1-Description/Analysis

Description/Analysis

Issue Detail: At the general election on November 8, 2016, the voters approved a measure that added article XII (§§ 170-179) to the City Charter, thereby creating the Sacramento Independent Redistricting Commission (“SIRC”). SIRC has exclusive authority to redraw council-district boundaries (§ 170(a)), is to conduct an open and transparent process with robust public input that will assist in the consideration of the boundaries (§ 170(b)(2)), and must be fully established by December 1, 2020 (§ 174(j)).

The Sacramento Ethics Commission is responsible for creating a sub-pool of 25 to 30 of the most-qualified candidates and for randomly selecting eight SIRC commissioners from the sub-pool (one from each existing council district). The eight SIRC commissioners selected by the Ethics Commission will then select five commissioners and two alternates from the remaining applicants in the sub-pool. We received 201 applications to serve on the inaugural City of Sacramento Independent Redistricting Commission.
