Title:
Signature Authorization to Certify Right-of-Way for Federal-Aid Projects

File ID: 2019-00836

Location: Citywide

Recommendation:

Adopt a Resolution: 1) rescinding Resolution 2001-0527; and 2) authorizing the Director of Public Works and the Engineering Manager to execute, on behalf of the City of Sacramento, letters certifying that rights-of-way have been acquired for federally-funded transportation projects in accordance with federal regulations.

Contact: Judith Matsui-Drury, Supervising Engineer (916) 808-7610; Nader Kamal, Interim Engineering Manager, Engineering Services, (916) 808-7035, Department of Public Works

Presenter: None

- 2-Resolution

Description/Analysis

Issue Detail: In the process of delivering federally-funded transportation projects, the City of Sacramento is required to follow federal procedures for acquisition of right-of-way when such acquisition is needed for projects. The right-of-way certification documents provide assurance that federal procedures have been followed in the acquisition process.

The City Council last acted in 2001 on authorizing Department of Public Works staff to sign federal right-of-way certifications for projects funded with federal transportation funds (Resolution No. 2001-05

Policy Considerations: None

Economic Impacts: Not applicable

Environmental Considerations: This action includes an administrative activity that is not considered a project under the CEQA Guidelines.

Sustainability: Not applicable

Commission/Committee Action: None

Rationale for Recommendation: Right-of-way certifications are a requirement of transportation projects receiving federal funds through the Caltrans Local Assistance process. The certifications require signature by an official designated to sign on behalf of the local agency as authorized by resolution. Approval of the attached resolution authorizes the Director of Public Works and the Engineering Manager to sign the right-of-way certifications on behalf of the City of Sacramento.

Financial Considerations: Not applicable

Local Business Enterprise (LBE): Not applicable
