Policy Considerations: Approval of this action by the City Council is consistent with the City's legal obligations under the Meyers-Milias-Brown Act, adheres to the City's positive labor-management relations concept, and provides labor stability.

Economic Impacts: None.

Environmental Considerations: This report concerns administrative activities that will not have a significant effect on the environment and that do not constitute a “project” as defined by the California Environmental Quality Act (CEQA) Guidelines Sections 15061(b)(3) and 15378(b)(2).

Sustainability: Not applicable.

Commission/Committee Action: Not applicable

Rationale for Recommendation: Approval of this action will establish a new agreement between the City and SCXEA, through June 19, 2020.

Financial Considerations: The FY2018/19 estimated cost of this contract is approximately \$2.05 million (Attachment 5). Funding for the FY2018/19 costs associated with this agreement requires the use of \$1.54 million in available fund balance in the General Fund and \$0.51 million from fund balance in the City’s enterprise, special revenue and internal service funds. The total cost of the agreement over the two year term is approximately \$7.7 million (\$5.8 million General Fund).

Local Business Enterprise (LBE): Not applicable.
