## Description/Analysis

**Issue Detail:** On September 3, 2019, a California Task Force Seven (CA-TF7) Red Incident Support Team (IST) representative were activated by the Department of Homeland Security/Federal Emergency Management Agency (DHS/FEMA); followed by California Task Force Seven (CA-TF7) Type 3 team.

As the sponsoring agency for CA-TF7 Urban Search and Rescue (US&R) program, the City of Sacramento (Fire Department) is responsible for providing trained personnel to staff positions on federal task force teams and incident support teams, and as a result of this deployment, the City must sign the DHS/FEMA Assistance Award/Amendment contracts (EMW-2018-CA-USR-0008, Amendments M001, M002 and M003) in the amount of \$623,200, to receive reimbursement for costs associated with deployment activities.

**Policy Considerations:** Acceptance of the federal US&R funding is consistent with City Council action relative to state and federal grant awards.

**Economic Impacts:** None.

**Environmental Considerations:** Ongoing administrative maintenance activities, such as purchases of supplies, equipment or materials which are not made for purposes of a public construction project, do not constitute a “project” and are exempt from the California Environmental Quality Act (CEQA) CEQA Guidelines, Section 15061(b) (3), 15378(b) (2).

**Sustainability:** There are no sustainability considerations applicable to the acceptance of federal funding reimbursing DHS/FEMA directed activities.

**Commission/Committee Action:** Not Applicable.

**Rationale for Recommendation:** DHS/FEMA Assistance Award/Amendment contract (EMW-2018-CA-USR-0008, Amendments M001, M002 and M003) in the amount of \$623,200, must be signed and submitted to DHS/FEMA to receive reimbursement for costs associated with the Tropical Storm Dorian.

**Financial Considerations:** As the sponsoring agency, the City of Sacramento incurs costs related to the activation of the CA-TF7 US&R Team; and DHS/FEMA reimburses expenses directly related to these deployment activities. This amendment allows DHS/FEMA to obligate \$623,200 of federal funds (Fund 2702) to cover labor and equipment expenses incurred by the City for activities associated with the Tropical Storm Dorian. Staff recommends the CA-TF7 US&R Team Tropical Storm Dorian operating grant project (G12704000) be established with revenue and expenditure

budgets in the amount \$623,200.

**Local Business Enterprise (LBE):** Not Applicable.
