Parking Restrictions on Sections of Gateway Oaks Drive

File ID: 2026-00875

Location: District 3

Recommendation: Adopt a **Resolution** regulating existing no parking zones on sections of Gateway Oaks Drive with posted no parking anytime restrictions.

Contact: Greg Lim, Operations General Supervisor, (916) 808-5275, glim@cityofsacramento.org;
Staci Kranitz, Parking Services Manager, (916) 808-5047, skranitz@cityofsacramento.org;
Department of Public Works

Presenter: None

Attachments:

- 1-Description/Analysis
- 2-Resolution
- 3-Exhibit A - Map

Description/Analysis

Issue Detail: Parking along the proposed sections of Gateway Oaks Drive (see Exhibit A) is currently prohibited and marked with a red curb, but vehicles continually violate the parking restrictions. Posting these locations with “No Parking Anytime” signage will make it clear to drivers that they are not allowed to park and help keep the locations clear.

Policy Considerations: The recommendations in the report are in accordance with City Code Section 10.36.020, which prohibits parking when signs are erected giving notice thereof, that no person shall stop, stand or park a vehicle at any time upon any of the streets described in resolutions duly adopted by city council. This authority by a local agency to regulate on-street parking is set forth in California Vehicle Code section 22507(a) which permits local authorities to prohibit or restrict the stopping, parking, or standing of vehicles on certain streets either by ordinance or resolution.

Economic Impacts: None.

Environmental Considerations: The current proposal involves parking restrictions. The proposal is

not a “project” in accordance with Section 15378 of the California Environmental Quality Act Guidelines. The implementation of these parking restrictions does not have potential for resulting in either direct or indirect physical changes in the environment. Therefore, as determined by the City’s Environmental Services Planning Manager, no environmental review is necessary.

Sustainability: This action supports the City of Sacramento’s sustainability goals to improve and optimize the transportation infrastructure.

Commission/Committee Action: None.

Rationale for Recommendation: Parking along the proposed sections of Gateway Oaks Drive (see Exhibit A) is currently prohibited. The curb along Gateway Oaks is painted red and prohibits on-street parking. Despite these locations being no parking areas, vehicles continually violate the parking restrictions. Posting these locations with “No Parking” signage will make it clear to drivers that they are not allowed to park and will help attempt to keep the locations clear.

Financial Considerations: The cost to implement the recommended parking regulation is estimated to be \$3,713. Sufficient funds are available in the Parking Services Division FY2025/26 operating budget (General Fund, Fund 1001).

Local Business Enterprise (LBE): Not applicable.

RESOLUTION NO. 2026-

Adopted by the Sacramento City Council

April 28, 2026

PROPOSED PARKING RESTRICTIONS ON SECTIONS OF GATEWAY OAKS DRIVE

BACKGROUND

- A. Parking along the proposed sections of Gateway Oaks Drive (see Exhibit A) is currently prohibited, and marked with a red curb, but vehicles continually violate the parking restrictions.
- B. Posting these locations with “No Parking” signage will make it clear to drivers that they are not allowed to park and will help attempt to keep the locations clear.
- C. There is sufficient funding within the Parking Services Division’s Fiscal Year (FY)2025/26 operating budget to implement the recommended parking regulations.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1.

The following street will be regulated with “No Parking Anytime” signage:

- Gateway Oaks Drive, both sides, from West El Camino Boulevard to 445 feet west of the north leg of Weald Way.

Exhibit A - Gateway Oaks Drive - Council District 3

Proposed Changes

 Install "No Parking Anytime" signs
