Supplemental Budget Information – Item 2

Question:
Provide an update on the scholarships offered to youth and seniors in response to services that were cut last year. What did we learn, did it work or not work and what support is needed from Council.

Response:
YPCE currently administers scholarship programs for youth and seniors. The Youth Program Scholarship Fund and Hart Trust Fund pass are designed to provide financial assistance to youth and seniors for programs and services. Services were not cut in FY26. YPCE added or increased fees to some youth and senior programs and increased facility rental rates in FY25. The scholarships allowed programs and facilities to remain accessible for all.

As part of the FY25 budget process and reduction strategies, YPCE implemented fee increases to some youth and senior programs. To ensure fee increases did not create barriers to participation in core service programs, YPCE restructured the Youth Sports Field Usage program to expand eligibility to youth-serving facilities and programs to create the YPCE Youth Program Scholarship Fund (YPSF). Since its implementation in FY25, YPCE has invested $450K in youth citywide through the YPSF.

The YPSF maintains a healthy fund balance as a selected recipient of the Sacramento Children's Fund. To utilize these scholarships, YPCE must maintain essential resources to continue delivering core programs for youth and seniors at community centers, Hart Senior Center, and pools citywide.

FY25 Key Successes:

- 4,473 youth qualified for scholarships for core programs awarding $196K
    - Community Centers programs: $126K
    - Expanded Learning and Sports programs: $9K
    - Aquatics programs: $61K
- $145K waived in community center rental fees for youth organizations
- $108K waived in athletic field rentals for youth sports organizations
- Increased enrollment in Summer Oasis program, with 965 participants, 48% of total enrollment, supported by the YPSF
- 748 participants, 26% of swim lesson participants supported by the YPSF
- Hart Fun Pass and Triple R scholarship issued a total of $86,580 in financial assistance to older adults, a 33% increase from FY24
    - $7K to offset wellness room membership costs in community centers
- YPCE maintained or increased the number of participants served in core service programs through scholarship opportunities

City of SACRAMENTO
Youth, Parks, & Community Enrichment

YOUTH PROGRAM SCHOLARSHIP FUND

The YPCE Youth Program Scholarship Fund (YPSF) offers scholarships for Youth, Parks, and Community Enrichment programs for Youth (ages 0-24) in households demonstrating financial need. Applicants who qualify receive a scholarship for the current calendar year toward registration and memberships fees for eligible City of Sacramento YPCE programs.

Eligible Programs

Aquatics
Swim Lessons
Junior Lifeguard Camps
Swim Teams

Community Centers
Kids' Night Out
Rec Explorer Camp (R.E.C.)
Teen Scene
Wellness Room Membership

Expanded Learning
Summer Oasis
Kids Camp

Youth Sports
Jr. NBA
NFL Flag Football
Skate Pass

How to qualify for a YPCE Youth Program Scholarship Fund

1. Create or verify you have an active City of Sacramento ActiveNet account.
2. Complete the YPSF Scholarship application on the following pages or online at http://www.cityofsacramento.gov/YPSF
3. Attach or upload required documentation to determine scholarship eligibility:
   - Submit a current Notice of Action Letter verifying the household's or applicant's enrollment in one of the following programs: WIC, CalFresh, CalWORKS, TANF, or MediCal
4. Submit your completed application and documentation online or send your completed application with documentation to YPSF@cityofsacramento.org
5. Within 21 days, a staff member will notify you of your households YPSF status and how to register for eligible YPCE programs.

Allow up to 21 days for application processing. Applications must be approved and processed, and applicants must be registered for the eligible program, prior to beginning the activity. Application approval does not guarantee registration in a program. Eligibility for scholarships must be established every year by meeting eligibility and verification requirements.

For more information visit www.cityofsacramento.gov/YPSF or contact: YPSF@cityofsacramento.org

Hart Senior Fun Pass

If you are 50+ and a resident of the City of Sacramento and are having trouble fitting recreation program fees into your budget...

...the Hart Senior Fun Pass is for you!

The Hart Senior Fun Pass is an income-based, fee-waiver supported by the Hart Trust Fund for Older Adults. Complete the application below and, if determined eligible, you will receive a $100 credit toward classes and programs offered by the City of Sacramento's Community Enrichment Division.

What fun opportunities await you?

Fitness, art, writing classes, computer instruction, day trips, camp in the Sierras, & much more!

To see all of our recreational offerings, check out our "Come Out & Play" catalog at
https://www.cityofsacramento.org/ParksandRec

How to qualify for a Hart Senior Fun Pass:

1. **Complete information below and send it to address indicated.**
   Please write your home address on the application. (We reserve the right to verify applicant's residency.)
2. **Wait 7-10 days for an email or letter from Hart Senior Center notifying you of your Senior Fun Pass status and how to use it to register for a recreation program.**

Community Center YPSF Programs

Summer Oasis

Community Centers, in partnership with Expanded Learning, offers an eight-week summer camp experience called Summer Oasis for youth and teens aged 6-17 at 10 Community Center and select park locations. In 2024, Summer Oasis was provided to participants at no cost. However, in 2025, we increased the fee to $115 per four-week session. This change led to an increase in enrollment from 1,854 to 2,016 participants. The Youth Program Scholarship Fund awarded full scholarships to 965 participants ($129,168 value) which covered approximately 48% of all participants.

Programs	2024 Fee	2025 Fee
Kids Camp and Teen Scene (4-week session)	$0.00	
Summer Oasis (4-week session)		$115.00
Wellness Rooms (year membership)	$0.00	$50.00

Wellness Room
Community Centers operates four Wellness Rooms at Oak Park, Pannell, George Sim, and South Natomas, each featuring cardio machines, exercise machines, and free weights. In 2024, memberships were provided at no cost. Starting in 2025, the cost for a Wellness Room Membership was $50 for the calendar year. The Hart Fun Pass awarded $7,605 to offset membership costs for 153 older adult participants; and the YPSF scholarship awarded $100 for youth Wellness Room memberships.

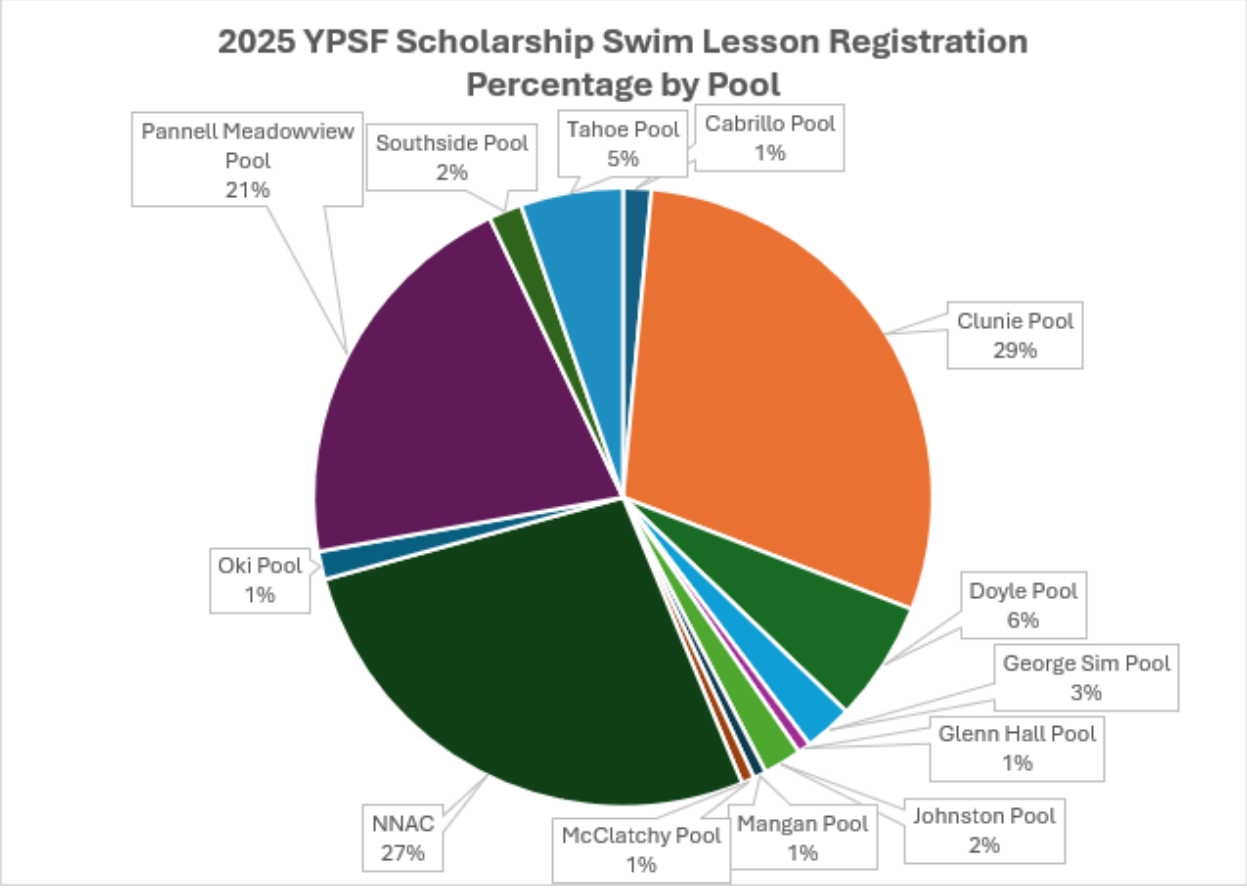
Aquatics Youth Programs

Programs	Summer 2024 Fee	Summer 2025 Fee
Swim Lessons per 6-lesson session	$69.00	$72.00
Swim Lessons per lesson	$11.50	$12.00
Jr Guard	$39.00	$79.00
Swim Team	$149.00	$149.00

Aquatic program registration remains strong even with slight increases in some programs. The Youth Program Scholarship Fund has helped increase participation and accessibility 806 participants, $61,765 in value, received free aquatics programs for the summer of 2025.

Swim Lessons

The Aquatics section provides equitable access to swim lessons to ensure learn-to-swim programming is available to learners of all ages, city-wide. Swim lesson programming was offered at all 13 pools during Summer 2025, and programming was offered in the Spring and Fall at Clunie Pool and NNAC. 2,884 registrants attended swim lesson programming in 2025. Swim lesson fees increased by $0.50 per class meeting, or $3 for the typical class set of six lessons. Despite a modest price increase, swim lesson registrations increased.



Junior Lifeguard Camps
Junior Lifeguard Camps provide youth ages 12-15 years old with a foundation in water rescue skills and help participants prepare for enrollment in an American Red Cross Lifeguard course. In 2025, Junior Lifeguard Camps were held during the summer at Clunie Pool, McClatchy Pool, Pannell Meadowview Pool, and NNAC. 82 youth participated in the Junior Lifeguarding program in 2025, close to the summer 2024 enrollment of 88 youth. In the summer of 2025 Junior Lifeguard Camps increased in prices from $39 to $79, but maintained an enrollment level close to the total of summer of 2024.

Swim Team
The Aquatics section offers summer season recreational swim teams that focus on swim training and pre-competitive instruction. The City offers swim teams at Clunie Pool, Glenn Hall Pool, Pannell Meadowview Pool, and NNAC. Throughout the summer, participants are offered the opportunity to compete in swim meets at Pannell Meadowview Pool and NNAC. In Summer 2025, 347 swimmers participated in swim team programs, close to the summer 2024 enrollment of 354 swimmers. Of note, there was no price change for swim team between the summer of 2024 and summer of 2025.

Youth Program Scholarship Fund – Aquatics Totals
The YPCE Youth Program Scholarship Fund (YPSF) ensures youth ages 0-24 and families with financial need have access to quality aquatics programs throughout the City of Sacramento. Eligible Aquatics programs include Swim Lessons, Swim Team, and Junior Lifeguard Camps. A total of $61,765 was awarded to 806 youth in aquatics programs.

Hart Trust Fund

The Ethel MacLeod Hart Trust Fund provides funding for Older Service initiatives across the city and currently funds two scholarship opportunities: the Hart Fun Pass and the Triple R scholarships. The Hart Fun Pass provides $100 per year for seniors experiencing financial hardship that can be used towards any city program. The Triple R scholarship provides financial assistance on a sliding scale for the city's licensed adult day program supporting residents with dementia. Both scholarships are funded solely by the Hart Trust Fund and receives no General Fund support.

Hart Fun Pass Comparison – FY24 to Current

Program Area	FY24	FY25
HART	$1,378.50	$1,093.00
AQUATICS	$3,041.00	$5,575.00
TRIPS	$10,571.00	$13,709.00
CC	$ 2,245.00	$9,279.00
AL	$122.00	$72.00
Total	**$17,357.50**	**$29,728.00**

Triple R Sliding Scale Comparison – FY24 to Current

Site	FY24 Amount	FY25 Amount
Club Refresh	$13,010.00	$16,975.00
Midtown	$15,705.00	$19,454.00
SLP	$18,980.00	$20,423.00
Total	**$47,695.00**	**$56,852.00**

The Older Adult scholarship programs saw an increase in usage, specifically in aquatics, trips and tours, and community center activities and wellness rooms memberships due to the small fee increase implemented in FY24.

Supplemental Budget Information – Item 3

Question: Update SBI 1 showing the latest vacant General Fund positions with position costs and the number of days vacant.

Response: As of March 3, 2026, there are a total of 652.29 Full-Time Equivalent (FTE) General Fund and Measure U (GF) positions vacant. As some positions are less than 1 FTE, this 652.29 FTE is comprised of 1,133 vacant positions. Departments frequently leverage vacancy salary savings to offset overtime costs and maintain service levels, especially when critical roles go unfilled. Departments categorized vacant positions as follows:

- Funding a Non-Budgeted Position (NBP) – Position is funding a filled position.
- Recruitment (Posted) – Position is posted for recruitment, but interviews have not begun.
- Recruitment (Interviews and Beyond) – Position is either currently interviewing, or a candidate is already selected to fill the position.
- Reimbursable – Position is fully or partially funded by grants, multi-year operating project, capital improvement project, enterprise fund, or any other non-GF fund.
- Revenue Generating – Position is fully or partially cost neutral because they generate revenues Ex: parking enforcement, building inspectors, etc.
- Seasonal –Temp positions such as youth programs, aquatics, or other seasonal hires.
- Proposed Add/Delete: Position is included in the baseline FY27 budget modifications. Savings from the deleted position are used to fund additional positions.
- Proposed Reductions: Position is included for deletion in the baseline FY27 budget modifications. Savings from deleted position are savings to GF.

The summary chart below is based on department feedback.

Vacant GF Positions as of 03/03/26	FTEs
Total vacant positions	652.29
Less vacancies that are	
- Funding an NBP	67.50
- In recruitment	83.38
- Reimbursable	87.00
- Revenue generating	37.00
- Seasonal	84.29
- *Proposed Add/Delete*	40.55
- *Proposed Reductions*	*159.57*
Remaining Vacancies	**93.00**

Table 1 summarizes sum of total compensation for the remaining 93 vacant GF FTE sorted by department and position.

Table 2 summarizes sum of total compensation for all 652.29 vacant GF FTE, sorted by department, category, and position.

Table 3 lists number of days vacant and total compensation for each of the 1,133 vacant GF positions, sorted by category, department, and position.

Supplemental Budget Information – Item 4

Question:

Provide a list of the City's contracts.

Response:

Attached is a list of all City contracts that the City executed between January 1, 2021, and March 10, 2026. The information is sorted by the services provided under the contract.

Please note that where there have been contract amendments, there will be multiple rows for the contract, and the contract amount reflects the not-to-exceed amount of the contract after the amendment. There are also some items where staff are following up to pull data, and these fields will say 'information pending' and staff will update them. The department field is the department that entered the contract into the system and may not necessarily be the department that utilized the services (for example all janitorial services contracts are entered by Finance).

City Contracts By Service - January 1, 2021 Through March 10, 2026

Contract Date	Contract ID	Counterparty	Project / Services	Amount	Department
9/28/2023	2023-1336	BRIDGE Housing Corporation	AHSC Implementation and Cooperatilon Agreement	$ -	City Clerk

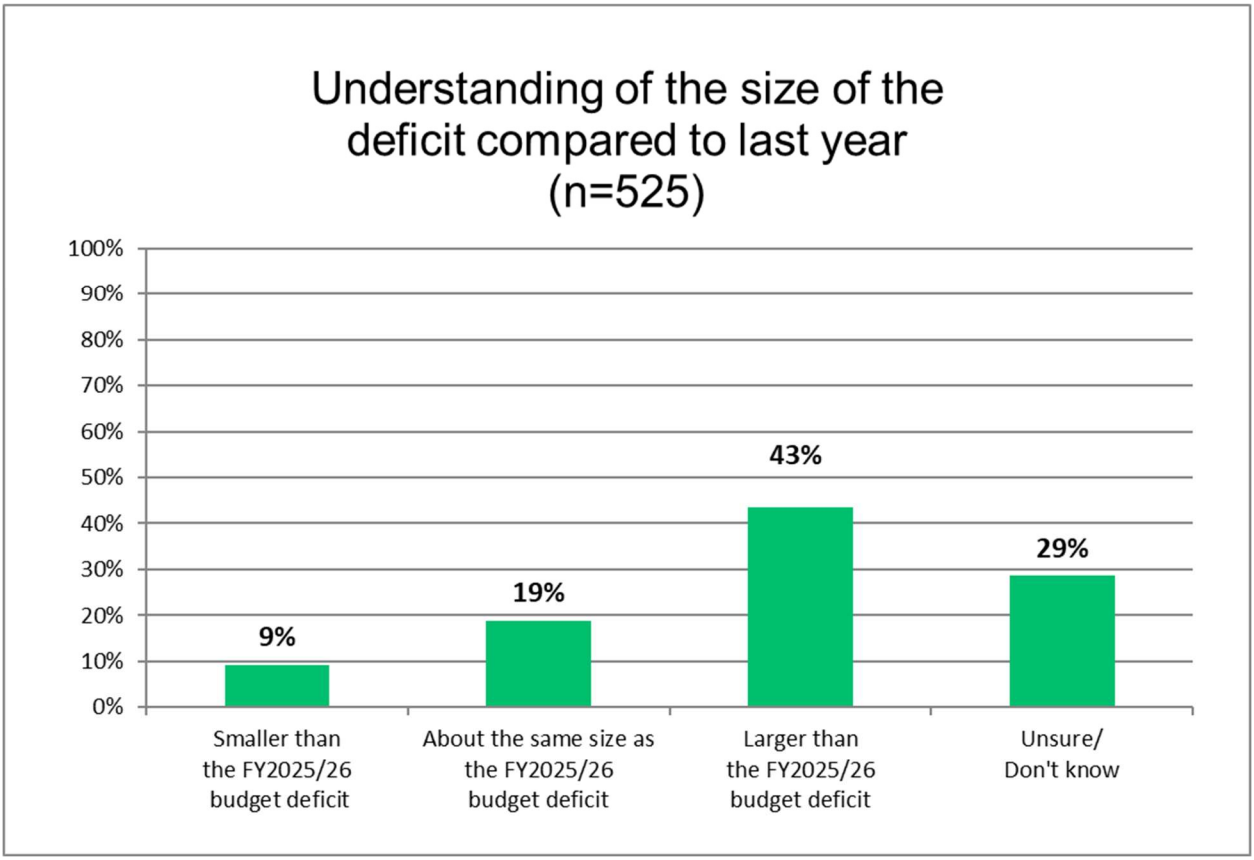
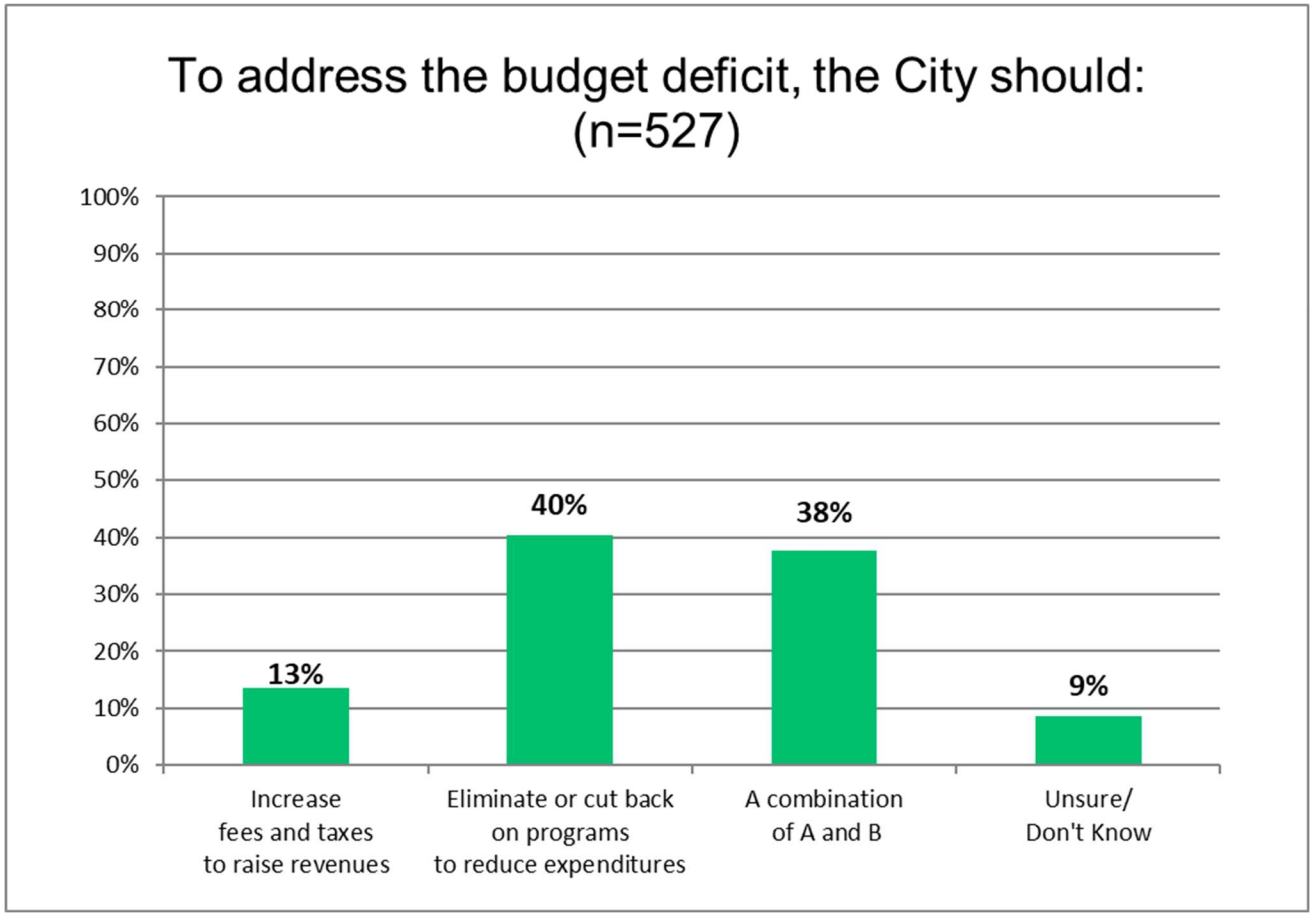
Supplemental Budget Information – Item 5



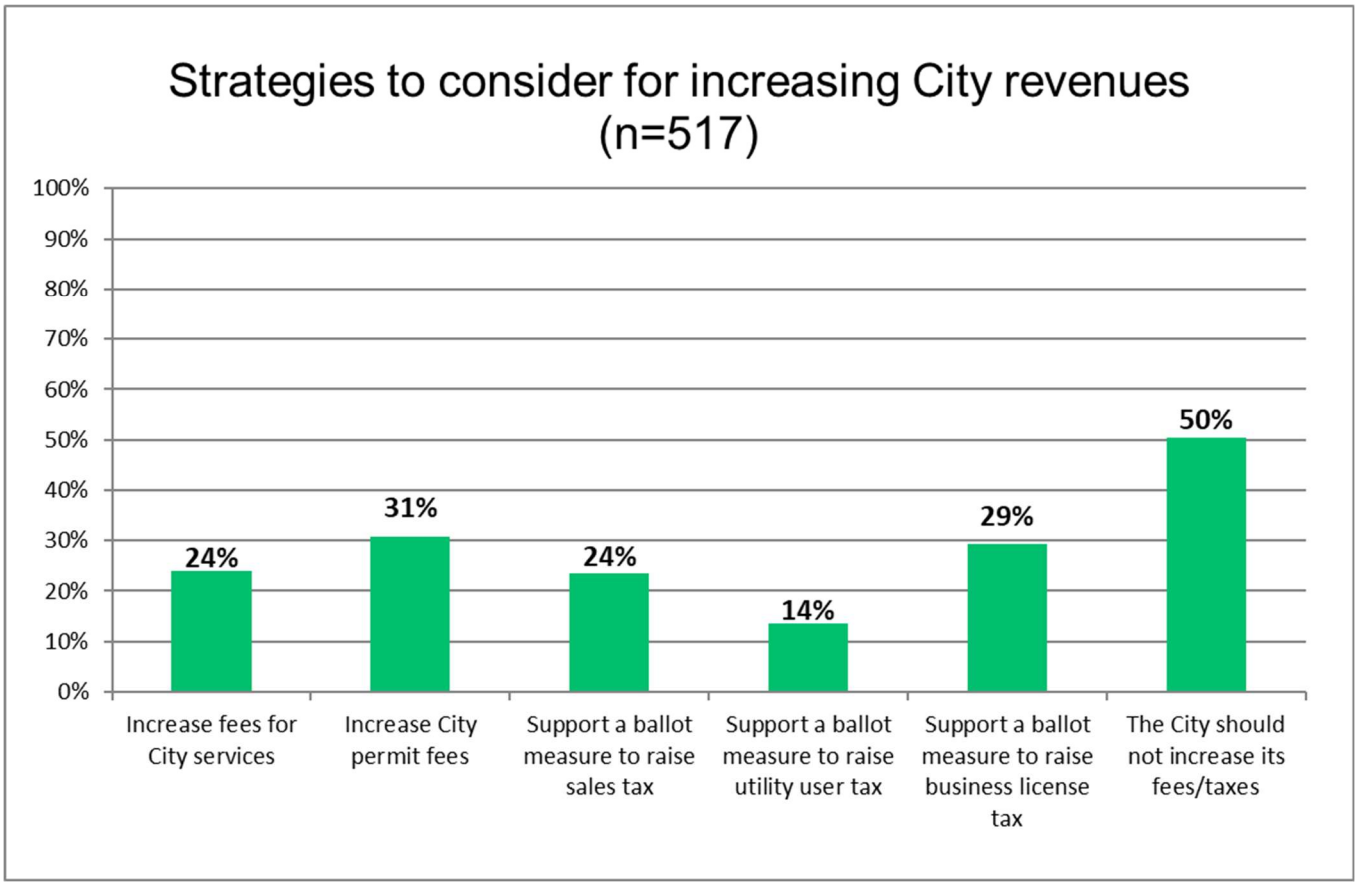
Question:

Results from the FY2026/27 Budget Survey.



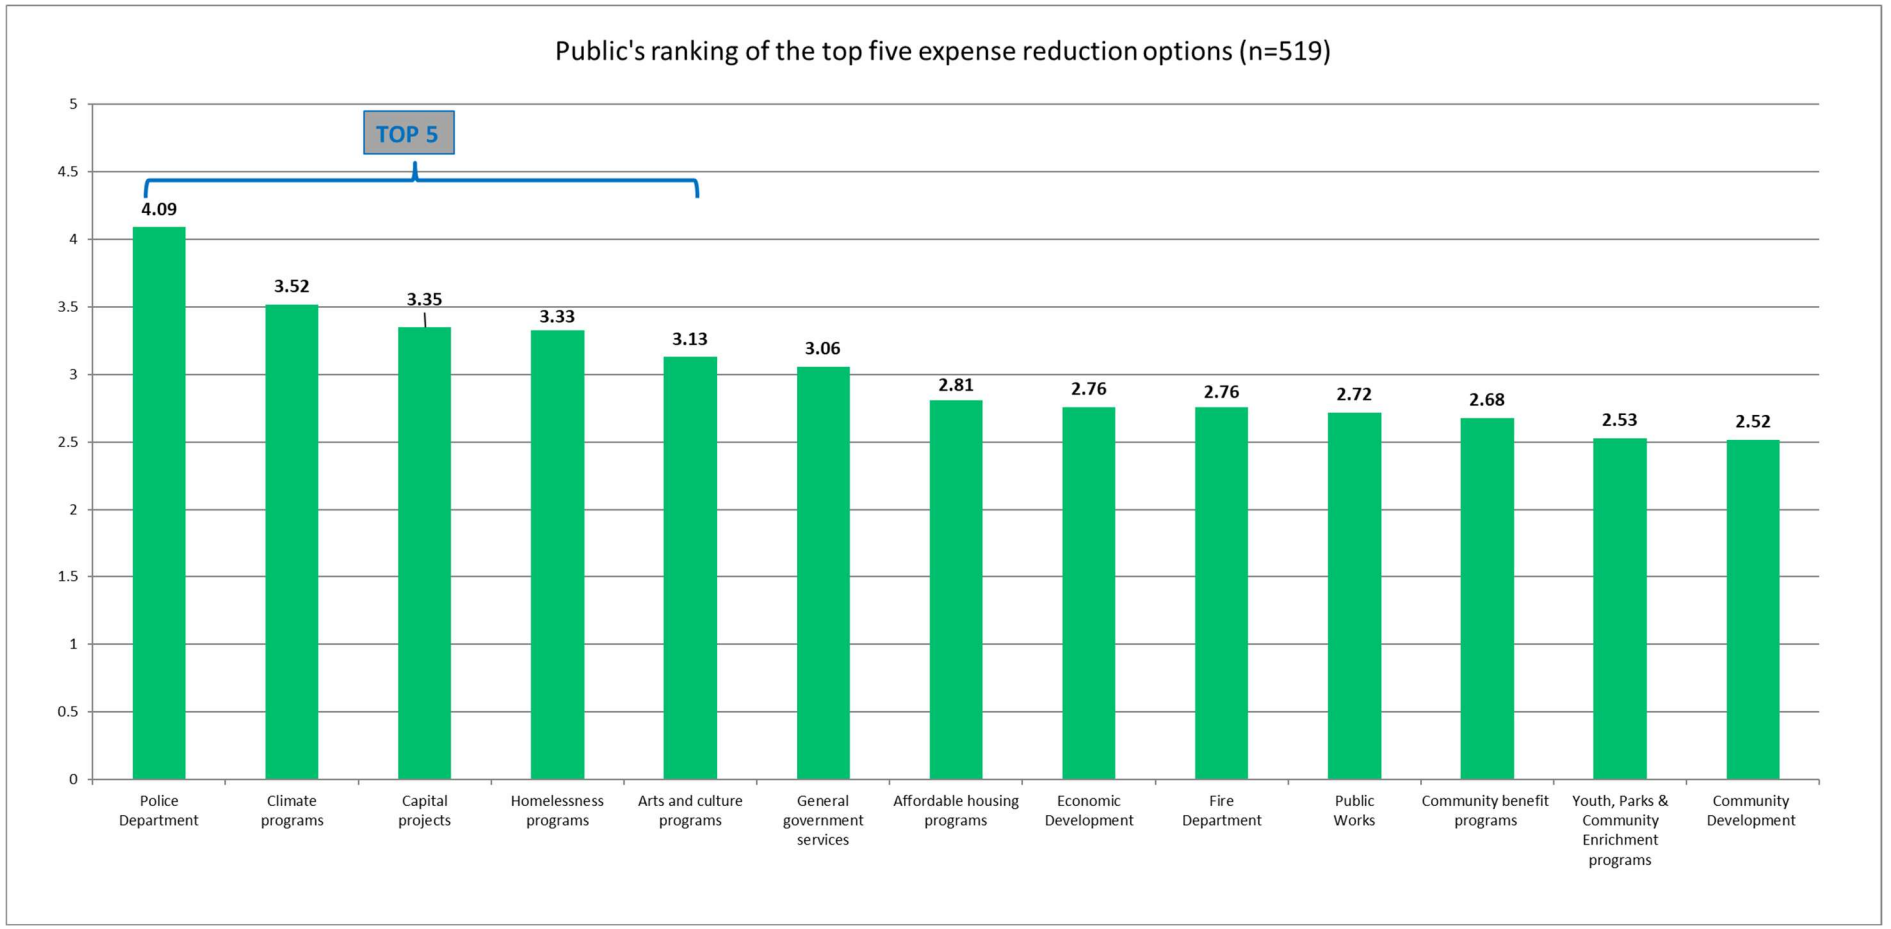
Response:

Fiscal Year 2026/27 Budget Community Survey Results

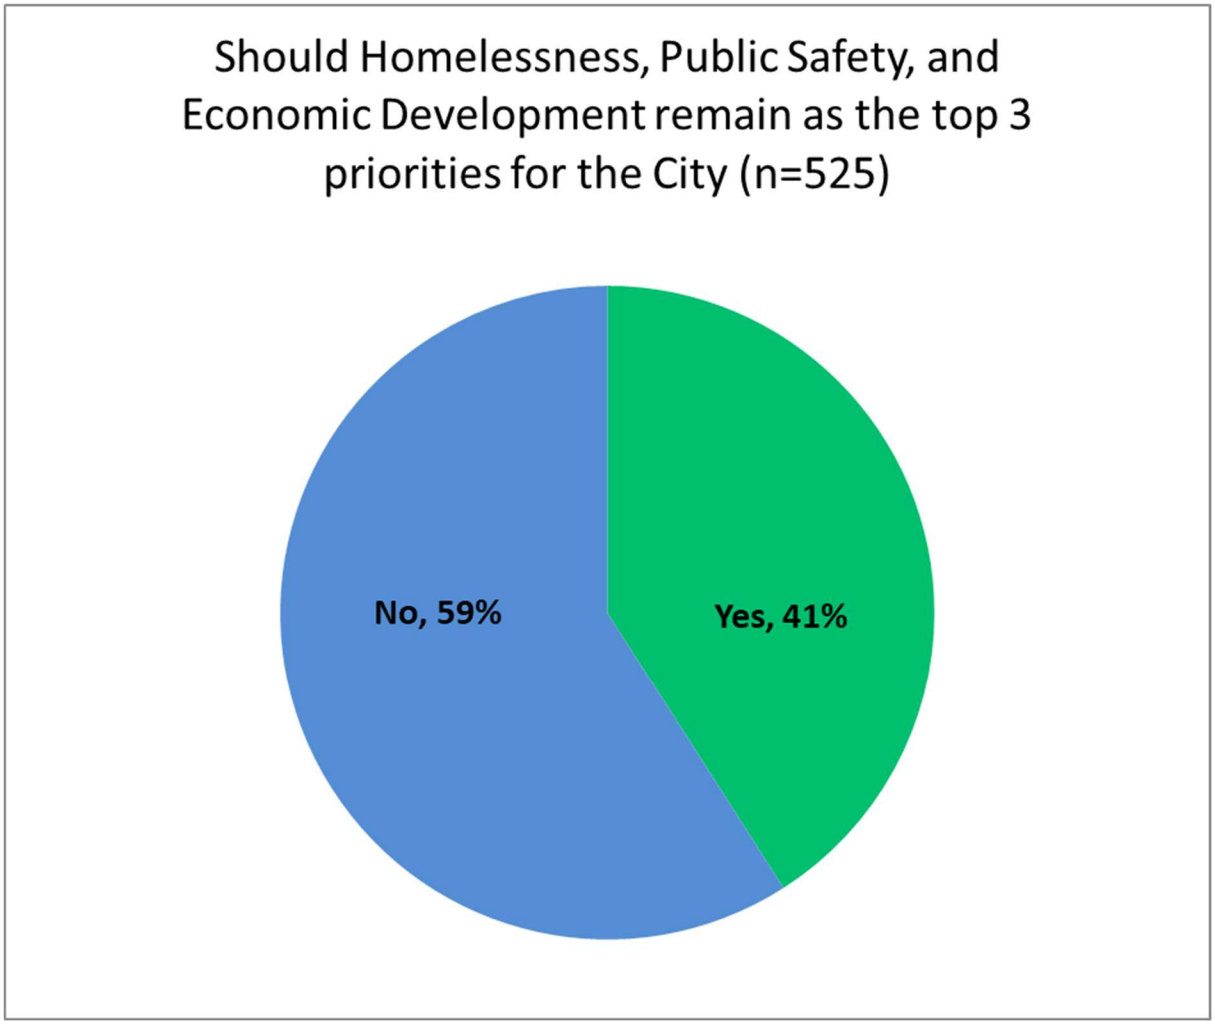


1) Last year, City staff forecasted that the City is facing a "structural budget deficit" with the rate of cost increases outpacing available City resources. The City closed a projected $62 million deficit to balance the Fiscal Year (FY) 2025/26 budget with a combination one-time and ongoing budget balancing strategies. As we approach budget development for Fiscal Year 2026/27, do you think the City's budget deficit will be:
   a) Smaller than the FY2025/26 budget deficit
   b) About the same size as the FY2025/26 budget deficit
   c) Larger than the FY2025/26 budget deficit
   d) Unsure / Don't know

2) To address the budget deficit, should the City:
   a) Increase fees and taxes to raise revenues
   b) Eliminate or cut back on programs to reduce expenditures
   c) A combination of A and B
   d) Unsure / Don't Know



3) To increase City revenues, what strategies should be considered? Please choose all that apply.
   a) Increase fees for City services
   b) Increase City permit fees
   c) Support a ballot measure to raise sales tax
   d) Support a ballot measure to raise utility user tax
   e) Support a ballot measure to raise business license tax
   f) The City should not increase its fees/taxes



4) Please indicate your level of support for reducing expenses in each of the following areas by selecting your top five choices.

   Select "Strongest Support for Expense Reductions" for the area in which you most support reducing expenses, "2nd Strongest Support for Expense Reductions" for your next choice, and so on.

   a) Affordable housing programs
   b) Arts and culture programs
   c) Capital projects (large new projects or infrastructure improvements)
   d) Climate programs
   e) Community benefit programs (such as free Sacramento Regional Transit rides for school-age children)
   f) Community Development (Animal Care, Code Enforcement and Planning)
   g) Economic Development
   h) Fire Department
   i) General government services (Information Technology, Human Resources, Finance, Clerk, Auditor, City Attorney)
   j) Homelessness programs
   k) Youth, Parks & Community Enrichment programs
   l) Police Department
   m) Public Works (Roads, public facilities and tree maintenance, parking)

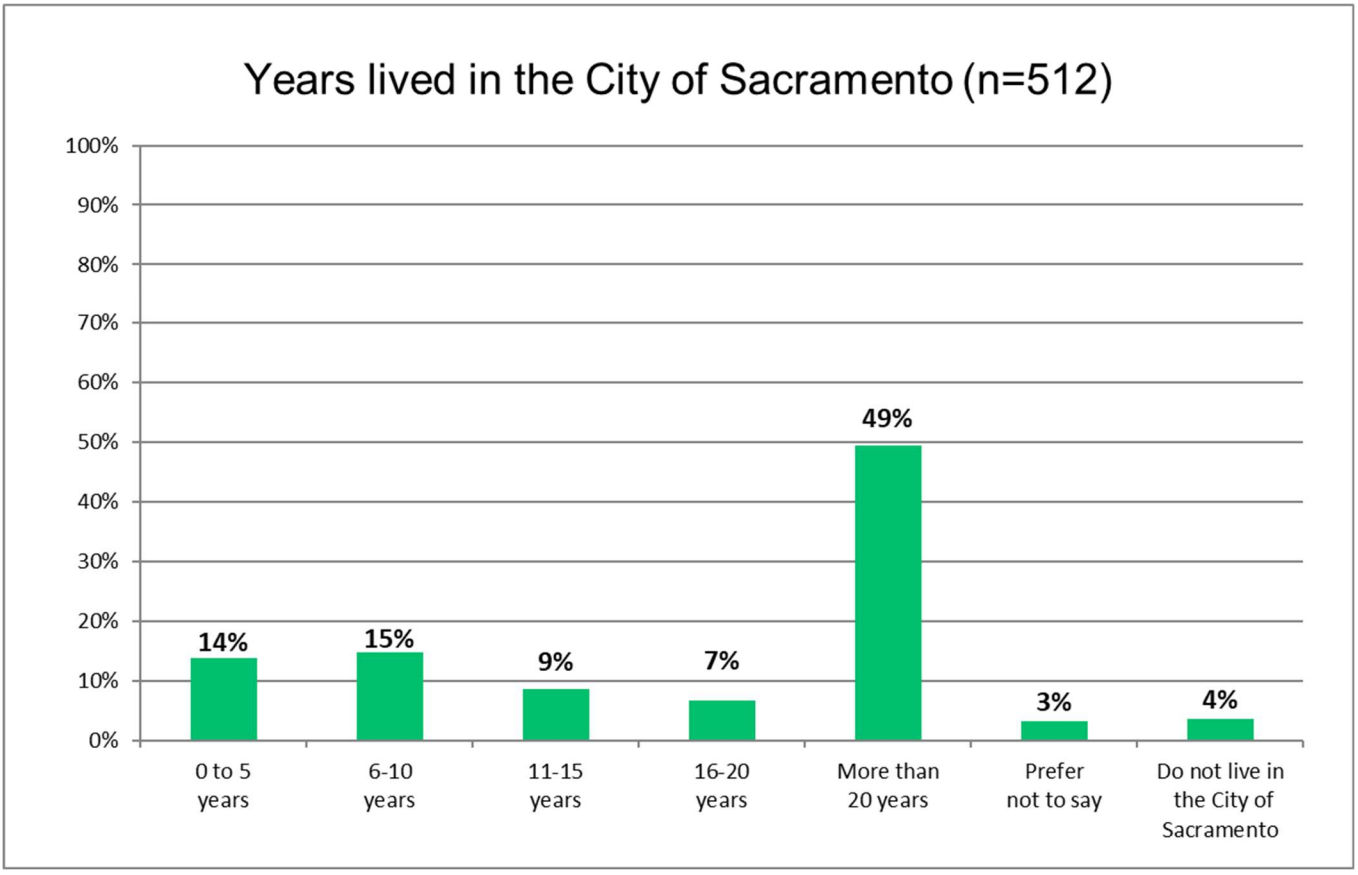
5) The City Council participated in a public priority and goal setting workshop in September 2025. Council members collectively selected homelessness, public safety, and economic development as their top three priorities. Do you believe those should be the top priorities for the City?



6) If no, please select your top three priorities from the choices provided to Council in the 2025 public priority setting workshop:
    a) Homelessness
    b) Housing
    c) Fiscal sustainability
    d) Public safety
    e) Diversity, equity and inclusion
    f) Deferred maintenance/infrastructure investment
    g) Economic development and creative economy
    h) Youth

			Totals	**$ 3,755,871**	**$ 3,626,288**

Supplemental Budget Information – Item 7

Question:

Cost benefit analysis of the proposed cuts for Fire and Police.

Response:

Fire: The information below is responding to City Council's request at the meeting on 3/10/2026. The below BCPs are those that are proposed that have significant impact involving staffing.

BCP A – Mandated Program Delivery Change (Level 4 Reduction)

- The Sacramento Fire Department (SFD) proposes reducing Fire Suppression expenditures by eliminating 20.0 FTE Firefighter positions. These positions will be unavailable to support operations, resulting in reduced staffing capacity. This reduction will require rotating company closures and increased reliance on overtime to maintain minimum staffing levels. As a result, response times are expected to increase.
- The reduction proposal will reduce efficiencies and negatively impact the city's performance measures. It is anticipated that daily rotating closures will increase response times. With Sacramento averaging 300 all-risk, all-hazard emergency incidents per day, these delays rapidly compound. Daily rotating closures pull units out of position, increasing travel distances and slowing the arrival of critical resources to the Sacramento community. Research cited in National Fire Protection Association (NFPA) 1710, National Institute of Standards and Technology (NIST), and Underwriters Laboratory (UL) Fire Safety Research Institute (FSRI) confirms that even small response-time delays worsen outcomes across medical, fire, rescue, and hazardous incidents.
- The greatest impact falls on Sacramento's underserved neighborhoods—including Oak Park, Del Paso Heights, North Sacramento, Meadowview, and South Sacramento—where higher medical vulnerability, limited access to healthcare, and socioeconomic barriers amplify emergency risk. In these communities, even small delays reduce survivability and intensify incident severity. Daily rotating closures therefore create not just inefficiency but a clear and inequitable increase in life safety risk citywide. These areas would face deeper inequities and greater life safety risk.
- Lastly, firefighter safety will also decline with this proposal. The City's 2025 Risk Assessment shows the Fire Department already leads all departments in employee injuries—177 annual workers' compensation claims and over 64,000 injury-on-duty hours—with strain injuries rising as workload increases. Reducing company availability will further elevate injury rates, increase burnout, expand mandatory overtime, and decrease staffing resilience.

BCP E – Discretionary Program Reduction (Level 2 Reduction)

- Delete one position (1.0 FTE – Assistant Chief) with the Diversity, Outreach & Recruitment Division to reduce costs of approximately $297,150 to the Measure U funds.

BCP H – Mandated Program Delivery Change (Level 1 Reduction)

- Delete (12.0) positions (12.0 FTE) – Firefighter and add (20.0) new positions (10.0 FTE – Paramedics and 10.0 FTE EMTs) under the Single Role Program to reduce costs of approximately $3,545,506 to the General Fund.
- The Sacramento Fire Department proposes to activate year two of the Single Role Program by converting 12.0 FTE Firefighter positions into 20.0 FTE Single Role (10.0 FTE Paramedic and 10.0 FTE EMT) positions. This program initiative began in May 2022 and after labor contract negotiations and position establishment, the SFD seeks to maintain momentum of the Single Role program.
- This conversion will create several key efficiencies for the Sacramento Fire Department. Single-role ambulance personnel work 12-hour shifts, which not only support a healthier work-life balance but also allow for more flexible, continuous coverage throughout the day. These positions require fewer amenities and do not rely on traditional fire station infrastructure, enabling a more mobile and dynamic deployment model. This flexibility enhances operational responsiveness and resource allocation, ultimately improving service delivery while maintaining fiscal responsibility.
- A strong performance measure supporting this conversion is the program's demonstrated ability, over nearly one year, to enhance both community service and internal operations. The single-role ambulance model has enabled a more dynamic, responsive deployment strategy, improving service to citizens while easing the workload on dual-role firefighters by more evenly distributing call volume. Additionally, the program has successfully absorbed calls that might otherwise be lost to outside agencies, preserving service continuity and response capacity. These outcomes reflect measurable improvements in operational efficiency, workforce sustainability, and service reliability.

Police: The Police Department (PD) is proposed to eliminate 62 full-time equivalent (FTE) positions in FY2026/27. Of these, 48 positions are funded by the City's General Fund and are included in this analysis. The remaining 14 positions are funded by outside partners – Sacramento Regional Transit District (11) and Natomas Unified School District (3) – and are excluded from the analysis.

Eliminating the 48 General Fund FTE positions will reduce the PD's workload capacity by 99,840 hours. These positions represent both sworn officers and professional staff whose salaries include the cost of pension contributions, medical insurance, and other employment benefits. The total budget reduction associated with these 48 positions is $6.6 million.

The proposed reduction includes:

- 26 sworn officer FTE positions, with an average hourly rate of $88.74 (including benefits), accounting for 54,080 lost working hours. This is $4,799,291 of the total reduction.
- 22 professional staff FTE positions, with an average hourly rate of $39.76 (including benefits), accounting for 45,760 lost working hours. This represents $1,819,139 of the total reduction.

If these positions are eliminated, the remaining workforce will need to absorb approximately 100,000 hours of work to maintain current service levels. One way to do this is through employee overtime. Based on average overtime rates – $98.13 per hour

for sworn staff and $44.24 per hour for professional staff – the City would spend an estimated $7.3 million to replace the hours lost through the proposed reductions.

For comparison:

- The sworn officer reduction of $4.8 million reflects 54,080 working hours. If retained, that same amount of funding could provide approximately 48,904 overtime hours.
- The professional staff reduction of $1.8 million reflects 45,760 working hours. That amount could alternatively cover about 41,120 overtime hours.

In total, if the City uses overtime to absorb the workload of the eliminated positions, estimated labor costs increase from $6.6 million to $7.3 million. This represents an additional $713,287 to accomplish the same amount of work.

Overall, while the proposed reductions lower budgeted salary costs, replacing those lost hours through overtime costs more than retaining the positions.

Supplemental Budget Information – Item 8

Question:

Provide a breakdown of Fire and Police calls for service.

Response:

Fire:
The table below outlines the calendar-year data for Fire Department calls for service, as of March 16, 2026:

Fire Department Calls for Service	**2025**	**2026** *To Date*
911 Calls	85,588	15,941
10-Digit Emergency Number Calls*	21,397	3,986
Total	**106,985**	**19,927**

**10-digit emergency number (phone number with area code) is used by allied agencies (i.e. Sacramento Police Department (SPD), California Highway Patrol (CHP), hospitals, etc.)*

Police:
The table below outlines the calendar-year data for Police Department calls for service, as of March 16, 2026:

Police Department Calls for Service	**2025**	**2026** *To Date*
911 Calls	336,618	65,234
Non-Emergency Calls	254,352	52,899
10-Digit Emergency Number Calls	17,427	3,697
Calls Redirected to 311*	11,922	1,978
Total	**620,319**	**123,808**

**Represents the number of callers who selected 311 via the phone tree and does not include calls redirected by Dispatch.*

Supplemental Budget Information – Item 9

Question:

Break down the baseline reductions by departments and show their General Fund budget, 15% target and % of reductions compared to General Fund budget.

Response:

Department (in millions)	Net General Fund Budget*	15% Reduction Target	Baseline Revenue Enhancements	Baseline Expenditure Reductions	Total Baseline Reductions	% of Net General Fund Budget
City Auditor	$1.3	$0.2	-	$0.2	$0.2	16%
City Attorney	9.6	1.4	-	1.0	1.0	10%
City Clerk	2.8	0.4	-	0.2	0.2	9%
City Treasurer	(3.8)	-	0.2	-	0.2	-
City Manager	9.1	1.4	-	1.4	1.4	15%
Community Development	21.9	3.3	1.1	2.3	3.4	16%
Community Response**	40.1	6.0	0.0	6.0	6.0	15%
Convention and Cultural Services	3.6	0.5	-	0.3	0.3	8%
Finance	6.9	1.0	0.5	0.2	0.6	9%
Fire***	156.3	23.4	9.3	9.2	18.5	12%
Human Resources	5.4	0.8	-	0.4	0.4	8%
Information Technology	21.2	3.2	-	1.1	1.1	5%
Police****	246.5	37.0	0.1	8.9	9.1	4%
Public Works	(4.3)	-	3.9	-	3.9	-
Office of Public Safety Accountability	2.0	0.3	-	0.6	0.6	28%
Youth, Parks, and Community Enrichment	41.7	6.3	-	4.8	4.8	11%
General Fund Total	**$560.3**	**$85.3**	**$15.1**	**$36.5**	**$51.5**	

* Net General Fund Budget is gross expenditures less reimbursements and revenues.

** $6.0M reduction in Department of Community Response is due to efficiencies in contracts and programs. There will not be a reduction in the level of homeless services provided.

*** $3.6M reduction in Fire Department is due to the cost savings from the Single Role Program. There will not be a reduction in service.

**** $1.8M in the Police Department is due to the shift of costs from the Office of Violence Prevention to external grants.

Supplemental Budget Information – 10

Question:
Provide an estimated cost and attendance impacts for partial operation of the City's 4 wading pools to 3 days a week.

Response:
The City's 4 wading pools could be opened 3 days a week for a cost of $60,952.

Full closure of the City's 4 wading pools results in a budget savings of $117,520 with the elimination of staff required to support operations. In summer 2025, wading pools served 8,188 visits citywide.

Partial operation of the City's 4 wading pools to 3 days per week results in a budget savings of $57,000 with the retention of staff necessary to support operations. These operations would support approximately 4,900 wading pool visits citywide based on past attendance data.

Predicted Attendance* and Budget Reduction Options

	Normal	3 Days a Week	Closed
Robertson	692	415	0
Colonial	2,330	1,398	0
Bertha Henschel	2,579	1,547	0
William Land Park	2,587	1,552	0
Total Attendance	**8,188**	**4,913**	**0**
Budget Reduction	**$0**	**$57,000**	**$117,520**

*Based on summer 2025 attendance

Supplemental Budget Information – Item 11

Question:

How will utilizing a new State grant (Grant) impact OVP programming, specifically the grants issued to community-based organizations (CBOs), and is the City's Grant spending plan in violation of the Grant's supplantation rules?

Response:

The new Grant will allow the City to support new services, expanded efforts, and outreach to previously unserved populations most notably through school-based referral systems, consistent pre- and post-school community engagement, and prevention-focused deployments that differ from current law enforcement-driven models.
There are **three main areas** that CBOs help to disrupt and interrupt violent crime. Here is how we currently use them and how Grant awardees' deployments will differ:

1. Youth Referral Process

Current Model	New Model
•Referral after Sacramento Police Department (SPD) officer contact ○Generally based on youth being involved in gun related activities ○Referred youth generally already engaging in or observing criminal activity ○SPD requests permission to forward the youth to OVP for referring out ○OVP sends referral to the best suited, contracted CBO ○OVP requests monthly updates in relation to the youth and activities	○Referral by school district, not SPD staff ○CBO directly works with school staff ○SPD receives only information necessary for reporting ○Referrals based off school concerns, not police involvement ○Youth may or may not have interaction with criminal activity ○Youth would likely have no police interaction associated with the referral ○SPD would not be tracking or managing the referrals

2. Disruptions of Potential Violence

Previously CBOs have been used for pre-planned disruption and interruption efforts in places like DOCO and Delta Shores. Below shows how CBOs are deployed currently and how they will be deployed under the new model:

Current Model	New Model
•Requested and deployed by PD staff in conjunction with law enforcement operations ○Based on intel regarding upcoming events or hostile meet-ups ○Not consistently present day after day ○Later in the evening and/or on weekends ○In known citywide gathering locations, no relation to school locations ○Meant to stop immediate threats to safety, not develop long-term mentorship or connections	○In locations and times, identified by the school district not the police ○Not in conjunction with law enforcement operations ○Based on known youth congregating areas before or after school ○Not in responses to intel of events or hostile groups ○Consistent and regular; meaning we will likely have the same CBOs, at the same locations, multiple times per week ○Immediately before or after school, on school days ○In locations near schools, where pre and post school crowds gather ○Meant to be a consistent, guiding presence to build relationships and promote a positive environment

Deployments under the new model are meant to create safe spaces and opportunities for CBOs to connect with at-risk kids guided by information from the schools. This may result in occasional weekend/late night requests, but it will be consistent with school requests and needs, not crime driven response strategies.

3. Critical Incident Response

Under the current model SPD can call CBOs to the scenes of tense incidents to try and calm crowds and de-escalate the situation to prevent violence.

Under the new model SPD will utilize the long-standing practice of calling community chaplains from the Law Enforcement Chaplaincy of Sacramento which maintains 24/7 POST trained trauma responders trained in critical incident response.

Funding for CBOs

In the Fiscal Year 2025/26 Budget OVP is administering approximately $2M in CBO grants through two programs:

- $1.2M through the Gang Prevention and Intervention Task Force
- $0.8M through the Evidence-Based Community Violence Interruption, Disruption and Suppression program (this was a one-time allocation for programming over three years that sunsets June 30, 2026)

In the Proposed Budget $1.1M in CBO grants will be funded through the Grant (CalVIP Cohort 5). Funding by CBO is presented below, and it should be noted there are differences in programming and recipients under the new grant program:

	FY2025/26 CBO Grants	FY 2026/27 Proposed Budget CBO Grants
Gang Prevention & Intervention Task Force	$1.2M	$-
Evidence-Based Community Violence Interruption, Disruption and Suppression (This was a one-time allocation for a 3-year program that sunsets)	$0.8M	$-
CalVIP Cohort 5	$-	$1.1M
TOTAL	**$2.0M**	**$1.1M**

Following is a list of CBOs currently funded:

Gang Prevention & Intervention Taskforce (GPIT)				
Grantee	**FY2023/24**	**FY2024/25**	**FY2025/26**	**Total**
Academic 4 Athletes	$225,000.00	$225,000.00	$225,000.00	$675,000.00
Brother 2 Brother	$225,000.00	$225,000.00	$225,000.00	$675,000.00
HAWK, Institute	$225,000.00	$225,000.00	$225,000.00	$675,000.00

SacTown Mardi Gras	$35,185.19	$35,185.19	$35,185.19	$105,555.57
Ca. Center for Civic Participation	$35,185.19	$35,185.19	$35,185.19	$105,555.57
HAWK	$35,185.19	$35,185.19	$35,185.19	$105,555.57
VOY	$150,000.00	$150,000.00	$150,000.00	$450,000.00
Total Annually	$1,066,666.71	$1,066,666.71	$1,066,666.71	$3,200,000.13

Non-supplantation

According to the California Board of State and Community Corrections (BSCC), supplanting is the deliberate reduction in the amount of federal, state, or local funds being appropriated to an existing program or activity because grant funds have been awarded for the same purpose. It is the department's responsibility as the grantee to ensure BSCC grant funds shall be used to support new program activities or to augment existing funds that expand current program activities. BSCC grant funds shall not be used to replace existing funds. It is the responsibility of the Grantee, SPD, to ensure that supplanting does not occur. As such, SPD must keep clear and detailed financial records to show that grant funds are used only for allowable costs and activities.

Some of the best practices to avoid supplanting include maintaining separate records for grant funded programs, compared to other programs that are not utilizing grant funds. The SPD will maintain separate folders and budget workbooks for each CBO funded by BSCC. Even if the CBO currently receives City funds and has a working relationship with the SPD all BSCC activity will be documented and stored separately to avoid any overlap or blending of tasks or finances.

Additionally, SPD will ensure all BSCC funded groups will be engaged in either new projects and response models or expansions to existing models to enhance our capability to respond to a new or larger population. The BSCC funds are not supplanting funds for current OVP programming, rather these funds are enabling the City to engage in new programming.

Supplemental Budget Information – Item 12

Question:

How has the City of Sacramento's Department of Community Response (DCR) funded its homelessness programs and what are the specific funding sources?

Response:

For the past several years, DCR has primarily used three sources to fund its comprehensive response to the homelessness crisis: 1) The State of California's Homeless Housing, Assistance and Prevention (HHAP) Grant Program, which makes grant allocations to cities, counties, and continuums of care with flexible funding to prevent and end homelessness in their regions; 2) the City of Sacramento's General Fund (General and Measure U funds combined); and 3) other funding sources that have included American Rescue Plan Act (ARPA) funding, State of California's Encampment Resolution Funding (ERF), State of California's Whole Person Care (WPC) funding residuals, and operational savings.

DCR must apply and compete with other jurisdictions to receive HHAP and ERF grants. Both HHAP and ERF grants have specific requirements for how the funding may be used, such as funded programs must be Housing First compliant. In addition, both HHAP and ERF grants have specific timelines for when the funding must be allocated and expended.

As State homelessness grant funds have decreased in recent budget cycles, DCR has relied more heavily on General Fund contributions for its program funding, which includes shelter operations, outreach, street cleanup, and support of the Coordinated Access System. In Fiscal Year 2025/26, DCR's total program funding was $48.2 million, with $35.3 million – or 73% – coming from the General Fund. In Fiscal Year 2024/25, General Fund contributions represented 43% of DCR's program funding. In FY 2023/24, General Fund contribution represented 29% of DCR's program funding.

The charts below illustrate the funding sources for DCR's annual program budget as well as funding and other information for individual DCR programs.

DCR Annual Program Budget (in thousands)

Funding Source	FY2023/24	FY2024/25	FY2025/26	FY2026/27 Proposed	FY2027/28 Forecast	FY2028/29 Forecast

Question:

How has the City of Sacramento's Homeless Housing, Assistance and Prevention (HHAP) Grant Program funding been utilized?

Response:

Beginning in 2020, the City of Sacramento has participated in all six rounds of the State's HHAP Grant Program and has been awarded a total of $104.8 million, which has largely been used to fund City shelter operations (funding to DCR) and permanent supportive housing (funding to Office of Innovation and Economic Development). Program allocation for each round of HHAP funding is below. City staff provide monthly HHAP fiscal reports to the State covering obligations and expenditures by HHAP round. The State's HHAP Fiscal Data Dashboard can be found at https://www.hcd.ca.gov/housing-open-data-tools/hhap-dashboard.

*The remaining $1M of HHAP-4, and $2M of the remaining HHAP-5 is committed by Council resolution to the Rio Linda Homekey+ project.

**Of the $11.5M remaining, $8.2M is available for the City's sheltering/homelessness services costs as $2.0M must go to Permanent Supportive Housing, $1.1M is covering administrative costs, and $0.2M is supporting the Homelessness Management Information System. Of the $8.2M remaining, in the Proposed Budget $3.5M will support FY2026/27 costs and $4.7M will support FY2027/28 costs.

Budget Schedule

Date / Meeting*	Subject
April 29, 2026	Release of Proposed Budget
May 5, 2026 – 11:00AM Budget & Audit Committee	Fees & Charges
May 5, 2026 – 5:00PM Council	• Budget Overview • Budget Balancing Plan • Questions & Deliberations
May 12, 2026 – 2:00PM Council	• 2026-2031 Capital Improvement Program • Citywide Fees & Charges • Budget Equity Lens
May 12, 2026 – 5:00PM Council	• Budget Deliberations • Council Direction
May 18, 2028 – 5:30PM Measure U Commission	FY2026/27 Budget
May 26, 2026 – 11AM Budget & Audit Commission	Review of FY2026/27 Budget
June 9, 2026 – 5PM Council	Adoption of FY2026/27 Budget

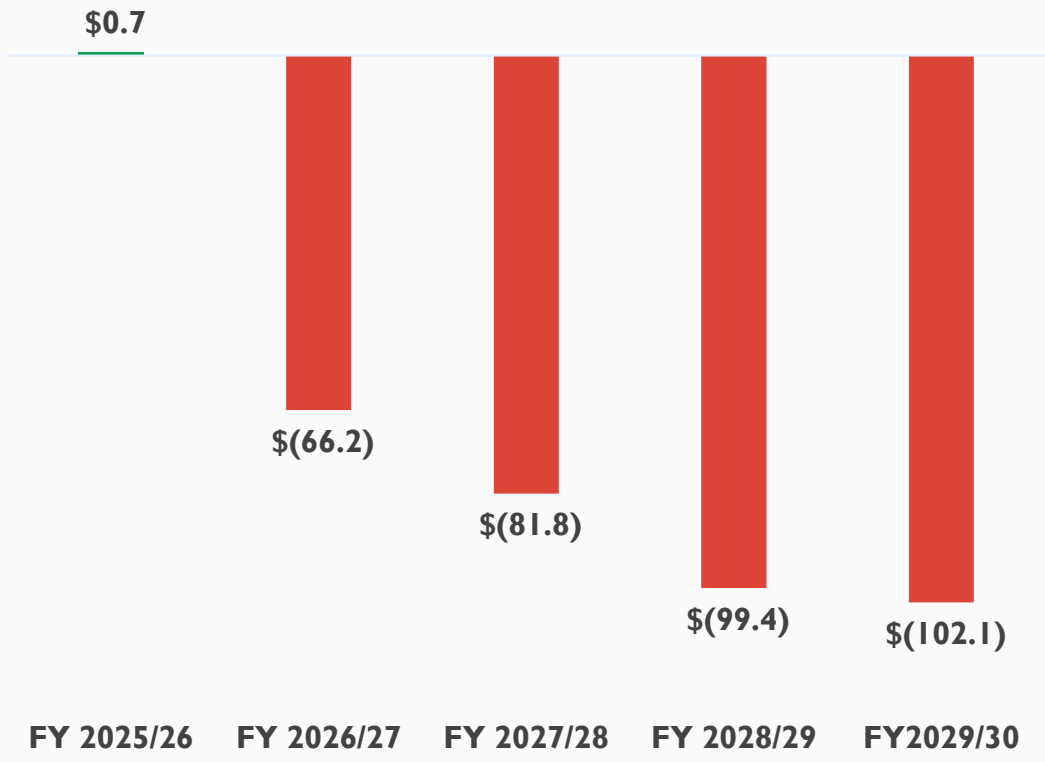
*Schedule is subject to change.

Budget Challenges

Immediate

- Balance FY27

Near-Term



- Correct Structural Imbalance
- Federal Funding Threats
- Economic Risks

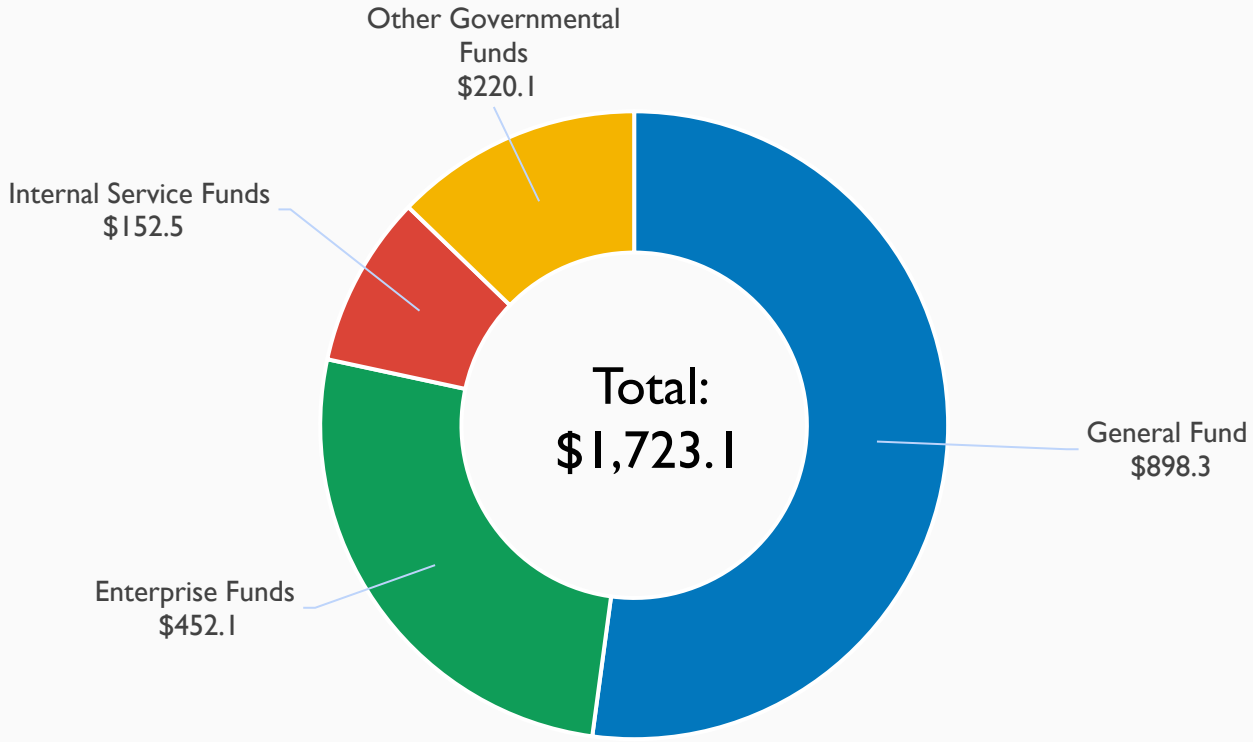
Long-Term

- Unfunded Pension Liabilities
- Unfunded Capital Needs

Mid-Year Forecast - Structural Deficit

- Not caused by an economic downturn.
- Imbalance between expense growth and revenues.
- Ongoing balancing strategies lower projected deficits in future years.

February 2026 Forecast

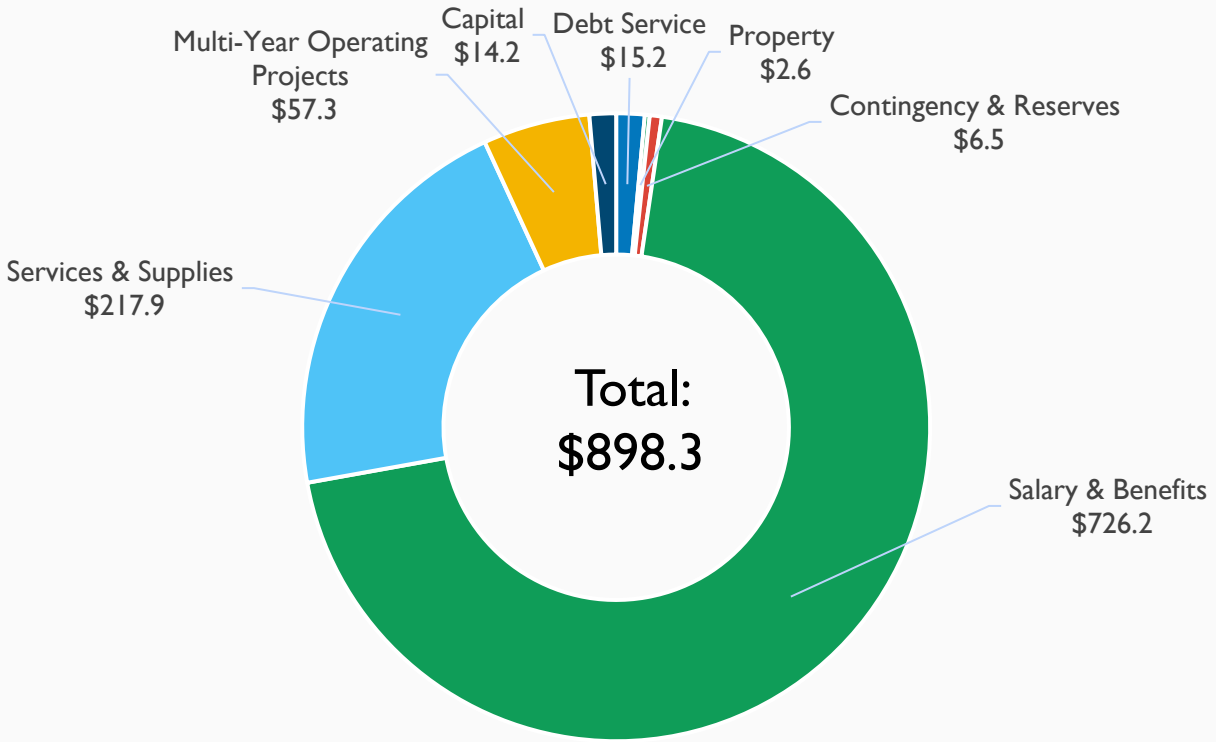


Budget Overview

FY2026/27 Proposed Budget
($ in millions)

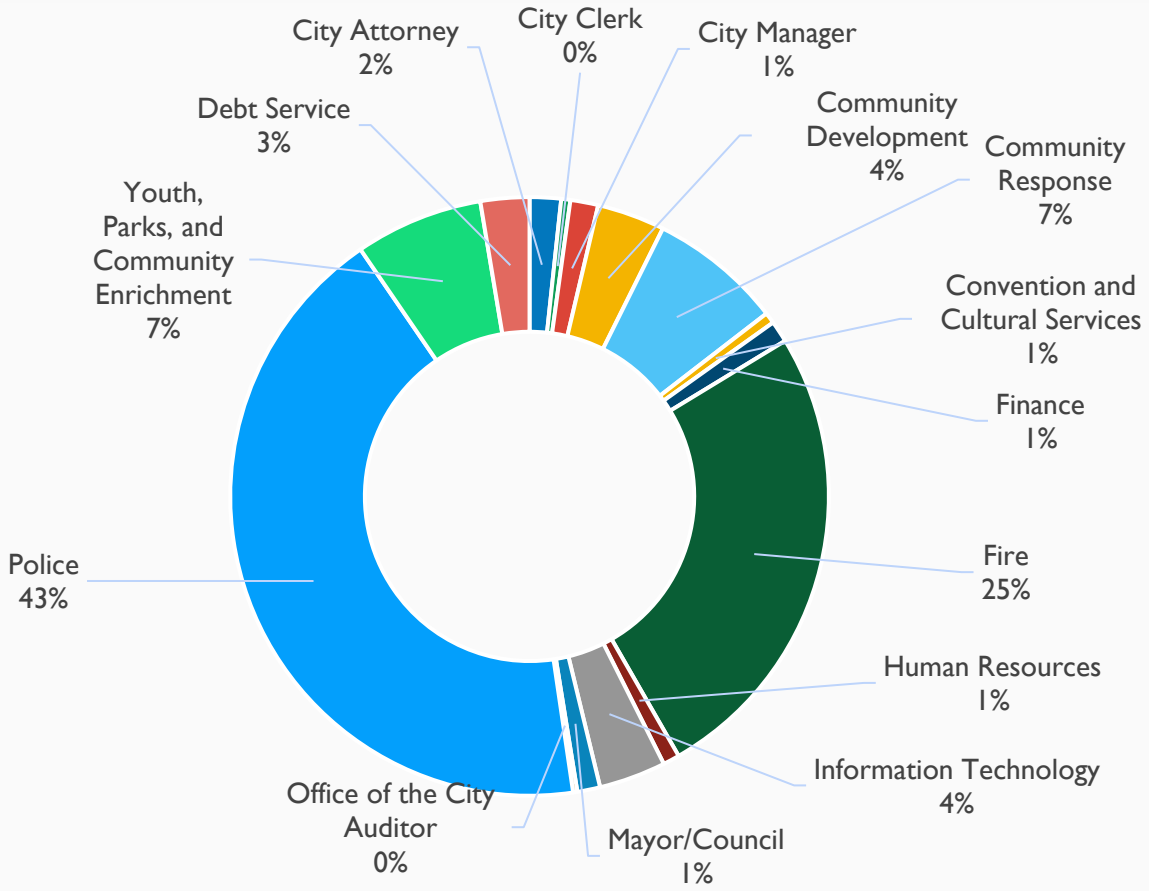
	FY2025/26 Approved	FY2026/27 Proposed	Change
All Funds	$1,675.0	$1,723.1	$48.1
General Fund	$872.5	$898.3	$25.8
Full-Time Equivalent Employees (FTEs)	4,984.83	4,821.07	(163.76)

The Proposed Budget is balanced and closes a $66.2M funding gap.

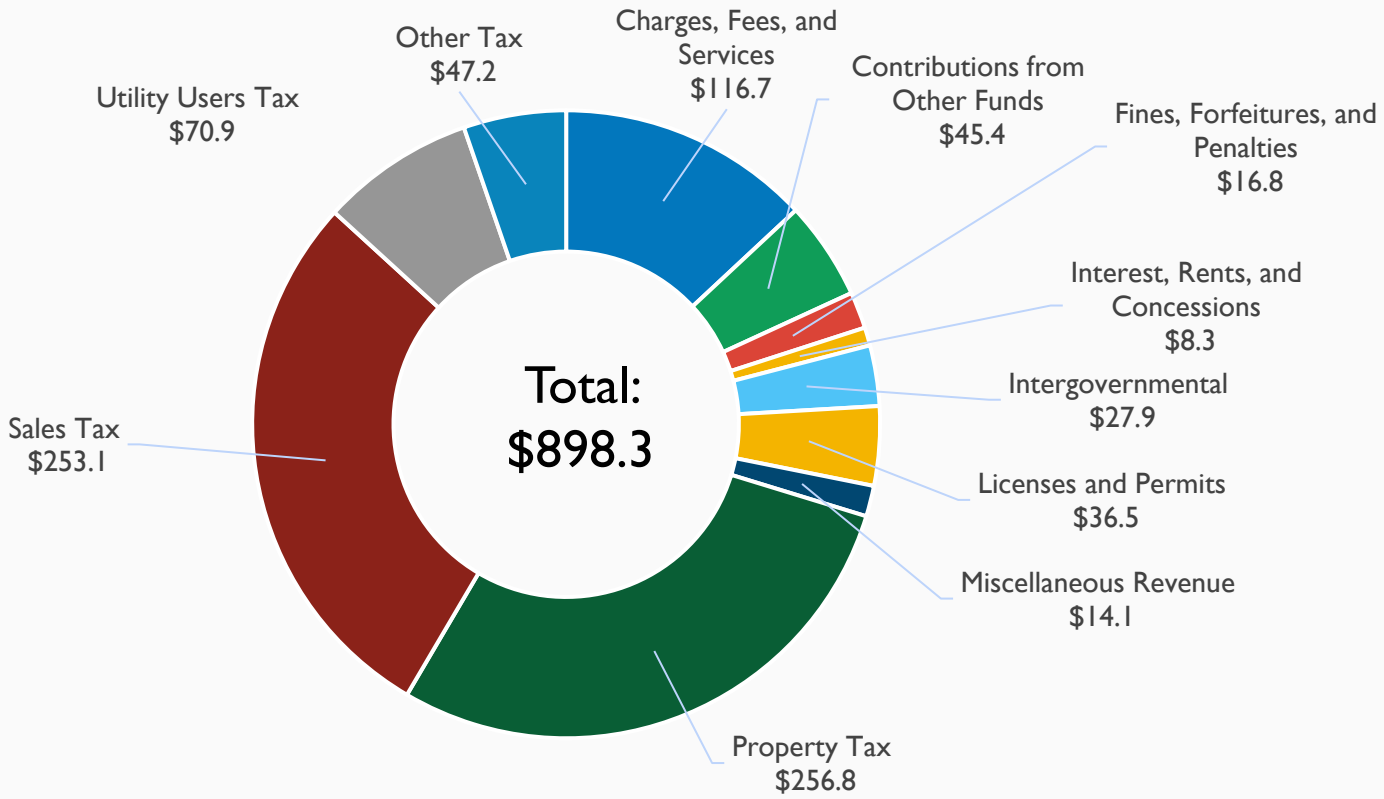


FY2026/27 Proposed Budget by Fund (millions)

FY2026/27 Proposed Budget - General Fund Appropriation By Department (millions)



FY2026/27 Proposed Budget - General Fund Appropriation By Spending Category (millions)



Offsets & Transfers: ($141.5)

FY2026/27 Proposed Budget - Net General Fund Cost By Department (millions)

FY2026/27 Proposed Budget - General Fund Financing By Source (millions)

Closing The Budget Gap

Budget Balancing
Define Core Services / Advance Priorities

- Define & preserve core services.
- Advance Council priorities:
  - Economic Development;
  - Homelessness; and
  - Public Safety.
- Minimize, to the extent possible, impacts on services to the public.
- Minimize, to the extent possible, impacts on staff.

Budget Balancing – Reduction Targets

Budget Balancing – Creating a Menu of Options

- Departments to develop reduction plans to hit a target reduction of 15% net G/MU fund use.
- Define service and staffing impact of each strategy.
- Finance staff will review projects and other citywide budget reduction strategies.

This process generates more savings options than are needed to balance the budget which allows the City to be strategic in selecting reductions.

Early Budget Work Sessions

In March, Council held a series of Early Budget Work Sessions in which staff presented a baseline balancing plan (March Baseline) and City departments described potential impacts of reduction strategies.

The baseline plan called for the elimination of 99 vacant and 103 filled positions (with no sworn personnel separations from the City).

Some service impacts in the March Baseline included:

- Elimination of the Police Magnet Academy
- Elimination of some specialized units in the Police Department
- Impacts on Community Center hours and programming
- Reduction of aquatics services
- Contracting out of park maintenance
- Dynamic staffing in the Fire Department
- Reduction of the Affordable Housing Fee program
- Increased parking fees and expanded metering locations
- Reduced capacity across many departments through the elimination of vacant positions

March Baseline Plan

Strategy	Savings
Interest on Treasury Pool	$3.5
Debt Refunding	$1.4
Debt Service Funding Shift	$1.2
Citywide Strategies / Project Fund Reallocations	$11.4
Homelessness Services Contract Efficiencies	$3.8
Hotel Voucher Program Shift	$3.2
X St Shelter Partnership Savings	$2.8
Fire Single Role Savings	$3.6
Violence Prevention Funding Shift	$1.8
Additional Departmental Revenues	$15.1
Expense Reductions Reductions:	
Police	$7.1
Fire	$5.6
YPCE	$4.8
Other Departments	$7.5
Total Savings	**$72.8**

Proposed Budget Balancing Plan

The Proposed Budget restores several reductions included in the March Baseline (restorations funded by eliminating alternate vacant positions, increased IGT funds, and use of available State homelessness funding:

- The Police Department Magnet Academy.
- Partial restoration of Fire Suppression vacancies.
- Affordable Housing Fee program.
- The Senior Fiscal Policy Analyst in the Auditor's Office.
- Diversity, Equity, and Inclusion staffing in the Human Resources Department.
- GIS and Regional Support staffing in the Information Technology Department.
- Partial restoration of park maintenance outsourcing.
- The Access Leisure Program in Youth, Parks and Community Enrichment.
- Community center and senior center operating hours in Youth, Parks & Community Enrichment.

The Proposed Budget also incorporates labor agreements reached with all non-safety unions and updated costs for safety unions. The Proposed Budget **DOES NOT** include charging for residential parking or increased meter rates.

Proposed Budget Balancing Plan (millions)

	FY2026/27	FY2027/28
Mid-Year Forecast	**($66.2)**	**($81.8)**
Labor Contract Adjustments*	($11.3)	($21.8)
Budget Balancing Strategies	$68.8	$51.2
Encampment Relief Funds (State Homelessness Funding)	$2.3	$-
HHAP Round 6 (State Homelessness Funding)	$3.5	$4.7
HHAP Round 7 (State Homelessness Funding)	$-	$6.4
Other Adjustments	$3.2	$5.9
End Balance	**$0.3**	**($35.4)**

*Labor costs above those included in the Mid-Year Forecast.

Budget Balancing Strategies

Category	FY27 Savings
Interest on Treasury Pool	$4.3
Debt Refunding	$1.4
Homelessness Services Efficiencies & Partnerships	$8.9
Departmental Revenues	$13.6
Cost Shifts to Other Funds	$6.9
Project Reallocations	$11.1
Single Role Implementation Savings	$3.5
Police Department Expense Reductions	$7.5
Fire Department Expense Reductions	$3.3
YPCE Expense Reductions	$2.9
Other Departmental Expense Reductions	$5.4
TOTAL	**$68.8**

Budget Balancing Strategies – Revenues

Category	FY27 Savings
Aligning Fire District Reimbursement Revenue to Projections	$2.3
Aligning Fire IGT Revenue to Projections	$4.8
Aligning Fire ALS Revenue to Projections	$0.9
Aligning Fire Prevention Revenue to Projections	$1.3
Aligning Other Departmental Revenues to Projections	$1.9
Parking Enforcement Increase	$1.9
New Metered Spaces & Hours Standardization	$0.5
TOTAL	$13.6

Budget Balancing Strategies – Funding Shifts

Costs are shifted from the General Fund to other funding sources

Category	FY27 Savings
Office of Violence Prevention Grant & MYOP	$1.8
Fire Suppression	$2.4
G1C Debt Service	$1.2
City Attorney Positions	$0.2
Planning Positions	$0.8
Other Departmental Costs (CCS, IT, YPCE)	$0.5
TOTAL	**$6.9**

Office of Violence Prevention Funding Shift

The funding shift to a new State grant will also result in program delivery adjustments which staff believe will allow the City to expand efforts and reach previously unserved populations by:

- Shifting to school-based referrals systems versus current law enforcement-based referrals
- Provide consistent pre and post school community engagement
- Move to prevention-focused deployments versus current law-enforcement driven model

CBO partnership funding:

	FY2025/26 CBO Grants	FY 2026/27 Proposed Budget CBO Grants
Gang Prevention & Intervention Task Force	$1.2M	$-
Evidence-Based Community Violence Interruption, Disruption and Suppression (This was a one-time allocation for a 3-year program that sunsets)	$0.8M	$-
CalVIP Cohort 5	$-	$1.1M
TOTAL	**$2.0M**	**$1.1M**

Youth violence prevention is also an eligible Measure L funding category ($0.9M was awarded for youth violence prevention in the first round of Measure L allocations.)

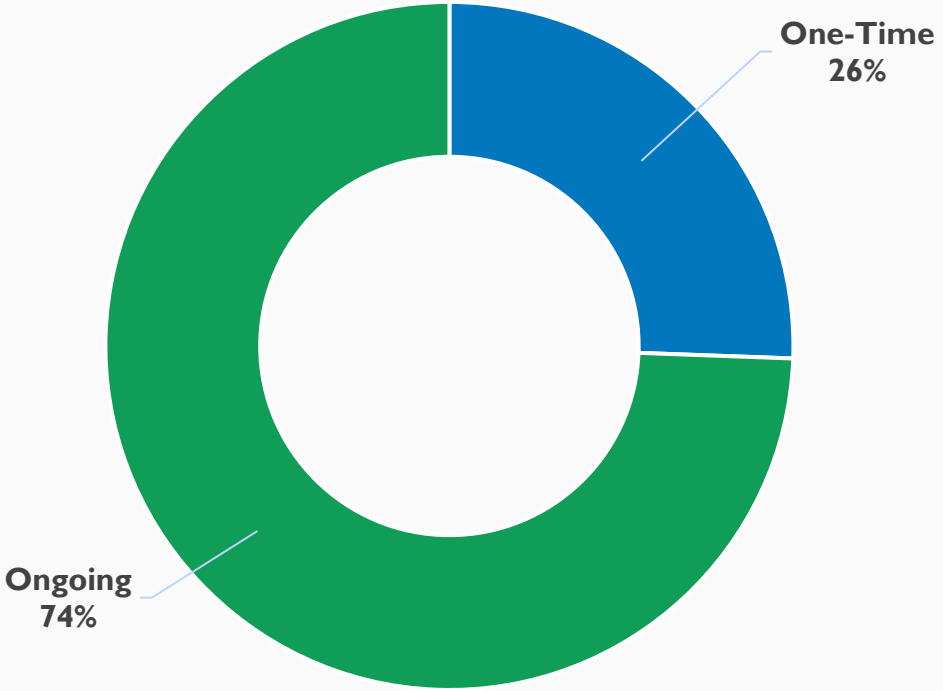
Budget Balancing – Expense Reductions

While the Proposed Budget restored several reductions included in the March Baseline, balancing strategies that will have service and/or staffing impacts were needed to close the budget gap. Notable reductions include:

- Contracting out of landscape maintenance services at neighborhood parks
- Closure of the City's 4 wading pools
- Reduction in recreation swim hours at neighborhood pools
- Reduction in youth workforce development and civic engagement programs
- Reduction in Fire Suppression vacancies & implementation of dynamic staffing
- Discontinuation of Shotspotter in South and East
- Elimination of Mounted Unit
- Reductions in some specialized Police units with those functions moving to patrol
- Reductions in Police Hiring Pipeline program
- Elimination of many vacant positions that may impact service delivery capacity

Budget Balancing – Staffing Impacts

A total of 140.6 FTE are eliminated in the Proposed Budget as budget balancing strategies (94.5 vacant and 46.1 filled).



Of the filled FTE, as of April 3rd, 35.9 FTE (37 people) will be subject to being bumped or separated from the City

Of the 35.9, below is the breakdown by classification & department:

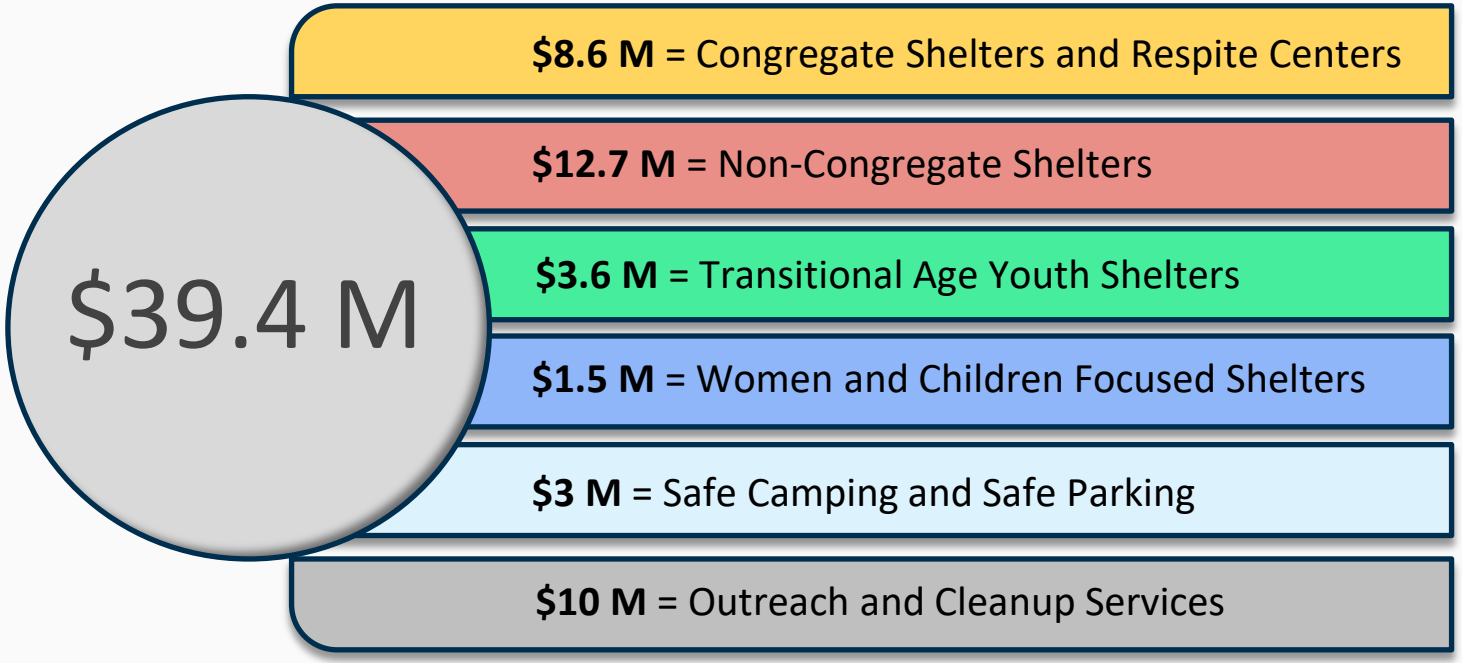
Classification	Department	FTE
OPSA Investigator	Office of Public Safety Accountability	1.0
OPSA Inspector General*	Office of Public Safety Accountability	1.0
Administrative Analyst	City Manager	1.0
IT Support Specialist II	Information Technology	2.0
Program Coordinator	Youth, Parks & Community Enrichment	4.4
Recreation Aide	Youth, Parks & Community Enrichment	0.5
Park Maintenance Worker	Youth, Parks & Community Enrichment	26.0
TOTAL		**35.9**

*Retains Deputy IG position

Budget Balancing Strategies – One-time vs Ongoing

Alignment With Council Priorities

Economic Development



The Proposed Budget supports economic development throughout the City through:

- Creation of stand-alone Economic Development Department.
- Advancement of catalytic projects.
- Completion of Strategic Economic Development Plan.
- Small business support programs.
- Entrepreneur growth programs.
- Workforce development.

Addressing Homelessness – Funding

	FY2026/27 Proposed	FY2027/28 Proj	FY2028/29 Proj	FY2029/30 Proj	FY2030/31 Proj
Homelessness Services Costs	$39.4	$41.3	$41.7	$42.1	$42.5
State Encampment Relief Funds	$2.3	$-	$-	$-	$-
Remaining State HHAP-6 Funds	$3.5	$4.7	$-	$-	$-
State HHAP-7 Funds	$-	$6.4	$-	$-	$-
City General Fund	$33.6	$30.2	$41.7	$42.1	$42.5
Total Funding	**$39.4**	**$41.3**	**$41.7**	**$42.1**	**$42.5**

FY26/27 Homelessness Services Overview

FY26/27 Sheltering Programs

Congregate

* Meadowview
* X Street
* North 5th Street
* Outreach and Engagement Center

Non-Congregate

* Roseville Road Campus
* ESV Program
* Stockton Boulevard Safe Stay (with County)
* Micro-Communities (2)

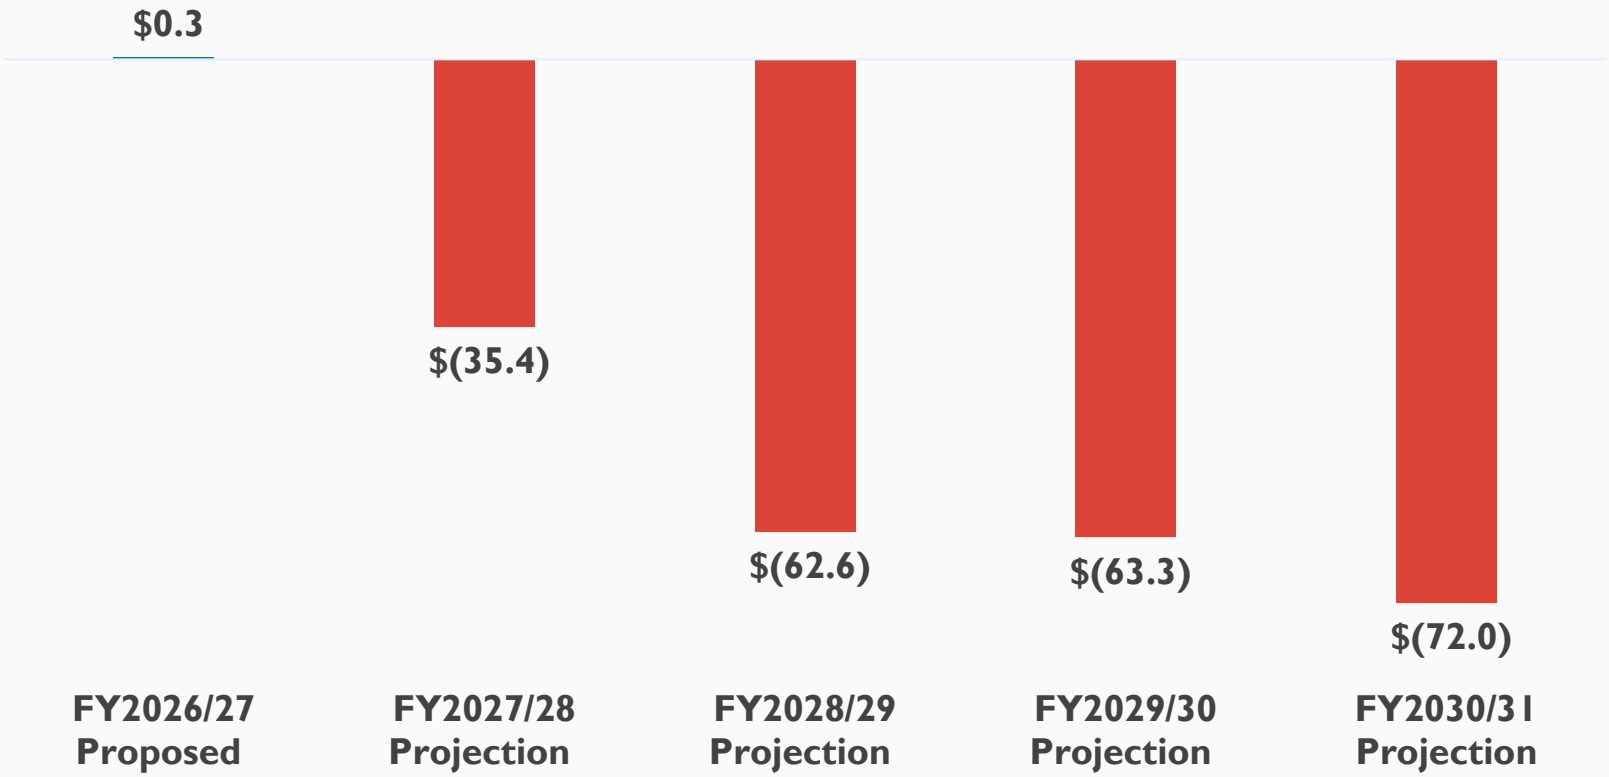
Transitional Age Youth

* The Grove
* LGBT Center
* Wind Youth Services
* Waking the Village

Women and Children

* Saint John's Program for Real Change
* Weave

Safe Camping/Parking



* Sequoia Boulevard Safe Camping
* Safe Parking (Site TBD)

Public Safety

- No sworn Fire or Police separations from the City.
- Continuation of Single Role program.
- Continuation of Fire's DOR program.
- No Fire station closures.
- Maintains community prosecutor.
- Maintains Magnet Academy.
- Continues focused enforcement, proactive policing and strategic deployment which has contributed to the reduction in violent crime.
- Initial pilot of alternative response funded with Opioid Settlement funds.

Proposed Budget 5-Year Forecast

Proposed Budget - 5-Year Forecast (April 2026)

Long Term Funding Challenges

Unfunded Liabilities

In addition to the structural budget deficit, the City has unfunded liabilities including:

- $1.5 billion unfunded pension liability;
- $0.2 billion OPEB liability; and
- $2.0 billion unfunded capital & deferred maintenance needs.

Addressing Long-Term Challenges

Council has already taken steps to address these long-term challenges:

- Prior year savings policy balances budget needs, revenue growth, and creating a funding source for unfunded liabilities.

- Capital plan identifying unfunded needs allows Council to adopt policies around prioritization and funding.

Staff will continue to support Council in addressing unfunded liabilities to ensure the fiscal health and stability of the City.

Pending Factors

- Economic Uncertainty / Risk of Recession.
- Future of State homelessness funding.
- Unfunded Liabilities.
- Achieving Structural Balance.

Next Steps

Budget Schedule

Date / Meeting*	Subject
