2-Medical Services Agreement

Description/Analysis

Issue Detail: In July 2016, the Fire Department entered into an agreement with the Golden 1 Center to provide medical services personnel able to perform emergency medical treatment and transport as necessary at events on site. This agreement was established per section 4.7 of City Agreement 2014 -0514 with Sacramento Downtown Arena, LLC that states the City shall provide Municipal Services for each event at the Golden 1 Center. Per the agreement, medical services are considered Municipal Services and those services will be reimbursed based on cost recovery to provide the service.

Policy Considerations: Per the guidelines set forth by the City of Sacramento Code 3.04.020 with regard to income agreements of \$250,000 or more shall be approved by the City Council.

Economic Impacts: None.

Environmental Considerations: This report concerns administrative activities that do not constitute a "project" as defined by section 15378 of the California Environmental Quality Act (CEQA)

Guidelines and is otherwise exempt pursuant to sections 15061(b)(3); 15378(b)(2).

Sustainability: None.

Commission/Committee Action: Not Applicable.

Rationale for Recommendation: Staff recommends this contract with the Golden 1 Center through June 30, 2025 for emergency medical services.

Financial Considerations: The cost recovery to date for the for the current year for reimbursements for emergency medical services with the Golden 1 Center is approximately \$20,000 and is not anticipated to increase much more for the balance of the year due to restrictions on social gatherings as a result of the pandemic. The Department estimates for cost recovery for the future years of this contract (FY2022-FY2025) should approximate and could exceed the pre-pandemic annual reimbursements of approximately \$150,000 each year.

Local Business Enterprise (LBE): Not Applicable.
