- 1-Description/Analysis
- 2-PIF Annual Report for FY2018/19

Description/Analysis

Issue Detail: The Park Impact Fee (PIF) is established under Sacramento City Code Sections 18.56.201-250. Under the Mitigation Fee Act, Government Code and City Code Section 18.56.150,

an annual report for this impact fee is required to be prepared and presented to the City Council. The report is to include information on the amount of the fees collected, expenditures and the remaining balance. The *City of Sacramento Park Impact Fee Report for Fiscal Year 2018/19* is attached.

Policy Considerations: Providing parks and recreation facilities is consistent with the City's strategic plan to enhance liveability in Sacramento's neighborhoods by expanding park and recreation facilities throughout the City.

Economic Impacts: Not Applicable

Environmental Considerations: This report concerns administrative activities that do not constitute a "project" as defined by the California Environmental Quality Act Guidelines Section 15378(b)(2) (Title 14 Cal. Code Reg. § 15000 et seq.).

Sustainability: Projects utilizing PIF funds are reviewed for consistency with the goals, policies, and targets of the City's Sustainability Master Plan, the Department of Youth, Parks, & Community Enrichment's Recreation Sustainability Plan, and the 2035 General Plan. Development of parks utilizing PIF funds advance these plans by reducing air pollution, reducing water consumption, and expanding recreation opportunities. Park renovations and improvements utilizing PIF funds are also consistent with sustainable design and development standards now applied to all City park design.

Commission/Committee Action: Not Applicable

Rationale for Recommendation: This is an annual impact fee report to City Council in compliance with the Mitigation Fee Act and the City Code.

Financial Considerations: The report provides a comprehensive accounting of the revenues, expenditures, and budgets of the PIF program for FY2018/19.

Local Business Enterprise (LBE): No goods or services are being purchased in association with this report.
