- 2-Supplemental Agreement

Description/Analysis

Issue Detail: Due to greater-than-expected need for Citywide Exam Development services, the

existing contract (2017-0959) with CPS HR Consulting for Citywide Exam Development Services will need to have an increase in its not-to-exceed (NTE) amount to continue providing services through the term of performance specified in the original contract.

Policy Considerations: This amendment to a professional services contract must be approved in accordance with the provisions of article II of Chapter 3.64 of the City Code.

Economic Impacts: None

Environmental Considerations: Under the California Environmental Quality Act (CEQA) guidelines, continuing administrative activities do not constitute a project and are therefore exempt from review.

Sustainability: Not applicable

Commission/Committee Action: None

Rationale for Recommendation: Citywide testing is an essential business need for City recruitment and selection functions. CPS HR Consulting has an existing contract (2017-0959) for these services that is set to expire on August 14, 2022. Due to greater-than-expected need for these services, the current contract NTE amount is insufficient to continue services through the contract expiration date.

Financial Considerations: Funding for the Supplemental Agreement which increases the current contract NTE amount by \$99,999, for a new total NTE amount of \$198,999, will be paid for by the FY2019/20 Human Resources Operating Budget through June 30, 2020 and there are sufficient funds available in the FY2019/20 Budget. Services received after June 30, 2020 will be subject to funding availability of the budget adopted for the applicable fiscal year.

Local Business Enterprise (LBE): Not applicable
