase the expenditure budget in the Recreation Facility Improvement (L19800200) CIP if the full cost of the current fiscal-year operations for this CIP have been recovered and the Department has positive net year-end results.

(K) Adjust appropriations made in the Approved Budget for fleet replacements from amounts budgeted for updated fleet-replacement costs less than $250,000 by department and by fund and transfer expenditure budgets from department operating budgets to the Fleet Acquisitions (I06000999) MYOP if the department is projecting expenditure savings in excess of the transfer.

(L) Increase the transfer from the Community Center Fund (Fund 6010) to the General Fund (Funds 1001/2401) to offset the annual budget provided for in Schedule 9 for the Powerhouse Science Center (E18000400) EFP as authorized by Council through December 2048, if Transient Occupancy Tax revenues exceed budget by an amount up to $600,000 at year-end and if the Community Center Fund has positive year-end available fund balance.

(M) Increase the Youth, Parks, and Community Enrichment Department revenue budget for the all-weather sport field facility fees received and increase the expenditure budget in the Granite All Weather Field (L19806000) CIP, provided that the Department has positive net year-end General Fund (Funds 1001/2401) results.

(N) Adjust the Transportation CIP budget to meet the City's SB 1 Maintenance of Effort (MOE) requirements.

(O) Adjust Community Development Department's revenue budget for the Housing Trust and Housing Impact administrative fees to reflect actual revenues received and increase the expenditure budget by a like amount in the General Plan Update (I22000000) MYOP.

17.4. The City Manager is authorized to make the following adjustments to CIPs and MYOPs:

(A) Adjust the revenue and expenditure budgets in the Old Sacramento Service Courts (M17700000), Old Sacramento District Improvements (M17700100), and the Joe's Crab Shack Repairs and Maintenance (B18119000) CIPs based on actual rent proceeds available after payment of all fees to the State of California and funding of annual required maintenance costs.

(B) Adjust revenue and expenditure budgets in the Energy Reinvestment Program (C13001900) CIP to reflect actual energy rebates and incentives received.

17.5. The City Manager is authorized to implement the following fiscal transactions as needed to properly manage and account for the City's cannabis revenues and expenditures:

(A) Adjust the Citywide revenue budgets for all Business Operations Taxes relative to Cannabis activities based on actual revenues received and increase the expenditure budget in the Cannabis Policy and Enforcement (I06420000) MYOP as necessary to cover costs.

(B) Adjust the revenue budget for the City Manager's Office of Cannabis Management operations (02001101) to reflect actual revenues received and increase or decrease the expenditure budget in the operating budget by a like amount. At year-end excess resources must be transferred to I06420000 to offset the cost of enforcement. If there are inadequate revenues available, resources must be transferred from I06420000 to cover the actual operating costs incurred in 02001101.

(C) Establish or increase the revenue budget(s) for fines and administrative penalties collected in accordance with Sacramento City Code section 8.132, relating to the cultivation of cannabis, in the department where collected and increase the expenditure budget in I06420000 to support enforcement activities based on actual revenues received.

(D) Adjust the revenue budget for Housing and Dangerous Building fines, fees, and penalties collected by the Community Development Department and the expenditure budget in I06420000 at year-end based on actual revenues received.

(E) Transfer expenditure budgets between I06420000 and the Cannabis Opportunity, Reinvestment and Equity (CORE) (I02420000) MYOP to support CORE program operations.

(F) Transfer expenditure budgets between I06420000 and the Youth Cannabis Outreach & Education program (I06420500) MYOP to support prevention workload in the Office of Youth Development.

17.6. The City Manager is authorized to implement the following fiscal transactions as needed to properly manage and account for the City's efforts toward reducing homelessness:

(A) Adjust the revenue and expenditure budgets to reflect actual contributions received from external partners in the Homeless Housing Initiatives (I23001000) MYOP to support homeless-services programs.

(B) Each fiscal year, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Department of Community Response Office of the Director (23001011) on June 30 must be transferred to the Homeless Housing Initiatives (I23001000) MYOP if the Department has positive net year-end results.

(C) Each fiscal year, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Office of Community Outreach (23001021) on June 30 must be transferred to the Community Response (I23000100) MYOP if the Department has positive net year-end results.

(D) Each fiscal year, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Office of Homeless Services (23001031) on June 30 must be transferred to the Homeless Housing Initiatives (I23001000) MYOP if the Department has positive net year-end results.

(E) Each fiscal year, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Office of Violence Prevention (11001491) on June 30 must be transferred to the Gang Prevention and Intervention (I11003000) MYOP if the Department has positive net year-end results.

17.7. The City Manager is authorized to implement any necessary financial transactions for the administration of revolving loan fund programs authorized by the Council.

17.8. The City Manager is authorized to use Emergency Medical Services Revenue Recovery funds (Intergovernmental Transfer - Ground Emergency Medical Transport and Public Provider – Ground Emergency Medical Transport) to cover overages from the Single Role program and related equipment and vehicles as necessary.

Section 18. Year-End Process and Carryover Authority.

18.1. Each fiscal year, all purchase-order commitments outstanding on June 30, and associated appropriations, are hereby continued.

18.2. If there is not a budgetary surplus in the General Fund (Funds 1001/2401) at year-end, the City Manager shall suspend the General Fund transfers and carryovers authorized in this section. If there is a budgetary surplus in the General Fund and there are forecasted budget deficits in the future fiscal years, the City Manager is authorized to commit non-mandated General Fund revenues and positive net year-end results to future budget development reserves.

18.3. Each fiscal year, unobligated appropriations in existence on June 30 for the Council operations budget will be carried over to the next fiscal year.

18.4. Each fiscal year, unobligated General Fund appropriations in existence in the Arts Stabilization budget (80001065) on June 30 must be transferred to the Cultural and Economic Vitality (I17001000) MYOP if the department has positive net year-end General Fund results.

18.5. Each fiscal year, revenues in excess of budget in Building Inspection, Building Plan Check, Customer Service/Permit Counter, and Planning Operations areas of the Community Development Department must be transferred to the Development Stabilization Contingency Reserve (DSCR), consistent with the adopted DSCR policy, if the Department has positive net year-end results.

If these operations do not achieve the budgeted revenues or if program costs exceed the program budget, then resources must be transferred from the DSCR to these areas of the Community Development Department to cover the shortfall.

18.6. Each fiscal year, unobligated General Fund appropriations in existence in the Human Resources Department on June 30 must be transferred to the Training and Outreach (I08000300) MYOP if the Department has positive net year-end General Fund results.

18.7. Each fiscal year, unobligated net appropriations in existence on June 30 in the Information Technology (IT) Department operations General Fund budget and the citywide IT budget in Citywide and Community Support must be transferred to the IT Critical Infrastructure (A07000700) CIP to create a funding mechanism for future citywide technology initiatives, which the City Manager will review annually.

18.8. Each fiscal year, unobligated appropriations in the City's California Public Employees' Retirement System budget account(s) (413170/413172) that are not required to balance the budget must be transferred to the City's other post-employment benefit trust.

18.9. Each fiscal year, if the START Fund (Fund 2501) has a deficit, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Youth, Parks, and Community Enrichment Department on June 30 must be transferred to Fund 2501 to cover any deficit associated with the general- and auto-liability insurance premiums if the Department has positive net year-end General Fund results.

18.10. Each fiscal year, the Fleet Acquisitions (I06000999) MYOP will be reviewed, and excess funds will be returned to the fund of origin.

18.11. Each fiscal year, unobligated net appropriations in existence on June 30 in the Public Works Department (15005861) must be transferred to the Commercial Waste Compliance (I15220000) MYOP.

18.12. Each fiscal year, any unspent Measure U Fund (Fund 2401) appropriations in the Youth, Parks, and Community Enrichment Department on June 30 must be transferred to the Measure U Park Improvements (L19706000), Citywide Pool Assess/Repair (L19706500), or Recreation Facility Improvements (L19800200) CIPs until the backlog of deferred maintenance, for existing projects within the programs, are completed.

18.13. The City Manager is authorized to make all necessary budgetary adjustments to account for the interfund Loan from the Risk Fund (Fund 6502) to the General Fund (Fund 1001) related to the agreement with the City and the Natomas Basin Conservancy Loan.

18.14. Each fiscal year, transfer up to $500,000 of available operating grant resources to the Public Safety Capital Improvement Program (F11101000) for specialty vehicle and equipment purchases.

18.15. Each fiscal year, any unspent Measure U Fund (Fund 2401) appropriations in the Diversity, Outreach and Recruitment (DOR) program on June 30 must be transferred to the Fire – Diversity, Outreach and Recruitment Program (I12000200) MYOP as long as any Fire Department year-end deficits can be covered with available year-end General Fund (Funds 1001/2401) budgetary surplus.

18.16 Each fiscal year, a portion of unspent appropriations in the YPCE Youth Program Scholarship ~~Youth Sports Field Permit Program~~ MYOP (I19143000) on June 30 may be transferred to the Measure U Park Improvements (L19706000), to be used to address the backlog of deferred maintenance for sports fields.

18.17 The City Manager or their designee is authorized to make all necessary budgetary and accounting adjustments related to the Zero-dollar Rate Program (I21002600) to the various impact fees affected by the Reduced Residential Development Impact Fees for Affordable Dwelling Units Program.

Section 19. Year-End Reporting.

19.1. Each fiscal year, after any adjustments specifically provided for in other sections of this resolution, all appropriations in the Operating Budget that remain unspent and unencumbered (unobligated) on June 30 will revert to the available fund balances of the respective funds. Any budgetary surplus in the General Fund (Funds 1001/2401), determined as part of the fiscal year-end close process, will be reported in the ACFR as Assigned for Next Year's Budget, Unassigned, or as specifically directed below or in a subsequent resolution.

19.2. All unrealized investment gains determined as part of the fiscal year-end close process will be reported in the ACFR as Assigned for Unrealized Investment Gains, as those gains are not available for appropriation.

Section 20. Miscellaneous Controls and Considerations.

20.1. Expenditures by fund at the department level must not exceed the Operating Budget as amended by any subsequent approval by the Council or the City Manager in accordance with this resolution.

20.2. Subject to the City Manager's approval, projected fund deficiencies in any department must be corrected as follows in accordance with the sections of this resolution governing transfers and appropriations by reducing expenditures in the department (e.g., restricting purchase orders, freezing vacant positions) or by an appropriation transfer from Administrative Contingency or available fund balance, or both, subject to the provisions of section 5.

20.3. The City Manager is authorized to eliminate funds as required for proper accounting and fiscal management when the purpose of a fund has expired, and its fund balance has been expended.

20.4. In all staff reports that come before the Council, net budgetary impacts on all funds, including indirect impacts, must be stated clearly and concisely so that the Council has a full understanding of the financial consideration and impacts of its decisions.

20.5. The City Manager shall begin using an equity lens in the review of all budgetary recommendations to Council including the annual budget, midyear budget and staff reports as soon as practical after development of a shared definition of equity in coordination with the community, development of associated outcomes and measures and Council's creation and adoption of an Equity Resolution.

RESOLUTION NO 2026-XXX

Adopted by the Sacramento City Council

June XX, 2026

Approving the Fiscal Year 2026/27 Operating and Capital Improvement Program Budgets

BACKGROUND

A. Article IX, section 111, of the City Charter requires the City Manager to present a balanced budget to the Mayor and City Council no less than 60 days before the beginning of each fiscal year.

B. The City of Sacramento, through the leadership and direction of the Mayor and City Council, has maintained a sustainable budget philosophy. Given this concept of fiscal sustainability, the City Council adopted the following core budget policies and budget guidelines on February 14, 2017 (Resolution No. 2017-0078):

Core Budget Policies

1. City Council must adopt a balanced budget.

2. Funding decisions should be consistent with Council-adopted policies.

3. The Economic Uncertainty Reserve shall be maintained at a minimum of 10% of budgeted General Fund revenues. Resources must be added to maintain this level through the budget and midyear processes, as necessary.

Budget Guidelines

1. Maintain a fiscally sustainable, balanced budget.

2. The Mayor and Council's priorities, based on community input, should drive the budget creation.

3. Continue a community-based budget process where city residents are engaged and educated on budget processes and provide feedback on budget priorities.

4. Look for ways to grow the reserve beyond its current goal.

5. All budget actions must be considered in a five-year context, with new revenues not counted or spent until realized. One-time resources should be used for one-time needs, not ongoing expenses.

6. Do not make spending decisions in isolation. Avoid spending money on one-off projects or without looking at the big picture. Understand long-term consequences and opportunity costs.

7. Keep City Council informed on the fiscal condition of the City and conduct continuous evaluations for efficiencies and effectiveness.

8. The City must consistently look for opportunities to proactively grow revenues instead of simply being reactive.

9. Make every effort to identify private financing or federal and state grant opportunities before using City resources. Pursue new and enhance existing revenue sources.

10. Before new expenditures are made, identify return on investments and impacts, fiscal and social benefits.

11. Address unfunded long-term liabilities.

12. Remain a full-service City.

C. On June 11, 2019, the City's Economic Uncertainty Reserve (EUR) Policy was amended to include Measure U resources in determining the amount to be set aside in reserves (Resolution No. 2019-0248) as directed by the City Council on February 5, 2019 (Resolution No. 2019-0047).

D. The FY2026/27 Approved Budget (which includes the Operating Budget and the Capital Improvement Program [CIP] Budget) is consistent with City Charter requirements and the City Council's adopted Core Budget Policies and Budget Guidelines.

E. The Mayor and Council conducted budget discussions during May and June 2026 to discuss and consider the City's FY2026/27 Budget.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. Preliminary Matters.

1.1. The Budget changes attached as Exhibit A and the Summary of FTE attached as Exhibit B are hereby approved.

1.2. The FY2026/27 Operating and CIP Budgets (collectively the Approved Budget), as defined in section 3.2 below, and attached as Exhibits C and D are hereby approved.

1.3. The 2026-2031 CIP, which provides a comprehensive five-year plan for the City's capital project expenditures and attached as Exhibit D, is hereby approved.

1.4. Sections 2 through 20 below, which define the authority and responsibilities of the City Manager in implementing the Approved Budget, are hereby approved.

1.5. The City Manager is authorized to incorporate final decisions of the Council, and to refine and add content, as may be needed to meet Government Finance Officers Association and/or California Society of Municipal Finance Officers budgeting-award requirements into the Approved Operating and CIP Budgets to create the FY2026/27 Approved Budget.

1.6. The attached Exhibits A through D are part of this resolution.

1.7. The City's Debt service must be limited to 6% of total General Fund (includes Measure U Fund) revenues, excluding Department revenues.

1.8. The City Treasurer shall conduct a financial stress test on the General Funds before the issuance of any bonds.

1.9. Available resources in the Innovation and Growth Fund (Fund 2031) shall be transferred to the General Fund as needed to offset projected deficits shown in the General Fund five-year forecast included in the Approved Budget.

(A) Expand the usage of the Innovation and Growth Funds consistent with either ScaleUp Sacramento: An Inclusive Economic Action Agenda (Motion No. 2021-0022) or sections one through five of the Inclusive Economic Development Investment Funding Guidelines (Motion No. 2019-0307).

Section 2. Scope.

This resolution defines the authority and responsibilities of the City Manager in implementing the Approved Budget and supersedes Resolution No. 2025-0162.

Section 3. Definitions.

3.1. "Account" is the primary accounting field in the budget used to describe the nature of the financial transaction (overtime, professional services, debt, etc.).

3.2. "Approved Budget" means the Approved Operating Budget (Operating Budget) and the Approved Capital Budget (CIP Budget), which are attached as Exhibits C and D and reflects the FY2026/27 Proposed Operating and CIP Budgets, as amended by the Council to incorporate the approved Budget Changes attached as Exhibit A, and a summary of position changes as displayed in Exhibit B.

3.3. "City Manager" means the City Manager or, if so designated, the Director of Finance.

3.4. "Department" means Mayor and City Council; City Manager; City Attorney; City Auditor; City Clerk; City Treasurer; Community Development; Community Response; Convention and Cultural Services; Economic Development; Finance; Fire; Human Resources; Information Technology; Police; Public Works; Utilities; Youth, Parks, and Community Enrichment; and Citywide and Community Support.

3.5. "Full Time Equivalent" and "FTE" mean the decimal equivalent of a position, e.g., one full-time position is 1.00 FTE and one quarter-time position is 0.25 FTE.

Section 4. Approved Budget Appropriations, FTEs, and Adjustments.

4.1. The City Manager is authorized to make any expenditure and resource adjustments to the Operating Budget based on final Council action to adopt the Operating Budget.

4.2. The City Manager is authorized to establish the appropriations and FTE as shown in Schedules 1A, 1B, 1C, 1D, and 1E and the fund summaries, including transfers, as shown in Schedules 2A, 2B, and 2C, as displayed in Exhibit C.

4.3. The City Manager is authorized to modify FTE classifications by Department as necessary to implement the reclassifications and studies authorized by Schedule 8, as displayed in Exhibit C.

4.4. The City Manager is authorized to revise any appropriation made in the Approved or Amended Budget where the revision is of a technical nature and is consistent with the Council's intent.

4.5. The City Manager may authorize the use of the Old Sacramento Public Market Fund (Fund 2601) for the development, repair, and maintenance of the north and south public markets.

4.6. The City Manager is authorized to make annual loan payments to the Risk Fund from the Community Center Fund subject to the availability of funds. As of June 30, 2025, the balance of the Risk Fund loan to the Community Center Fund totaled approximately $4.6 million.

4.7. The City Manager is authorized to pay off a $15 million loan from the Risk Fund as a result of the legal settlement with year-end budgetary surplus from the General Fund (Fund 1001). The current balance is $15 million.

4.8. Following budget adoption, the City Manager is authorized to do the following:

(A) Transfer appropriations from the operating budget and establish or adjust revenue and expenditure budgets for externally funded programs (EFPs), multi-year operating projects (MYOPs), and operating grants as shown in Schedule 9 displayed in Exhibit C.

(B) Adjust any appropriation made in the Approved Budget to reflect changes from amounts budgeted for updated labor (for example, changes in retirement rates, payroll taxes, health benefits), fleet (including accident recovery costs), utilities in Citywide Support, 311 Call Center (reimbursements based on call data), cost plan, and risk-management changes, from available fund balance or reserves for the respective funds.

(C) Adjust budgets to reflect all required debt service and related payments, including adjustments to rate stabilization reserves, pursuant to City debt agreements.

(D) Revise and establish indirect cost rates to be applied to hourly salary rates in order to achieve full cost recovery of services; and adjust the Operating Budget to reflect the indirect cost rate plan for FY2026/27.

Section 5. Economic Uncertainty Reserve Policies and Transfers from Contingency and Reserve Funds.

5.1. The Council-adopted EUR Policy as amended on June 11, 2019 (Resolution No. 2019-0248) establishes a minimum reserve level equal to 10% of annual General/Measure U Fund revenues and a target reserve level equal to two months of regular ongoing General Fund and Measure U Fund expenditures, including transfers (17% of General Fund and Measure U Fund expenditures). Resources to fund this reserve will be identified on an ongoing basis and can include positive year-end results or other one-time resources available to the General/Measure U Fund.

5.2. The General/Measure U Fund EUR is maintained to bridge the gap between projected revenue and expenditures during periods of significant revenue declines, expenditure growth, or both. Consistent with Governmental Accounting Standards Board Statement No. 54 (Fund Balance Reporting and Governmental Fund Type Definitions), the Council-adopted parameters for using the EUR are as follows:

(A) The City Manager may recommend a release from the EUR when the gap between projected revenue and expenditures is greater than $1 million in the proposed budget.

(B) Any release from the EUR requires the Council's approval.

(C) These parameters may be changed only by resolution of the Council.

5.3. The City Manager is authorized to maintain an EUR reserve below the minimum threshold prescribed in the Council-adopted EUR Policy in FY2026/27. In the FY2024/25, FY2025/26 and FY2026/27 Operating Budgets, General Fund and Measure U Fund EUR contributions were redirected to balance the FY2024/25 and FY2026/27 budgets and create a Federal Funding Reserve in FY2025/26 to protect the City against the federal government withholding or rescinding revenues.

5.4. The City Manager is authorized to make appropriation changes (increases or decreases) less than $250,000 by fund from available fund balance. Appropriation changes, whether increases or decreases, of $250,000 or more require Council approval, except for payments to employees for vacation and sick leave payouts. Payments to employees for vacation and sick leave payout may be approved by the City Manager.

5.5. The City Manager is authorized to make appropriation changes (increases or decreases) less than $250,000 to any Department or project from Administrative Contingency established in the General Fund. Appropriation changes (increases and decreases) more than and including $250,000 to the Department or project require Council approval.

5.6. Transfers must not be made from an available fund balance or Administrative Contingency if the transfer will result in a negative balance.

5.7. The City Manager is authorized to release the General Fund (Fund 1001) and Measure U (Fund 2401) commitments of fund balance for future budget development as needed to submit a balanced budget.

5.8. Use of committed fund balance reserves, except as authorized in section 5.7, requires the Council's approval by resolution.

5.9. A one-time reduction of $35,000 in commission meetings staffing and stipends will be funded by the EUR in FY2026/27 to allow the City Manager and City Clerk to conduct an assessment. The City Manager is authorized to reimburse the EUR once the assessment is finalized.

Section 6. Appropriation Increases and Decreases.

6.1. All appropriation changes (increases or decreases) $250,000 or more to the Approved Budget require Council approval by resolution.

6.2. The City Manager is authorized, upon completion of the audited financial statements for FY2025/26, to adjust FY2026/27 fund contingencies by the amount of net changes in available fund balance. The available fund balance in the General Fund must be included and explained in the report to the Council accompanying the Annual Comprehensive Financial Report (ACFR).

6.3. Residual balances from unexpended debt proceeds will revert to the appropriate fund and be used for the lawful purposes as specified in the conditions of the debt issuance. The City Manager is authorized to establish appropriations and account for the expenditure of these unexpended proceeds.

Section 7. Appropriation Transfers.

7.1. Operating appropriation transfers within the same Department and the same fund, including the Department's established fleet MYOP, require the City Manager's approval.

7.2. Appropriation transfers between two or more Departments, less than $250,000, must be approved by the City Manager. Such transfers more than and including $250,000 requires Council approval by resolution.

Section 8. Staffing Changes.

8.1. Any increase or decrease in FTE by department or by fund as authorized in the Operating Budget, by subsequent approval of the Council, or by the City Manager in accordance with this resolution, is subject to approval by the Council except for renewals or expansion of fully offset grants or EFPs as specified in section 8.2.

8.2. The City Manager is authorized to adjust staffing levels for renewals, expansions, or reductions to fully offset Council-approved operating grants or EFPs. Grant/EFP positions must be terminated upon completion or cancellation

of the grant/EFP unless specifically continued by a Council resolution that includes a source of replacement funding. Any existing positions approved on the assumption that the City would receive a grant or other reimbursements must have continued funding verified before filling the position.

8.3. Any reassignment of authorized FTE and employee-services funding associated with the FTE, within a Department and within the same fund, may be made at the discretion of the Department director with the approval of the City Manager as long as there is no net change to authorized FTE and funding levels.

8.4. The City Manager is authorized to modify any authorized FTE classification as necessary to reflect current incumbent status based on the established flexibly staffed classifications included in Council-approved labor contracts.

8.5. All new job classifications or classification changes (as identified in Exhibit C, Schedule 8) are subject to classification review and approval by the Director of Human Resources.

8.6. The City Manager is authorized to adjust staffing levels in the Police and Fire Training Academies based on projected vacancies.

8.7. The Director of Human Resources is authorized to establish non-budgeted positions (NBPs) for the following:

(A) Mayor and Council Offices, to be funded from their existing operations budgets.

(B) Departments as needed to reflect address critical staffing circumstances. Departments must have sufficient labor savings to cover the cost of NBPs, and none of the NBPs may be used for more than one year. Departments will seek budget authority to convert NBPs to authorized FTE positions or the NBPs will be eliminated during the budget process.

8.8. The City Manager is authorized to create an Economic Development Department in FY2026/27 and to adjust staffing levels within other departments based on the new Citywide organizational structure. The City Manager is authorized to conduct necessary classification changes of existing positions for the new Economic Development Department.

Section 9. Revenue Budget.

9.1. The FY2026/27 revenue budget is summarized in Exhibit C, Schedule 6.

9.2. Any increase or decrease greater than (and including) $250,000 by fund in estimated revenue by Department to the Approved Budget requires the Council's approval.

9.3. The City Manager is authorized to implement biennial Consumer Price Index increases if the increases are warranted based on the adopted Fees and Charges Policy.

9.4. Proceeds from the sale of General Fund and Redevelopment Agency Successor Agency surplus land, unless otherwise specified, will be budgeted in the Innovation and Growth Fund (Fund 2031).

9.5. Unbudgeted one-time general revenue received in a fiscal year, which is not required to balance the budget as part of the midyear review or fiscal year-end close, will be added to the General Fund/Measure U EUR.

9.6. The City Manager is authorized to adjust General Fund revenues supporting Measure U department operations to actuals received and to adjust the appropriate transfers between the funds.

Section 10. Capital Improvements.

10.1. Capital projects and/or appropriations will be used for the following:

(A) Repairs, maintenance, improvements, or acquisitions with a total cost of at least $20,000 and a useful life that exceeds one fiscal year; and

(B) Community/Neighborhood projects as approved in separate resolutions by the Council.

10.2. Council approval is required for the establishment or cancellation (without completion) of a CIP, except as provided below:

(A) The City Manager is authorized to approve and establish one or more capital projects for internal City operations related to improvements and minor construction of existing City-owned or occupied buildings if the total cost to deliver each project is less than $250,000. Projects will be managed in the City Facility Improvement (C15100000) project.

(B) Capital projects may be subdivided into separate sub-projects as needed to administer, manage, and deliver the original scope of the project, without further Council action.

(C) Projects established for agreements the City Manager executes in accordance with Sacramento City Code chapter 18.18. The City Manager is authorized to make all necessary budgetary adjustments when the City accepts improvements constructed under these agreements.

10.3. Capital appropriations must be used solely for the originally approved project or projects except as provided in this section.

10.4. Completed and inactive projects will be closed annually, except for projects that have existing litigation or payment disputes. An inactive project is one where transaction activity is less than $1,000 over the prior three years. Closures are the responsibility of the designated project manager. The managing department and the City Manager are each authorized to process the necessary documentation to close inactive projects.

10.5. Each fiscal year, all multi-year CIP projects in existence on June 30 will be continued except as provided otherwise in section 10.4. The FY2026/27 CIP

Budget is summarized on Schedules 2 and 4 as displayed in Exhibit C and on Schedule 4 as displayed in Exhibit D.

10.6. Each fiscal year, unobligated appropriations for all inactive projects, as defined in section 10.4, will expire on June 30 following the third full year of the last appropriation to the project. Projects requiring continuing appropriations will require Council action through programming within the CIP or through a separate appropriation to the project authorized by resolution of the Council.

10.7. Each fiscal year, on June 30, the balance of each CIP project must be zero or have a positive balance by fund. Projects with spending in excess of available budget from all funding sources (i.e., with negative balance) will be treated as follows:

(A) If the CIP balance exceeds budget by less than $250,000, the CIP must first be corrected within each fund, and then any remaining negative balance must be corrected by a transfer from the CIP manager's Operating Budget (all transfers less than $250,000 must be made as provided for in section 6.1).

(B) If expenditures exceed the budget by more than and including $250,000, a corrective plan of action must be submitted to the Council for approval by resolution.

10.8. Community/Neighborhood projects and appropriations established with one-time funding sources under Resolution No. 2004-551 (6/29/04) and associated staff report, is governed by the following procedures:

(A) Savings of up to and including $50,000 due to lower-than-expected costs or the securing of alternative funding sources may be administratively reprogrammed into other projects within the same Council District at the request of the Council District Office and with the approval of the City Manager.

(B) Savings above $50,000 may be reprogrammed upon approval by resolution of the Council.

10.9. Except as provided in section 10.8, the City Manager is authorized to transfer appropriations less than $250,000 as follows:

(A) General, Measure U, and Capital Bond Funds:

(1) From a project that has not been completed, if a revised project estimate confirms that upon completion there will be project savings.

(B) All other funds from Project A to Project B if:

(1) Project A is complete and has savings; or

(2) Project A has not been completed and a revised project estimate confirms that there will be project savings upon completion.

10.10. Upon completion and closure of a capital project, the City Manager is authorized to transfer any remaining project balance as follows:

(A) To the available fund balance of the respective fund, the Capital Projects Base Reserve in the Utilities CIP or, in the case of the General Fund, Administrative Contingency; or in the case of capital grants, to amend the revenue and expenditure budgets to actual revenues received and expenditures incurred.

(B) As provided for in section 10.9.

10.11. Except for projects covered by section 10.10, the City Manager is authorized to increase or decrease project budget appropriations by less than $250,000 for each project. Appropriation changes more than and including $250,000 in total for any project must be approved by resolution of the Council. The City Manager's administrative authority to adjust budgets for capital projects will be reset after budgetary actions are authorized by the Council. If the appropriation is from available fund balance, it is subject to the provisions in section 5.

10.12. Projects funded by New Measure A Project Construction Sales Tax are included within the CIP Budget for planning purposes. Work on CIP projects funded by New Measure A Project Construction Sales Tax (Fund 2023) is done before receiving funding, and project funding and authorization for these projects must be as follows:

(A) Fund 2023 revenue and expenditure budgets will not be loaded into the City's financial system until STA Board approval and Council appropriation through separate Council action.

10.13. Projects funded by reimbursable (grant) funds are included within the Operating and CIP Budgets for planning purposes. Work on CIPs funded by these sources is done before receiving funding, and project funding and authorization for these projects must be as follows:

(A) Funds 2700, 3702, 3703, 3704, 6205, 6206, 6207, and 6211. Revenue and expenditure budgets will not be loaded into the City's financial system until agreements (Program Supplements/E-76s, Individual Project Agreements, Cooperative Agreements, etc.) have been executed by the City and the funding authority.

(B) Funds 3703 and 3704. The City is eligible to receive federal or state funding, or both, for certain transportation projects through the California Department of Transportation (Caltrans). Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, and Fund Transfer Agreements must be executed by Caltrans before such funds can be claimed. The City Manager is authorized to execute on the City's behalf all Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, and Fund Transfer Agreements, and any amendments thereto.

The City Manager is authorized to transfer matching funds as specified in the approved CIP from the state and federal Grant Match (T15007200) CIP, and to enter the revenue and expenditure budgets as reflected in the grant agreement, only if the amount differs by less than $250,000 from what was reflected in the Approved CIP Budget that authorized the project funding. Project agreements that differ by more than and including $250,000 from the anticipated budget require the Council's approval by resolution.

(C) For projects in funds 6205, 6206, and 6211 that result from an existing Operations and Maintenance Agreement for facilities maintained by the City but are owned or co-owned with Regional San and Sacramento Area Flood Control Agency, the City Manager or designee is authorized to do the following:

(1) Establish and/or adjust revenue and expenditure budgets of up to $250,000 for any emergency repair or replacement projects; and

(2) Adjust revenue and expense budget based on actuals for project closure.

10.14. The 2026-2031 CIP Budget (Schedule 4, Exhibits C and D) includes projects that are directly supported by user and developer fees and utility rebates. The City Manager is authorized to adjust department revenue budgets and CIP expenditure budgets for projects as identified in the General Government section of the CIP that are directly supported by fees and rebates based on the actual fees and rebates collected, less any operating costs associated with delivering the service.

10.15. The City Manager is authorized to adjust revenue and expenditure budgets to reflect actual revenues received and expenditures incurred in compliance with the original grant award and any amendments. If the grant is not renewed or is changed by more than and including $250,000, the managing department must return to the Council for corrective action.

Section 11. Operating Grants.

11.1. Council approval is required for the establishment or cancellation (without completion) of an operating grant except as follows:

(A) Where the operating grant is less than $250,000 and does not require any of the following:

(1) any increase or decrease, by department or by fund, in FTE as authorized in the Approved Budget or by any subsequent approval by the Council or the City Manager in accordance with this resolution;

(2) matching funds from City resources; or

(3) any ongoing service or funding by the City.

(B) The City Manager is authorized to establish operating grants and authorize spending and allocation of resources more than and including $250,000 in advance of formal agreements in response to governmental requests for public-safety assistance related to homelessness, disasters and national-security risks. The department responding to these events shall report to the Council within 60 days after receiving formal program documents from the requesting governmental agency or agencies to obtain approval to enter into agreements and accept reimbursements.

(C) Operating grants may be subdivided into separate sub-projects as needed to administer, manage, and deliver the original scope of the project, without further Council action.

11.2. The City Manager is authorized to adjust FTE and associated service and supplies budget, in accordance with section 8.2, for renewals or expansions of fully offset grants previously approved by the Council.

11.3. If a grantor requires Council action as a condition of funding the grant, the establishment of the grant requires Council approval regardless of the grant amount.

11.4. Each fiscal year, all multi-year operating grant budgets in existence on June 30 will be continued in the next fiscal year.

11.5. The City Manager is authorized to adjust revenue and expenditure budgets for renewals, up to the amount previously approved by the Council, and augmentations less than $250,000 of fully offset grants.

11.6. The City Manager is authorized to establish revenue and expenditure budgets for federal or state grant-funded youth programs and parks-and-recreation programs based on the prior year award before receipt of signed agreements. Project funding and appropriations must be adjusted based on the final grant agreement. If the grant is not renewed or is changed by more than and including $250,000, the managing department must return to the Council for corrective action.

11.7. Each fiscal year, on June 30, the balance of each grant budget must be zero or have a positive balance by fund. Grants in excess of the budget from all funding sources (total budget has a negative balance) will be treated as follows:

(A) If the Grant balance exceeds budget by less than $250,000, the Grant must first be corrected within each fund, and then any remaining negative balance must be corrected by a transfer from the Grant manager’s Operating Budget (all transfers of less than $250,000 must be made as provided for in section 6.1).

(B) If the project balance exceeds budget by more than and including $250,000, a corrective plan of action must be submitted to the Council for approval by resolution.

11.8. The City Manager is authorized to adjust grant and operating expenditure budgets to account for Council-approved grant match and retention obligations.

11.9. The City Manager is authorized to adjust revenue and expenditure operating grant budgets to reflect actual revenues received and expenditures incurred upon closure of a project in compliance with the original grant award and any amendments.

11.10. Award and Distribution of City Grants.

(A) Council approval is required: (1) to award grants to an individual, non-profit, business, or community-based organization that applies for a City grant more than and including $250,000; and (2) to execute contracts with the grantees for the services to be provided.

(B) Consistent with Council direction, the City Manager is authorized: (1) to award grants to an individual, non-profit, business, or community- based organization that applies for a City grant in amounts less than $250,000; and (2) to execute contracts with the grantees for the services to be provided.

(C) The award and distribution of grants must comply with any Citywide Grant Distribution Policy.

(D) Before grant funds are distributed, the City and the grantee must execute a City contract that outlines the public benefit, timelines, and reporting requirements.

(E) For grant contracts of any amount, the City Manager is authorized to execute amendments consistent with the authority granted to the City Manager in section 3.04.020 of the City Code and related policies.

(F) The annual budget must list all grants awarded the previous calendar year.

Section 12. Externally Funded Programs (EFP).

12.1. Council approval is required for the establishment or cancellation (without completion) of an EFP, except as follows:

(A) Where the EFP is less than $250,000 and does not require any of the following:

(1) any increase or decrease, by department or by fund, in FTE as authorized in the Approved Budget or by any subsequent approval by the Council or by the City Manager in accordance with this resolution;

(2) matching funds from City resources; or

(3) any ongoing service or funding by the City.

(B) EFPs may be subdivided into separate sub-projects as needed to administer, manage, and deliver the original scope of the project, without further Council action.

12.2. Each fiscal year, all multi-year EFP budgets in existence on June 30 will be continued in the next fiscal year.

12.3. The City Manager is authorized to adjust revenue and expenditure budgets for EFP renewals, up to the amount previously approved by Council, and augmentations less than $250,000.

12.4. Each fiscal year, on June 30, the balance of each EFP budget must be zero or have a positive balance by fund. EFPs in excess of the budget from all funding sources (total budget has a negative balance) will be treated as follows:

(A) If the EFP balance exceeds budget by less than $250,000, the EFP must first be corrected within each fund, and then any remaining negative balance must be corrected by a transfer from the EFP manager's Operating Budget (all transfers of less than $250,000 must be made as provided for in section 6.1).

(B) If the project balance exceeds budget by more than and including $250,000, a corrective plan of action shall be submitted to the Council for approval by resolution.

12.5. EFPs with existing contracts approved by the Council, funding ongoing operations and studies, can be adjusted annually (revenues and expenditures) based on the actual revenues received.

Section 13. Multi-Year Operating Projects (MYOP).

13.1. A MYOP is used for the following:

(A) Economic Development Assistance and Development Programs (e.g., inclusionary housing).

(B) Planning, audit, and other consultant studies that will take more than one fiscal year to complete.

(C) Department fleet (vehicle or equipment) acquisition charges.

(D) Other projects and activities that are multi-year in nature and are not capital improvement projects.

13.2. Council approval is required for the establishment or cancellation (without completion) of a MYOP, except as provided in section 13.7.

13.3. MYOPs may be subdivided into separate sub-projects as needed to administer, manage, and deliver the original scope of the project without further Council action.

13.4. Each fiscal year unobligated appropriations in existence on June 30 for existing MYOPs will be continued in the next fiscal year except as noted in sections 13.10, 13.11, and 18.11.

13.5. MYOPs must be used solely for the originally approved program or study. Completed or inactive MYOPs will be closed annually. An inactive project is one where transaction activity is less than $1,000 over the prior three years. Closures are the responsibility of the designated project manager. The managing department and the City Manager each have the authority to process the necessary documentation to close inactive projects.

13.6. The Police and Fire Departments are authorized to use Measure U MYOPs savings from vacancies for background investigations, recruit academies, and overtime associated with restored programs and operations.

13.7. The City Manager is authorized to establish and adjust budgets for private development activities (Funds 2016 and 2018) managed in MYOPs that are fully offset by development fees.

13.8. Each fiscal year, on June 30, the balance of each MYOP must be zero or have a positive balance by fund. Projects in excess of the budget from all funding sources (total budget has a negative balance) will be treated as follows:

(A) If the MYOP balance exceeds budget by less than $250,000, the MYOP must first be corrected within each fund, and then any remaining negative balance must be corrected by a transfer from the MYOP manager's Operating Budget (all transfers of less than $250,000 must be made as provided for in section 6.1).

(B) If the MYOP balance exceeds budget by more than and including $250,000, a corrective plan of action must be submitted to the Council for approval by resolution.

13.9. The City Manager is authorized to increase or decrease MYOP budget appropriations by less than $250,000 for each project. Transfers that exceed and including $250,000 in total for any MYOP require Council approval by resolution.

13.10. The City Manager is authorized to review MYOPs on an annual basis and return excess funds to the fund balance or contingency of the respective fund (e.g., Fleet, Measure U, Utility Rate Assistance).

13.11. The Utility Box Artwork (I17000800) MYOP General Fund budget can be amended up to $450,000 ($50,000 for each Councilmember and the Mayor) based on requests and resources provided from the operations budgets of the elected official initiating the request.

13.12. MYOPs with existing contracts approved by the Council funding ongoing operations and studies, can be adjusted annually (revenues and expenditures) based on the actual revenues received.

13.13. The City Manager or designated project manager is authorized to administer and manage the Sacramento Utility Rate Assistance (SURA) Program (I14130100) up to the annual budget of $5.4 million.

13.14 Expand program goals in the Workforce Development Framework (I02180900; Reso 2022-0169, Section 1) to include all ages under the priority population criteria.

Section 14. In-Lieu Property Taxes and In-Lieu Franchise Fee.

An in-lieu property tax and in-lieu franchise fee are hereby imposed on the Community Center (Fund 6010) and Parking (Fund 6004) Funds in the amounts provided in Schedule 3 as displayed in Exhibit C. The Council finds that the in-lieu property tax as detailed in Schedule 3 represents the property-tax revenue that would be received by the General Fund if the real and personal property owned by these enterprises were taxable under private ownership. The in-lieu franchise fee as detailed in Schedule 3 represents the franchise fees that the City would receive from private entities as a rental or a toll for the use of city streets and rights-of-way.

Section 15. Appropriation Limits.

The appropriation limit and the appropriations subject to the limit are hereby amended in accordance with article XIIIB of the California Constitution for FY2026/27, as detailed in Schedule 5 as displayed in Exhibit C.

Section 16. Midyear Report.

16.1. The City Manager shall present a Midyear Budget Report including a revised estimate of the financial condition of all funds, estimated revenues and expenditures, and recommendations for eliminating any projected fund deficits to the Council.

16.2. The Council will act on any projected fund deficits as part of the midyear review.

Section 17. Adjustments for Revenue Offset Programs and Services.

17.1. The City Manager is authorized to adjust revenue and expenditure budgets in special revenue funds based on actual revenues collected to provide appropriation authority for operating costs associated with delivering the service. If there are forecasted budget deficits in the future fiscal years, the City Manager is authorized to commit non-mandated General Fund revenues and positive net year-end results to future budget development reserves.

17.2. The City Manager is authorized to make the following adjustments to Department Operating Budgets or fund balance:

(A) Adjust Fire Department revenue and expenditure budgets based on actual revenues received for Department strike-team services provided throughout California.

(B) Adjust operating department revenue and expenditure budgets based on actual revenues received for providing reimbursable services to the Golden 1 Center as outlined in the City's agreement to provide services.

(C) Adjust the revenue budget for the Sacramento Police Department's Secondary Employment Program to reflect actual revenues received and adjust the expenditure budget by a like amount for providing reimbursable services as outlined in the City's Secondary Employment Agreement.

(D) Adjust the revenue and expenditure budgets for facility maintenance and repair services provided to outside agencies and entities (15004521-338020), for private property concrete maintenance and sidewalk repairs (15001641-343010), and private property hollow sidewalk repairs (15001191) to reflect actual revenues received for these services.

(E) Increase the revenue (Account 391320) and fleet-replacement expenditure (Account 474210) budgets in the Fleet Fund (Fund 6501) based on departmental fleet purchasing changes (additional or early replacement) approved by the Council during the fiscal year and upon completion of audited financial statements to allow the continued purchasing of prior-year-funded replacement vehicles.

(F) Transfer excess parking meter revenue from the General Fund (Fund 1001) to cover eligible costs that are incurred in the Parking Fund (Fund 6004) if the full costs of the current fiscal year operations for parking meters has been recovered and the department has positive net year-end results.

(G) The Rental Housing Inspection Program Fees are established to recover the costs of the program. If the full cost of the current-year operations for that program have been recovered, then excess revenues for the program will be committed to fund a reserve equal to one year's revenue budget for the program.

If these operations do not achieve the budgeted revenues or if program costs exceed the program budget, then resources must be transferred from the commitment of fund balance for the Rental Housing Inspection Program to cover the shortfall.

(H) Increase the revenue and expenditure budgets in the Garcia Bend Park (L19703600) CIP based on the actual revenues received from increased boat launch ramp fees at Garcia Bend Park, provided that the Department has positive net revenues after all Parking Services Division costs related to the Garcia Bend launch ramp are paid.

(I) Adjust the Police Department revenue and expenditure budgets based on actual revenues received for mutual aid provided to other jurisdictions.

(J) Establish Department of Utilities revenue and expenditure budgets for any projects that result from an existing operations and maintenance agreements for facilities maintained by the City, but owned or co-owned with an outside agency for less than $250,000 in the Water Grant Reimbursement Fund (Fund 6205), the Wastewater Grant Reimbursement Fund (Fund 6206), and the Storm Drainage Grant Fund (Fund 6211) for an agency's share and to adjust revenue and expense budget based on actuals for project closure.

(K) Adjust the revenue and expenditure budgets for the SB 720 Red Light Camera Fund (Fund 2040) based on actual citation revenues collected.

(L) Adjust the revenue and expenditure budgets in Animal Care Services Capital Campaign Fund (Fund 3705) based on actual revenues donated.

17.3. The City Manager is authorized to make the following adjustments between Department operating budgets and CIPs or MYOPs:

(A) Adjust the revenue budget for the City Attorney's Office and the expenditure budget in the Justice for Neighbors (JFN) (I03000100) MYOP based on the actual fees, penalties, and other revenues collected from third parties for Public Nuisance, Social Nuisance, and JFN actions brought by the City Attorney.

(B) Adjust the Community Development Department operating budget for spay/neuter and unaltered pet-licensing revenue accounts (Account 341380 [Program Code 13006] and 351020) and increase the Animal Care Low Income Spay/Neuter Program (I13000600) MYOP expenditure budget in the General Fund (Fund 1001) to reflect 50% of the penalty fees and 50% of unaltered pet-licensing fees collected in accordance with Sacramento City Code section 9.44.215.D.

(C) Adjust the revenue budget for the Convention and Cultural Services Department franchise fee to reflect actual revenues received and increase the expenditure budget by a like amount in the Old Sacramento Service Courts & Support Facilities (M17700000) CIP.

(D) Adjust the Convention and Cultural Services revenue budget for Memorial Auditorium Facility Fee revenues and the Memorial Auditorium Improvements (M17101000) CIP expenditure budget based on actual fees collected, less any operating costs associated with delivering this service.

(E) Adjust the Convention and Cultural Services revenue budget for SAFE Credit Union Performing Arts Center Facility Fee revenues and the Performing Arts Center Improvements (M17101800) CIP expenditure budget based on the actual fees collected, less any operating costs associated with delivering this service.

(F) Adjust the Public Works Department revenue budget to reflect actual revenues received and the Sacramento Valley Station Operations and Management (I15001000) MYOP expenditure budget by a like amount.

(G) Increase the Public Works Department revenue and expenditure budgets for launch-ramp activities to reflect actual revenues received and transfer any resulting year-end savings for these activities to the Harbor Dredging (M17500000) CIP if the Department has positive net year-end results.

(H) Adjust the Public Works Department revenue budget and the expenditure budget in the Shared-Rideable Implementation (K15195100) CIP based on the actual revenues received from the Shared-Rideable permit fees, except for the portion of the fee assessed to offset parking-meter-revenue loss.

(I) Adjust the Public Works Department revenue budget (15001021) and the expenditure budget in the Tree Planting and Replacement (R15188500) CIP based on actual revenues received in the Tree Planting and Replacement Fund (Fund 2035).

(J) Adjust the Youth, Parks, and Community Enrichment Department revenue budget for recreation-program fees and increase the expenditure budget in the Recreation Facility Improvement (L19800200) CIP if the full cost of the current fiscal-year operations for this CIP have been recovered and the Department has positive net year-end results.

(K) Adjust appropriations made in the Approved Budget for fleet replacements from amounts budgeted for updated fleet-replacement costs less than $250,000 by department and by fund and transfer expenditure budgets from department operating budgets to the Fleet Acquisitions (I06000999) MYOP if the department is projecting expenditure savings in excess of the transfer.

(L) Increase the transfer from the Community Center Fund (Fund 6010) to the General Fund (Funds 1001/2401) to offset the annual budget provided for in Schedule 9 for the Powerhouse Science Center (E18000400) EFP as authorized by Council through December 2048, if Transient Occupancy Tax revenues exceed budget by an amount up to $600,000 at year-end and if the Community Center Fund has positive year-end available fund balance.

(M) Increase the Youth, Parks, and Community Enrichment Department revenue budget for the all-weather sport field facility fees received and increase the expenditure budget in the Granite All Weather Field (L19806000) CIP, provided that the Department has positive net year-end General Fund (Funds 1001/2401) results.

(N) Adjust the Transportation CIP budget to meet the City's SB 1 Maintenance of Effort (MOE) requirements.

(O) Adjust Community Development Department's revenue budget for the Housing Trust and Housing Impact administrative fees to reflect actual revenues received and increase the expenditure budget by a like amount in the General Plan Update (I22000000) MYOP.

17.4. The City Manager is authorized to make the following adjustments to CIPs and MYOPs:

(A) Adjust the revenue and expenditure budgets in the Old Sacramento Service Courts (M17700000), Old Sacramento District Improvements (M17700100), and the Joe's Crab Shack Repairs and Maintenance (B18119000) CIPs based on actual rent proceeds available after payment of all fees to the State of California and funding of annual required maintenance costs.

(B) Adjust revenue and expenditure budgets in the Energy Reinvestment Program (C13001900) CIP to reflect actual energy rebates and incentives received.

17.5. The City Manager is authorized to implement the following fiscal transactions as needed to properly manage and account for the City's cannabis revenues and expenditures:

(A) Adjust the Citywide revenue budgets for all Business Operations Taxes relative to Cannabis activities based on actual revenues received and increase the expenditure budget in the Cannabis Policy and Enforcement (I06420000) MYOP as necessary to cover costs.

(B) Adjust the revenue budget for the City Manager's Office of Cannabis Management operations (02001101) to reflect actual revenues received and increase or decrease the expenditure budget in the operating budget by a like amount. At year-end excess resources must be transferred to I06420000 to offset the cost of enforcement. If there are inadequate revenues available, resources must be transferred from I06420000 to cover the actual operating costs incurred in 02001101.

(C) Establish or increase the revenue budget(s) for fines and administrative penalties collected in accordance with Sacramento City Code section 8.132, relating to the cultivation of cannabis, in the department where collected and increase the expenditure budget in I06420000 to support enforcement activities based on actual revenues received.

(D) Adjust the revenue budget for Housing and Dangerous Building fines, fees, and penalties collected by the Community Development Department and the expenditure budget in I06420000 at year-end based on actual revenues received.

(E) Transfer expenditure budgets between I06420000 and the Cannabis Opportunity, Reinvestment and Equity (CORE) (I02420000) MYOP to support CORE program operations.

(F) Transfer expenditure budgets between I06420000 and the Youth Cannabis Outreach & Education program (I06420500) MYOP to support prevention workload in the Office of Youth Development.

17.6. The City Manager is authorized to implement the following fiscal transactions as needed to properly manage and account for the City's efforts toward reducing homelessness:

(A) Adjust the revenue and expenditure budgets to reflect actual contributions received from external partners in the Homeless Housing Initiatives (I23001000) MYOP to support homeless-services programs.

(B) Each fiscal year, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Department of Community Response Office of the Director (23001011) on June 30 must be transferred to the Homeless Housing Initiatives (I23001000) MYOP if the Department has positive net year-end results.

(C) Each fiscal year, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Office of Community Outreach (23001021) on June 30 must be transferred to the Community Response (I23000100) MYOP if the Department has positive net year-end results.

(D) Each fiscal year, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Office of Homeless Services (23001031) on June 30 must be transferred to the Homeless Housing Initiatives (I23001000) MYOP if the Department has positive net year-end results.

(E) Each fiscal year, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Office of Violence Prevention (11001491) on June 30 must be transferred to the Gang Prevention and Intervention (I11003000) MYOP if the Department has positive net year-end results.

17.7. The City Manager is authorized to implement any necessary financial transactions for the administration of revolving loan fund programs authorized by the Council.

17.8. The City Manager is authorized to use Emergency Medical Services Revenue Recovery funds (Intergovernmental Transfer - Ground Emergency Medical Transport and Public Provider – Ground Emergency Medical Transport) to cover overages from the Single Role program and related equipment and vehicles as necessary.

Section 18. Year-End Process and Carryover Authority.

18.1. Each fiscal year, all purchase-order commitments outstanding on June 30, and associated appropriations, are hereby continued.

18.2. If there is not a budgetary surplus in the General Fund (Funds 1001/2401) at year-end, the City Manager shall suspend the General Fund transfers and carryovers authorized in this section. If there is a budgetary surplus in the General Fund and there are forecasted budget deficits in the future fiscal years, the City Manager is authorized to commit non-mandated General Fund revenues and positive net year-end results to future budget development reserves.

18.3. Each fiscal year, unobligated appropriations in existence on June 30 for the Council operations budget will be carried over to the next fiscal year.

18.4. Each fiscal year, unobligated General Fund appropriations in existence in the Arts Stabilization budget (80001065) on June 30 must be transferred to the Cultural and Economic Vitality (I17001000) MYOP if the department has positive net year-end General Fund results.

18.5. Each fiscal year, revenues in excess of budget in Building Inspection, Building Plan Check, Customer Service/Permit Counter, and Planning Operations areas of the Community Development Department must be transferred to the Development Stabilization Contingency Reserve (DSCR), consistent with the adopted DSCR policy, if the Department has positive net year-end results.

If these operations do not achieve the budgeted revenues or if program costs exceed the program budget, then resources must be transferred from the DSCR to these areas of the Community Development Department to cover the shortfall.

18.6. Each fiscal year, unobligated General Fund appropriations in existence in the Human Resources Department on June 30 must be transferred to the Training and Outreach (I08000300) MYOP if the Department has positive net year-end General Fund results.

18.7. Each fiscal year, unobligated net appropriations in existence on June 30 in the Information Technology (IT) Department operations General Fund budget and the citywide IT budget in Citywide and Community Support must be transferred to the IT Critical Infrastructure (A07000700) CIP to create a funding mechanism for future citywide technology initiatives, which the City Manager will review annually.

18.8. Each fiscal year, unobligated appropriations in the City's California Public Employees' Retirement System budget account(s) (413170/413172) that are not required to balance the budget must be transferred to the City's other post-employment benefit trust.

18.9. Each fiscal year, if the START Fund (Fund 2501) has a deficit, unobligated General Fund (Funds 1001/2401) appropriations in existence in the Youth, Parks, and Community Enrichment Department on June 30 must be transferred to Fund 2501 to cover any deficit associated with the general- and auto-liability insurance premiums if the Department has positive net year-end General Fund results.

18.10. Each fiscal year, the Fleet Acquisitions (I06000999) MYOP will be reviewed, and excess funds will be returned to the fund of origin.

18.11. Each fiscal year, unobligated net appropriations in existence on June 30 in the Public Works Department (15005861) must be transferred to the Commercial Waste Compliance (I15220000) MYOP.

18.12. Each fiscal year, any unspent Measure U Fund (Fund 2401) appropriations in the Youth, Parks, and Community Enrichment Department on June 30 must be transferred to the Measure U Park Improvements (L19706000), Citywide Pool Assess/Repair (L19706500), or Recreation Facility Improvements (L19800200) CIPs until the backlog of deferred maintenance, for existing projects within the programs, are completed.

18.13. The City Manager is authorized to make all necessary budgetary adjustments to account for the interfund Loan from the Risk Fund (Fund 6502) to the General Fund (Fund 1001) related to the agreement with the City and the Natomas Basin Conservancy Loan.

18.14. Each fiscal year, transfer up to $500,000 of available operating grant resources to the Public Safety Capital Improvement Program (F11101000) for specialty vehicle and equipment purchases.

18.15. Each fiscal year, any unspent Measure U Fund (Fund 2401) appropriations in the Diversity, Outreach and Recruitment (DOR) program on June 30 must be transferred to the Fire – Diversity, Outreach and Recruitment Program (I12000200) MYOP as long as any Fire Department year-end deficits can be covered with available year-end General Fund (Funds 1001/2401) budgetary surplus.

18.16 Each fiscal year, a portion of unspent appropriations in the YPCE Youth Program Scholarship MYOP (I19143000) on June 30 may be transferred to the Measure U Park Improvements (L19706000), to be used to address the backlog of deferred maintenance for sports fields.

18.17 The City Manager or their designee is authorized to make all necessary budgetary and accounting adjustments related to the Zero-dollar Rate Program (I21002600) to the various impact fees affected by the Reduced Residential Development Impact Fees for Affordable Dwelling Units Program.

Section 19. Year-End Reporting.

19.1. Each fiscal year, after any adjustments specifically provided for in other sections of this resolution, all appropriations in the Operating Budget that remain unspent and unencumbered (unobligated) on June 30 will revert to the available fund balances of the respective funds. Any budgetary surplus in the General Fund (Funds 1001/2401), determined as part of the fiscal year-end close process, will be reported in the ACFR as Assigned for Next Year's Budget, Unassigned, or as specifically directed below or in a subsequent resolution.

19.2. All unrealized investment gains determined as part of the fiscal year-end close process will be reported in the ACFR as Assigned for Unrealized Investment Gains, as those gains are not available for appropriation.

Section 20. Miscellaneous Controls and Considerations.

20.1. Expenditures by fund at the department level must not exceed the Operating Budget as amended by any subsequent approval by the Council or the City Manager in accordance with this resolution.

20.2. Subject to the City Manager's approval, projected fund deficiencies in any department must be corrected as follows in accordance with the sections of this resolution governing transfers and appropriations by reducing expenditures in the department (e.g., restricting purchase orders, freezing vacant positions) or by an appropriation transfer from Administrative Contingency or available fund balance, or both, subject to the provisions of section 5.

20.3. The City Manager is authorized to eliminate funds as required for proper accounting and fiscal management when the purpose of a fund has expired, and its fund balance has been expended.

20.4. In all staff reports that come before the Council, net budgetary impacts on all funds, including indirect impacts, must be stated clearly and concisely so that the Council has a full understanding of the financial consideration and impacts of its decisions.

20.5. The City Manager shall begin using an equity lens in the review of all budgetary recommendations to Council including the annual budget, midyear budget and staff reports as soon as practical after development of a shared definition of equity in coordination with the community, development of associated outcomes and measures and Council's creation and adoption of an Equity Resolution.

BUDGET CHANGES

Operating Budget Adjustments

Department	Fund Name (Number)	Revenue/ Offset Adjustment ($ in 000s)	Expenditure Adjustment ($ in 000s)	Description
City Attorney	General (1001)	-	368,029	One-time restoration of one position (1.0 FTE Assistant City Attorney) in the City Attorney's Office.
City Attorney	General (1001)	-	76,253	One-time removal of an add/delete. A 1.0 FTE Deputy City Attorney I will return back to a 1.0 FTE Senior Deputy City Attorney in the Community Advocacy & Public Safety division.
City Manager's Office	General (1001)/Measure U (2401)	205,300	(5,721,231)	Delete 32 positions (10.00 FTE Administrative Analyst, 1.00 FTE Administrative Technician, 1.00 FTE Assistant Director, 1.00 FTE City Housing Manager, 1.00 FTE Community Engagement Manager, 8.00 FTE Development Project Manager, 3.00 FTE Economic Development Manager, 1.00 FTE Neighborhood Services Area Manager, 1.00 FTE Program Specialist, and 5.00 FTE Senior Development Project Manager) and corresponding services and supplies as part of a reorganization to move the Office of Innovation Economic Development to the new Economic Development department.
Citywide	General (1001)	-	(1,452,690)	One-time reduction to Economic Uncertainty Reserve Contribution.
Citywide	General (1001)	-	441,000	Technical adjustments to correctly allocate Information Technology's operating and CIP funds.
Citywide	General (1001)/Measure U (2401)	(1,169,989)	1,169,989	Increase Labor Negotiations placeholder for Local 522 and offset with FY2024/25 Year-End results and fund balance.
Community Development	General (1001)	(50,000)	-	Realign Home Occupation Permit revenues budget between the Revenue Division in the Finance Department and Planning Division in the Community Development Department.
Economic Development	General (1001)/Measure U (2401)	(205,300)	5,721,231	Add 32 positions (10.00 FTE Administrative Analyst, 1.00 FTE Administrative Technician, 1.00 FTE Assistant Director, 1.00 FTE City Housing Manager, 1.00 FTE Community Engagement Manager, 8.00 FTE Development Project Manager, 3.00 FTE Economic Development Manager, 1.00 FTE Neighborhood Services Area Manager, 1.00 FTE Program Specialist, and 5.00 FTE Senior Development Project Manager) and corresponding services and supplies as part of a reorganization to move the Office of Innovation Economic Development to the new Economic Development department.
Finance	General (1001)	(43,600)	43,600	Delete one position (1.0 FTE Administrative Analyst) and add two positions (2.0 FTE Account Clerks). Increase Delinquency Recovery revenue to offset costs.
Finance	General (1001)	50,000	-	Realign Home Occupation Permit revenues budget between the Revenue division in the Finance department and Planning division in the Community Development department.

Operating Budget Adjustments (continued)

Department	Fund Name (Number)	Revenue/ Offset Adjustment ($ in 000s)	Expenditure Adjustment ($ in 000s)	Description
Fire	General (1001)	(212,999)	212,999	Add one position (1.0 FTE Firefighter) and offset with Ground Emergency Medical Transport fees.
Fire	General (1001)	-	(3,460,373)	Technical adjustment to correctly allocate Fire's operating and CIP funds.
Information Technology	General (1001)	(217,360)	210,123	Delete one position (1.0 FTE Systems Engineer) and add one position (1.0 FTE IT Support Specialist) and conduct associated
Office of Public Safety Accountability (OPSA)	Measure U (2401)	-	(227,483)	Freeze one position (1.0 FTE Director of Public Safety) and use labor savings to create a new project for OPSA investigations
Public Works	General (1001)	-	(556,036)	Freeze seven positions (7.0 FTE Parking Enforcement Officers).
Public Works	General (1001)	(1,000,000)	996,643	Increase parking meter revenue budget to align with projections, add corresponding services and supplies and offset three positions (1.0 FTE Administrative Analyst, 1.0 FTE Associate Planner and 1.0 Senior Planner) funded by the Gas Tax Fund or capital projects to meet SB1 maintenance of effort.
Public Works	General (1001)	261,099	(161,361)	Move revenue from Senate Bill 720, Safer Streets Act (Red Light Camera implementation) and associated expenses
Youth, Parks, and Community Enrichment	Measure U (2401)	-	(200,000)	One-time reduction to labor by offsetting the park maintenance work conducted in District 1 by YPCE staff with Sacramento Service CFD funds.
Youth, Parks, and Community Enrichment	Measure U (2401)	-	132,435	One-time restoration of three positions (1 at 1.0 FTE - Program Supervisor, 1 at 0.47 FTE - Recreation Aide) from Youth Employment
Youth, Parks, and Community Enrichment	Measure U (2401)	-	273,893	One-time restoration of four positions (2 at 1.0 FTE, 1 at 0.8 FTE and 1 at 0.6 FTE - Program Coordinator Older Adults) to support staffing the Hart Senior Center.
Youth, Parks, and Community Enrichment	Measure U (2401)	-	107,150	One-time restoration of two positions (1.0 FTE - Program Coordinator, and 0.46 FTE - Recreation Aide) in the Youth Employment Division. Restore reductions to Prime Time Teen, Young Leaders of Tomorrow, and Jr. Rec Aide programs.
Youth, Parks, and Community Enrichment	Measure U (2401)	-	567,428	One-time restoration of twenty-six positions (26 - 1.0 FTE Park Maintenance Worker) in the Park Maintenance Division.
Youth, Parks, and Community Enrichment	Measure U (2401)	-	117,520	One-time restoration of eight positions (2 at 0.25 FTE and 2 at 0.30 FTE - Senior Lifeguard and 4 at 0.35 FTE - Assistant Pool
Youth, Parks, and Community Enrichment	Measure U (2401)	(35,308)	499,728	One-time restoration to fifty-four positions (1 at 1.0 FTE - Aquatics Recreation Coordinator, 2 at 0.20 FTE and 4 at 0.25
Youth, Parks, and Community Enrichment	Measure U (2401)	-	(5,264)	Cost difference from reclassification of 1.0 FTE Chief Park Ranger as approved in the FY2024/25 Approved Budget.
All Depts (except Utilities)	General (1001)/Measure U (2401)	-	(689,206)	Due to timing, various labor adjustments (i.e. offsets, labor negotiations adjustments, labor system technical adjustments).
	Subtotal:	**$ (2,418,157)**	**$ (1,535,623)**	

Operating Budget Adjustments (continued)

Department	Fund Name (Number)	Revenue/ Offset Adjustment ($ in 000s)	Expenditure Adjustment ($ in 000s)	Description
City Manager's Office	Interdepartmental Service (1002)	-	(791)	Move cost plan costs associated with the Office of Emergency Management from City Manager's Office to Fire department due to a reorganization in FY2025/26.
City Manager's Office	Various Funds[1]	29,250	(3,433,077)	Delete 32 positions (10.00 FTE Administrative Analyst, 1.00 FTE Administrative Technician, 1.00 FTE Assistant Director, 1.00 FTE City Housing Manager, 1.00 FTE Community Engagement Manager, 8.00 FTE Development Project Manager, 3.00 FTE Economic Development Manager, 1.00 FTE Neighborhood Services Area Manager, 1.00 FTE Program Specialist, and 5.00 FTE Senior Development Project Manager) and corresponding services and supplies as part of a reorganization to move the Office of Innovation Economic Development to the new Economic Development department.
Community Development	Development Services Fund (2016)	(4,126,622)	-	Technical adjustment to correct revenues based on fund balance.
Economic Development	Various Funds[1]	(29,250)	3,433,077	Add 32 positions (10.00 FTE Administrative Analyst, 1.00 FTE Administrative Technician, 1.00 FTE Assistant Director, 1.00 FTE City Housing Manager, 1.00 FTE Community Engagement Manager, 8.00 FTE Development Project Manager, 3.00 FTE Economic Development Manager, 1.00 FTE Neighborhood Services Area Manager, 1.00 FTE Program Specialist, and 5.00 FTE Senior Development Project Manager) and corresponding services and supplies as part of a reorganization to move the Office of Innovation Economic Development to the new Economic Development department.
Fire	Interdepartmental Service (1002)	-	791	Move cost plan costs associated with the Office of Emergency Management from City Manager's Office to Fire department due to a reorganization in FY2025/26.
Information Technology	Parking Fund (6004)		155,048	Offset associated with add/delete in the Information Technology department.
Public Works	Red Light Camera (2040)	(261,099)	161,361	Move revenue from Senate Bill 720, Safer Streets Act (Red Light Camera implementation) and associated expenses from General Fund (1001) to Red light Camera Fund (2040).

City Attorney Positions	$444,282
TOTAL	**$4,142,630**

Budget Adjustments – Financing for Restorations

Restoration	Financing
Shift of HHAP-6 from FY28 to FY27	$1,325,904
Parking Enforcement Vacancies	$556,036
Park Maintenance Savings	$200,000
Freeze Community Ambassador Stipends	$108,000
Dept of Community Response Savings	$500,000
Reduced Economic Uncertainty Reserve Contribution*	$1,452.690
TOTAL	**$4,142,630**

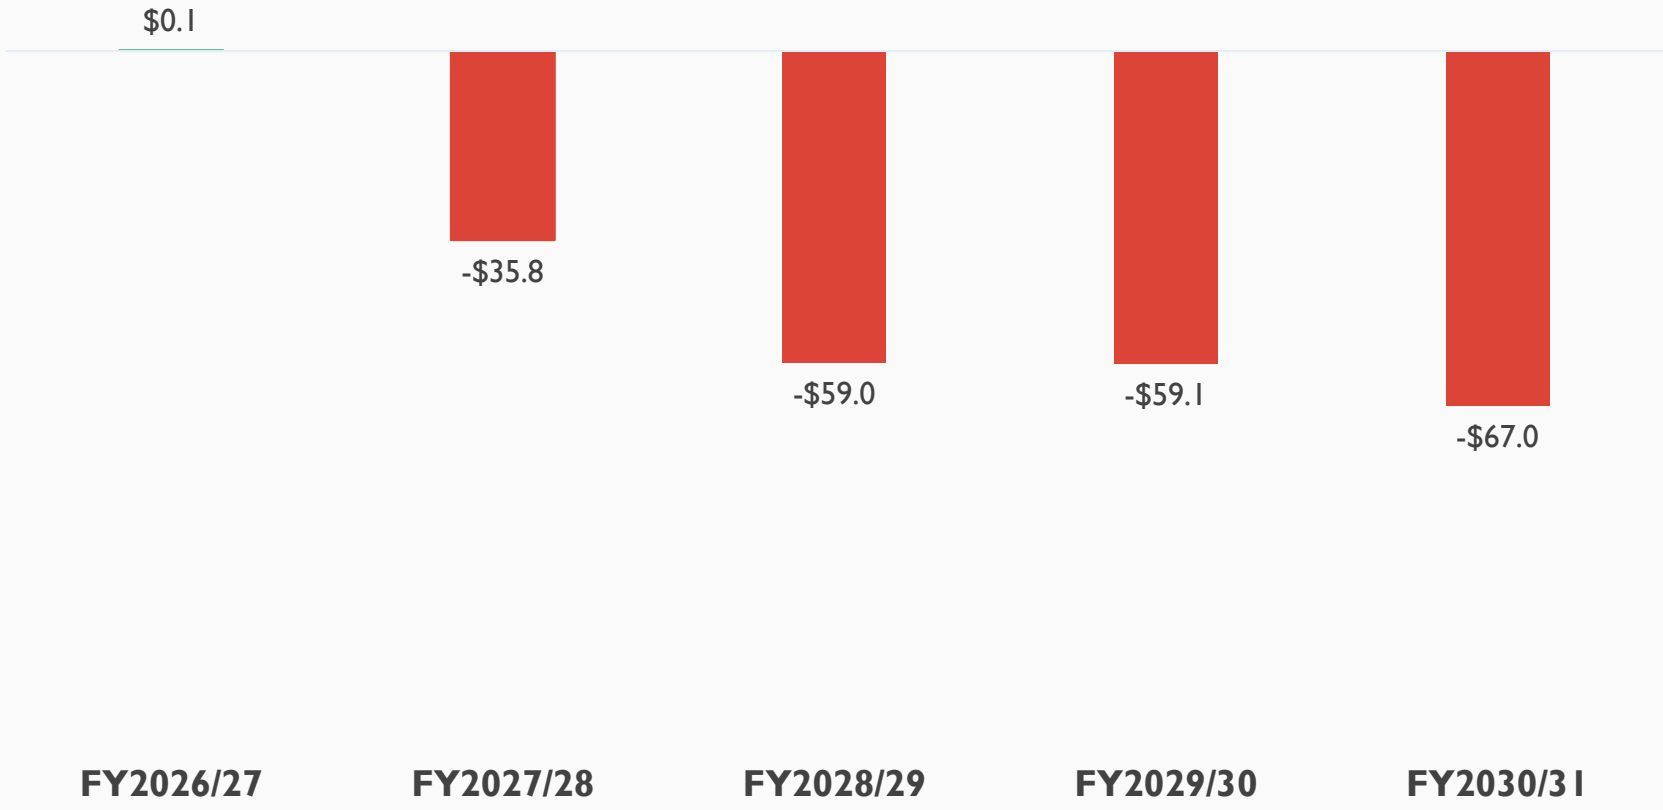
*The City Manager and Clerk to conduct a review of Commission meeting frequency and bring changes to Council. Any associated savings will offset the reduction in the Economic Uncertainty Reserve contribution.

Budget Adjustments - Technical Adjustments

The following technical adjustments are also being recommended to be included in the Approved Budget:

- Fire Contract
- Creation & move of positions into stand-alone Economic Development Department
- Position Add/Deletes
- Labor, offset, and other adjustments

5-Year Forecast Incorporating Council Direction & Technical Adjustments



Pending Factors

- Economic Uncertainty / Risk of Recession
- Future of HHAP program
- Long-term Liabilities

Budget Highlights

- Progress in solving structural deficit
- No sworn separations from the City
- Creation of standalone Economic Development Department
- Advancing homelessness response initiatives
- Continuing quick-build road safety program
- Maintaining aquatics and community center programming

Questions & Discussion
